

Under What Stone and on What Planet Are the Soldiers and Generals of the Muslim Armies Hiding When Even Soldiers of the Army of Our Enemy Cannot Remain Silent!?

News:

In protest against the ongoing genocide committed upon the people of Gaza, an American soldier called Aaron Bushnell sacrificed his life in front of the 'Israeli' embassy by setting himself on fire. He said as he walked towards his death that he could not be complicit anymore in the slaughter of innocents in Gaza, and his last words were 'Free Palestine'.

Comment:

In 2010, Mohamed Bouazizi set fire to himself in protest against oppression in Tunisia, which sparked the 'Arab Spring' uprisings. These failed as they lacked the support of the armies. A new Spring is needed. It is high time for the Muslim armies to burst forth from their barracks; for the salvation of what remains of Gaza, for every oppressed Muslim and for the whole world that groans under the hypocrisy of capitalism. Tens of thousands of women and children have been burned, shot, and bombed by the most self-loving and cowardly army on the planet, and the only soldier to say no is an American! Where is the sense of shame in the soldiers and generals of Egypt and Jordan, and the other Muslim countries, whose huge armies and arsenals of weapons are sitting useless!? The American, Aaron Bushnell, could not live with himself knowing that his government is supporting the Zionist entity and is complicit in its daily massacres in Gaza.

O Muslim soldiers and generals, do you not see that your governments are also complicit in spilling the blood of your brothers and sisters in Gaza, and that these rulers have always been, with your support, sucking the blood of your families? Is all this not too much for you, now that you have ceased to be children and have eyes to see and ears to hear, and yet you are senseless like the mummies in museums whose souls left their bodies long ago? Do you really believe the insulting slogans of your rulers and their media mouthpieces that tell you that bravery and honor is in building, and then hiding behind, new walls that keep you separated from your brothers and sisters in Gaza?

Rise up and be the men that hundreds of millions of Muslims want from you. Khilafah (Caliphate) is the way, and breaking down the borders between brothers that were built by the colonial Sykes-Picot agreement is to liberate yourselves and the world. Will you answer the call of Biden, Sunak and Schultz, who will humiliate you in this world and abandon you in need, or will you answer the call of Allah and His Messenger:

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا إِن تَنصُرُوا اللَّهَ يَنصُرْكُمْ وَيُثَبِّتْ أَقْدَامَكُمْ * وَالَّذِينَ كَفَرُوا فَتَعْسًا لَهُمْ وَأَضَلَّ أَعْمَالَهُمْ﴾

“O you who have believed, if you support Allah, He will support you and plant firmly your feet. But those who disbelieve - for them is misery, and He will waste their deeds.” [Al-Qur'an 47:7]!?
