Congratulations to the Blessed Eid al-Fitr 1435 AH

(Translated)

We are delighted in Hizb ut Tahrir / Wilayah Morocco to congratulate the Islamic Ummah for Eid al-Fitr, asking our Lord the Almighty to make the reward of its fast a clear conquest that raises the banner of the Deen, gives victory to the oppressed Muslims and defeats the Kaffir aggressors and their supporters.

We would also like to congratulate the Ameer of Hizb ut Tahrir, the eminent scholar Ata Bin Khalil Abu al-Rashtah and the Shabab of Hizb ut Tahrir of the Shawwal crescent, and ask our Lord the Almighty that He emerges it upon us with victory, pleasing to the believers and enraging the enemy.

And we remind the people of power and strength in Muslims countries that our Eid is sad; our people in Gaza are under bombardment, the necks of Muslims in Burma (Myanmar) are for slaughter, the sky of Ash-Sham rains explosive barrels on its people and the pure flesh of our brothers in Central Africa are eaten. Iraq and Yemen are both dividing, Pakistan is exposed for the Americans, Afghanistan is still counting its dead, and the land of Al-Kinana is bleeding for its arrows are directed to the chests of its sons and pacifies the Jewish state. In every land our blood is flowing, the sanctity is violated, and the just ideology of Islam has no state to implement it. Tragedies in succession obscure the joy for our Eid since the demolition of the Khilafah state. For this we cannot, on this occasion, except to renew our call to you, O people of power and strength, to extend your hands to Hizb ut Tahrir and give victory to the Deen of Allah, and support the servants of Allah, the oppressed on earth. So that the Khilafah state on the method of the Prophethood is established. A state by which, Allah willing, our sorrows turn into joy, and security substitutes our fear, and Muslims are supported. And by which the aggressors Jews and the Kaffir colonizers will be eliminated, and Al-Aqsa and other occupied Muslim countries will be freed. We are in Eid al-Fitr invite you to a victory that upholds your mention in the earth and in the sky, and we drive to you good in this world and the Hereafter, so will you then be respondents?
