

Gaza Conflict Exposing Western Double Standards

The ongoing Gaza conflict in the Blessed Land of Palestine is a blessing in disguise. The Western colonialists led by America and her allies are fully exposed. Indeed, the weaponization of double standard is at its peak. The following are some of the events confirming the same:

First, on March 27, 2023, the Pre-Trial Chamber II of the International Criminal Court (ICC) issued warrants of arrest for Russian President, Vladimir Putin and Russian Commissioner for Children's Rights, Maria Alekseyevna Lvova-Belova. The basis of their decision is a report compiled by Yale University researchers funded by US State Department alleging that Russia unlawfully relocated over 6,000 Ukrainian children to a network of camps in the Russian territory. On the other hand, Prime Minister, Benjamin Netanyahu continues to murder over 10,000 children in the Blessed Land of Palestine. No arrest warrant issued against him!

Second, on June 17, 2020, American President Donald Trump signed into law the Uyghur Human Rights Policy Act of 2020. The law sanctioned Chinese officials responsible for anti-Uyghur policies. On the other hand, America and her allies are currently providing weapons and protection to the Jewish Entity 'Israel' against Islam and Muslims!

Third, the so-called international community condemns Russia for occupying Ukrainian territory. Alleging that Russia does NOT respect international law that delimitates Ukraine. On the other hand, America currently sustains the British's Balfour Declaration that serves as the basis for the Jewish Entity 'Israel' occupation and butchering of Muslims and desecration of Islamic sanctities. At the same time, the Zionists are calling for a one-state solution. America supporting it on the pretext of two-state solution!

Fourth, on December 5, 2023, the Western parrots 'media' led by the so-called Piers Morgan Uncensored show host, used it to vilify and cast aspersion on Islam and Muslims. That was in relation to the fact that Muslims across the world including Britain led by Hizb ut Tahrir organized protests calling for the unification of Muslim armies to liberate Gaza and the whole of the Blessed Land of Palestine! They branded the show guest, our brother Dr. Abdul Wahid, the current Chairman, UK-Executive Committee of Hizb ut Tahrir as an extremist and pro-Terrorism! Instead of the show host, castigating and attacking the usurper and murderer, the Jewish Entity 'Israel'!

Fifth, on December 8, 2023, America vetoed a UN resolution calling for a ceasefire in Gaza!

Sixth, on December 13, 2023, the Colonial agent Muslim rulers sanctioned by their Western colonial masters convened a 2nd meeting in Riyadh, Saudi Arabia bringing together Muslim military chiefs of staff under the umbrella of Islamic Military Counter Terrorism Coalition (IMCTC) established in December 2015 by the cursed and treacherous Saudi regime led by Mohamed bin Salman. The main agenda was to review the coalition's strategy and achievements in relation to addressing the ideology, communications, financing, and military operations of terror groups i.e. per the Western dictates that includes Hamas!

Seventh, on December 19, 2023, the US announced a 10-nation naval coalition entitled Operation Prosperity Guardian, to defend the Red Sea shipping from Houthi attacks that aim at vessels owned by the Jewish Entity 'Israel' or from countries supporting it directly or indirectly! Indeed, there is prosperity in guarding the killer of Muslims!

Eighth, arresting and silencing of Muslims including scholars in the Muslim world. The recent example is that of the Saudi Arabia regime, arresting a Muslim man at the Prophet's Mosque in Madinah, for just praying/saying (*dua*) for the liberation of the First Muslims' Qiblah, Masjid al-Aqsa and the whole of Blessed Land of Palestine! Evil scholars in Saudi

Arabia and other Muslim countries are too silent as if what is happening in Gaza does not concern them. To make matters worse, they are busy behind the scenes normalizing relationship with the butcher of Muslims and desecrater of Islamic sanctities! What a shame!

The above are just some examples confirming the collapse of the failed and deceitful Western civilization and its proponents wherever they are. Once again the Western colonialists are exposed and do not have anywhere to hide their faces. They used to boast they are beacons of democracy, protectors of human rights, upholders of international law etc. Indeed, they are nothing, but masters in political and socio-economic conmanship!

The West and its coteries have an expanded leeway to exploit the masses as long it will serve their interests in their respective homeland or abroad. A good example in Kenya, during the 1950s the British branded the **genuine** Mau Mau fighters as terrorists and anyone supporting them as sympathizers. Hence, they arrested, tortured and killed them for seeking independence! Recently, America under the Biden regime, branded the so-called White supremacists as domestic terrorists! In addition, Indian police on November 28, 2023 branded seven students from Kashmir as terrorists and arrested them, for celebrating the defeat of India's cricket team by Australia!

Everything is now in black and white. Everyone can see for himself or herself and be a judge. The global events are an eye opening for those who have studied history deeply and connected the dots. The American dominance is about to be declared dead and its place taken by NOT China or the so-called BRICS+ in the name of multi-polar world! Instead, its position occupied by the resumption of the Islamic way of life via reestablishment of the Islamic Government, the Khilafah on the method of Prophethood. All evil plots against the stalling of the emergence of the Khilafah have crumbled, commencing with concocting a dubious outfit in the name of ISIS, branding Islam as a radical ideology and Muslims as extremists!

Now is the moment for the Muslims especially those in the Muslim armies to rise up and heed the call of Allah (swt): ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ﴾
﴿وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ﴾ **“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life. And know that Allah intervenes between a man and his heart and that to Him you will be gathered.”** [Al-Anfal: 24]. In addition, the relatives to the soldiers must take this opportunity to remind their relatives that giving support (*nusrah*) i.e. responding to the call of Allah (swt) is an obligation that if NOT heeded will bring the curse of Allah (swt) on him! The options are two, it is the military personnel to either answer Allah (swt) or remain shackled in their military barracks. Waiting for orders from Western colonial agent Muslim rulers, who themselves are waiting for orders from Washington, London, Paris, Berlin, Beijing and Moscow!

As for the rest of the Muslim Ummah especially those in the Muslim nations, must direct their protests and anger at the doorsteps (residences) of the colonial agent Muslim rulers. In addition, demand he adopts and implement comprehensively the Islamic Shari'ah. His first order to the armies to liberate the Blessed Land of Palestine. Failure to do so, get him toppled and his place taken over by a just Muslim man, the Khalifah (Caliph). It sounds like a huge monumental task to those overtaken by secular capitalist thoughts, but easier to implement when overtaken by piety (*taqwa*) and sincerity (*ikhlass*). Allah (swt) said: ﴿وَيَوْمَئِذٍ﴾
﴿يَفْرَحُ الْمُؤْمِنُونَ﴾ **“And on that day the believers will rejoice.”** [Ar-Rum: 4]
