Saad Jegranvi's Statement upon Release

The End of the Rule of Tyrants and the Rise of the Khilafah is Assured

Allah subhannau wa taala said,

((وَقُلْ جَاءَ الْحَقُّ وَزَهَقَ الْبَاطِلُ إِنَّ الْبَاطِلَ كَانَ زَهُوقًا))

“Truth has come and falsehood has vanished. Surely falsehood is ever bound to vanish.” [Surah Al-Israa'a 17:81]

The Kayani-Zardari regime and its thugs have been forced to change tactics in their lowly attempts to silence the Word of Truth. The regime failed to slow the call for Khilafah through becoming kidnappers, carrying out abductions of the advocates for Khilafah, with the whereabouts of Naveed Butt, the spokesman for Hizb ut Tahrir, unknown since May 2012. So, after the failure of these cheap tactics, the regime “graduated” from kidnapping to flagrant lying and baseless slandering. Accordingly, the regime seeks now to ensnare advocates for Khilafah in cases fabricated by the regime, submitted in courts over which the regime exerts pressure to make judgment according to the law that the regime itself sets for these courts.

However, despite all of this, the courts did not find that the members of Hizb ut Tahrir constitute a “threat” to the state. Indeed, this release confirms that Pakistan is inhabited by Muslims whose forefathers strove for its establishment for the sake of Islam and who seek Islam to this day. This is what grants the courtrooms for the release of the advocates of Khilafah, despite the pressure from the tyrants on behalf of their masters in the White House. Moreover, the release of Saad Jegranvi confirms that the actual threat to our state is America itself and its small group of agents amongst the Muslim civilian and military leadership.

We assure this failed regime that Inshallah soon they will see their end, rather than the end of the call to the Truth, revealed by Allah (swt). We assure the regime that wherever the advocates for Khilafah are, in the prisons of the tyrants, in the streets amongst the people or in whereabouts unknown, as in the case of Naveed Butt, they are all under the Protection and Mercy of Allah (swt), the Most Merciful of all those who bestow Mercy. And we assure you, O traitors amongst the military and political leadership, and your thugs, that you need only wait for a little while more before a righteous Khaleefah, gathering the entire wealth and strength of the Ummah as one powerful state, will avenge the Muslims of your evil thus far. So have mercy upon yourselves in preparation for that day, by desisting from any more evil and standing aside!

We call upon the people of power to work with Hizb ut Tahrir to replace the collapsing and failing Kayani-Zardari regime with the rule of Islam, through its Khilafah state. Do not tolerate such traitors within your rows and ranks anymore, for they are steering our country to destruction for the pleasure of our enemies. Indeed, the wisest of the people of power are the ones who seek to elevate their status in the Aakhirah by stepping forwards now to restore Islam to its rightful place.
