

The Children of Gaza Used to Test New Biological Weapons

News:

Doctors in Palestine are increasingly reporting injuries and symptoms that they have never seen before. One example is that of 13-year-old Ziad Yaseen, who was shot by an IDF sniper bullet, and then his skin progressively fell apart. Medical staff are saying that an unknown weapon was used against him.

Comment:

The deliberate attempt to kill the youth of Gaza is one to erase a legacy of the next generation, so the revival and return of the Palestinians in the region is designed to be impossible. The money-making potential to “battle test weapons” to resell them for greater profits is also an active agenda in this fake war of “self-defence”. Hundreds of children are now disabled and in need of prosthetic limbs. Blinded by bomb blasts and orphaned with the mass killing machine unleashed on them, the women and children are exposed to new types of biological and chemical weapons.

The generational impact on birth defects and long-term consequences is yet to be seen, as was the case in Iraq with the mass increase in deformities in newborns.

The assassination of an entire culture with the banning of scarf prints, words and symbols is a weak and vain attempt of the intellectually bankrupt to gain forced authority internationally.

However, the enemies of Islam do not understand that this battle is not one with the tiny area of Gaza; it is one with the billions of Ummah all over the world. The Prophet (saw) said; «مَثَلُ الْمُؤْمِنِينَ فِي تَوَادِهِمْ وَتَرَاحِمِهِمْ وَتَعَاطُفِهِمْ مَثَلُ الْجَسَدِ إِذَا اشْتَكَى مِنْهُ عُضْوٌ تَدَاعَى لَهُ سَائِرُ الْجَسَدِ بِالسَّهْرِ وَالْحُمَى» **“The similitude of believers in regard to mutual love, affection, fellow-feeling is that of one body; when any limb of it aches, the whole body aches, because of sleeplessness and fever.”** (Sahīh Muslim).

Allah (swt) is witness to the evil of the leaders that choose to only send Kaffan, burial clothes by the truckload, as they know that death is the only assistance they will get from them. But the assistants of the enemies of the Muslims must not think that they can hide behind their pay masters. They must know that the recording of their failure to help against oppression is a crime that does not go unpunished. ﴿فَقَدْ جَعَلْنَا لَوْلِيهِ سُلْطَانًا فَلَا يَسْرِفُ فِي﴾ **“And do not kill the soul [i.e., person] which Allāh has forbidden, except by right.1 And whoever is killed unjustly - We have given his heir authority,2 but let him not exceed limits in [the matter of] taking life. Indeed, he has been supported [by the law].”** [Al-Israa:33].

Oh Muslim Ummah, do not be on the side of those who will earn the punishment of their Lord as expressed in these verses. Side with the sunnah and work for the Khilafah (Caliphate) so that the history of killing and testing the lack of Islamic ruling is forever ended!
