

Sudan has the Largest Number of Displaced People in the world and trillions of the Muslim's Wealth is used for Luxury Projects for Nationalistic Vanity

News:

On the 25th of January 2024, the Sudan Tribune reported on the 2024 Humanitarian Needs and Response Plan for managing the world's largest number of displaced people. Currently, 14.7 million Sudanese have been forced to leave their homes due to the civil war that broke out in 2023. Humanitarian agencies say that this requires a cost of US\$2.7 billion to manage effectively.

UN official, Nkweta-Salami said she seeks to prioritize multi-cluster, life-saving assistance to the most vulnerable people as in previous years. This plan will be a collective effort of all humanitarian actors and stakeholders in the country. It will address the specific needs of women, children, the disabled, and other high-risk groups. The 2024 Humanitarian Response Plan (HRP) will plan to do the following, according to the Sudanese government;

“The UN and partners’ agencies appreciate the generous support from donors and urge them to continue supporting humanitarian action in Sudan; it is needed now more than ever”

Comment:

Appealing to the same agencies and organisations that have facilitated war and continue to keep the catastrophe working in Sudan is a foolish move by the Sudanese government. The Prophet (saw) never accepted the nationalistic terms of a State and he (saw) said that «لَيْسَ مِنَّا مَنْ دَعَا إِلَى عَصِيَّةٍ» **“the one who calls for nationalism is not one of us.”**

The UN agencies and their partners can keep these vast numbers of Muslims displaced and in a state of destabilised confusion, so the assets of the region serve the colonialist agenda. There will never be solutions achieved by an enemy entity that benefits from the weakness of the Ummah.

There would never be such a state of disorganisation if the trillions of dollars in our wealth and resources of the armies were not spent on luxury projects in the desert or high rise buildings for millionaires to live in. The armies are told to only fight against Muslims who stand against the slave puppet rulers under the becks and call of their colonialist masters.

We, as a Ummah, have most of our pious mothers and children making up these homeless numbers, and we have lands that are ready to be safe places for our brothers and sisters, and yet they are banned from borders due to passports and false values.

We will only ever see an end to these reoccurring wars and fleeing Ummah when the true State and Ameer exists to protect the interests of the Muslims independently without the corruption of the wrongdoers working for Shaitaan. ﴿وَإِنْ يُرِيدُوا خِيَانَتَكَ فَقَدْ خَانُوا اللَّهَ مِنْ قَبْلُ فَأَمْكَنَ مِنْهُمْ وَاللَّهُ عَلِيمٌ حَكِيمٌ﴾ **“But if they have treacherous designs against thee, (O Messenger!), they have already been in treason against Allah, and so hath He given (thee) power over them. And Allah so He Who hath (full) knowledge and wisdom.”** [Al-Anfal;71].
