

Pegasus Spyware:

The Jewish Entity is a Cancerous Body whose Evils Extend Beyond the Muslim World to Afflict the Entire World

(Translated)

News:

French President Emmanuel Macron has changed his phone and number after reports that he was targeted with "Israeli"-made spyware called Pegasus. The president's office said Mr Macron had also ordered an overhaul of security protocols. Le Monde reported that he and 14 French ministers were flagged for potential surveillance by Morocco. The spyware infects iPhones and Android devices, allowing users to extract messages, photos and emails. Calls can be recorded, while microphones and cameras can be activated covertly.

It is not clear if the software was ever installed on the French president's phone. But his number was among a list of 50,000 contacts believed to be targeted by clients of NSO Group, the creator of Pegasus, since 2016. The list includes the numbers of at least 180 journalists, 600 politicians, 85 human rights activists and 65 businessmen, according to the analysis conducted by the group that identified many numbers in several countries. Amongst the potential targets were Macron, Pakistan Prime Minister Imran Khan and the Moroccan King Mohammed VI. (aljazeera.com)

Comment:

It seems that the sorcery has turned against the sorcerers, as the Western nations implanted the cancerous Jewish entity inside the body of Muslim World, in order to undermine the Islamic Ummah. These nations continued to support this entity, providing it with all the means of life, whilst extending the life-lines of normalization with nations of the regions and beyond. After all that, they are not free from the harms of this entity, including its best friends, such as Mohammed VI, Emirates, as well as those who support normalization with the entity, like Imran Khan. Even they are not free from the harms of such an entity.

One cannot be surprised at the Jews, as they are the ones who martyred the Prophets (as) and worshipped the calf. They are not above any wrongdoings or betrayal. Thus, the matter remains for the intellects to understand this fact, so that they would straighten their affairs when dealing with such an entity, adopting a suitable stance against it, the least of which is to uproot it from its very deepest roots.

The Jews today have remained at the forefront of all forms of betrayal. They did not stop treading the footpath of their Jewish ancestors who betrayed the Prophet Musa (as) by worshipping the calf, who did not fulfill their covenant to the best of creation, Muhammad (saw), and who broke their covenant with him (saw). History, whether it is ancient or modern, has not witnessed Jews that abide by any covenant,

whether it is with humans or the Lord (swt) of all humanity. They are the bewildering people i.e. they are the people of lies, deception and falsehood. They accuse or fabricate against others, by that which they are not. The Jewish entity is at forefront in all the evil practices, including human trafficking and worldwide prostitution. Today, the people of Sudan and Egypt are not free from their harms with the Jewish investment in Nahda Dam [Renaissance Dam], that restricts the two populations from getting water, threatening their cities and towns.

All this evil is true to the saying of Allah (swt), ﴿أَلَمْ تَرَ إِلَى الَّذِينَ أُوتُوا نَصِيبًا مِّنَ الْكِتَابِ يُؤْمِنُونَ بِالْجِبْتِ وَالطَّاغُوتِ وَيَقُولُونَ لِلَّذِينَ كَفَرُوا هَؤُلَاءِ أَهْدَىٰ مِنَ الَّذِينَ آمَنُوا أَوْلَىٰكَ الَّذِينَ لَعَنَهُمُ اللَّهُ وَمَنْ يَلْعَنِ اللَّهُ فَلَنْ تَجِدَ لَهُ نَصِيرًا﴾ **“Have you not seen those who were given a portion of the Scripture, who believe in superstition and false objects of worship and say about the disbelievers, “These are better guided than the believers as to the way?” Those are the ones whom Allah has cursed; and he whom Allah curses - never will you find for him a helper. Or have they a share of dominion? Then [if that were so], they would not give the people [even as much as] the speck on a date seed.”** [TMQ Surah an-Nisa’a: 51-53].

To emphasize the evil and treacherous characteristics of this entity, a political strategist and a public opinion expert, Dahlia Scheindlin, wrote in The Guardian, “Israelis are well aware that cutting-edge technology is a massive driver of its economy... Moreover, Israeli technology is essential to the country’s national image and identity in the 21st century... For Jewish Israelis hi tech symbolises Jewish exceptionalism... To Israelis, the technology industry proves that Israel is the good guy, and neutralises the country’s dark side: the occupation of Palestinian territories since 1967, and the conflict since 1948. Of course, the conflict involves many of the very same human rights violations and destruction of democracy that Pegasus enabled the world over.”

However, what the author did not mention is that this technology and its infrastructure are of American origin. So it mirrors the infamous “Israeli” Waze software in whose funding the American venture capital firm, BlueRun Ventures, played a major part. In other words, the evils of this hateful entity are a spark from the fire of America, the head of Kufr in the world. Therefore, the world must deal with this entity as a project amongst America’s dirty colonialist projects.
