

The British Internal Ministry Seeks to Ban Hizb ut Tahrir

(Translated)

News:

British Internal Secretary James Cleverly announced the ban on Hizb ut-Tahrir, describing it as a terrorist organization. He said that the Hizb is anti-Semitic as it celebrated the Hamas attacks in Gaza against 'Israel' on October 7. He said that the Hizb described Hamas as heroes and that this action encourages terrorism. (BBC 01/15/2024).

Comment:

We said in our comment entitled "The British media seeks to undermine Hizb ut-Tahrir's Dawah" that "Hizb ut-Tahrir's call angered them and disturbed them. Calling on the armies to move to support Palestine and unite Muslims under the banner of religion signify the end of their dominance over Muslim countries and their retreat from world leadership. They honked their horns to distort the party's call and attack its members, thinking that this would discourage the Hizb's members from their Dawah, which had taken root and spread among Muslims. Their attacks only increased the spread of the Hizb's Dawah and the rally of the Muslim's community around it, for the call of truth is apparent and the call of falsehood is inevitably perished." And here we are today seeing the failure of their media to undermine the Dawah of Hizb ut Tahrir. They have no choice but to ban it, even though it violates their false freedoms and false laws.

Yes, Hizb ut Tahrir has disturbed them by calling on the armies to remove the thrones of tyrants in our countries, implement Islam and declare jihad to liberate the country and its people. The result of their media attacks on the Hizb was that they united the Muslims around the correct Dawah, and it was propaganda for the Hizb that they did not intend. They found no way except the policy of silencing people, which they practiced and are practicing in their ancient and modern colonies in our Islamic world.

The arguments claimed by the British Internal Secretary to ban the Hizb are false and contrary to the ideology of Hizb ut Tahrir. Arguments that did not deceive anyone, and with Allah's willing, arouse the opinion of the Muslim community and even many non-Muslims, who condemned this ban and the policy of silencing mouths with flimsy pretexts and in violation of the laws of freedom that they claim. Hizb ut Tahrir's Dawah is to establish an Islamic state in the Muslim countries that Britain and other Western countries colonized and turned into ruins after they had been a leading state in all fields, in which Muslims and non-Muslims would live under the shadow of a just divine system that Muslims and non-Muslims seek today.

In 2005, the Labor leader tried to ban Hizb ut Tahrir but failed, and then the Conservative Party leader David Cameron tried the same thing and failed. They both tried to attach false charges of terrorism and violence to the Hizb, but everyone knows Hizb ut Tahrir's method for change. Intellectual conflict and political struggle, a method detailed in its literature, is the method of the Messenger (saw), in establishing the first Islamic state in Medina. Today, the ruling Conservative Party is once again seeking to ban the party to please the Zionist entity, which was shaken to its roots after the resounding defeat on October 7, 2023. The ban will be discussed in the British Parliament and be voted on Thursday, 18/01/2024.

Banning Hizb ut Tahrir in Britain will not deter the Hizb and its youth from their Dawah, as it is the call of true Islam, a call that will remain until Allah blesses us with an Islamic state, which will liberate the country and the people and defend honor. ﴿وَيَوْمَئِذٍ يُفْرَخُ الْمُؤْمِنُونَ * بِنَصْرِ اللَّهِ يَتَّصِرُونَ مِنْ شِئَاءٍ وَهُوَ الْعَزِيزُ الرَّحِيمُ﴾
"And on that day the believers will rejoice* at the victory willed by Allah. He gives victory to whoever He wills. For He is the Almighty, Most Merciful." [Ar-Rum 30:4-5].
