

Fasting in Starvation Conditions in Ramadan means our Sisters in Gaza are Giving Birth Early, Leaving their Babies to Die

News:

The United Nations Population Fund has reported that “Women are giving birth prematurely because of terror.” The health workers on the ground are also corroborating the accents of the higher level of premature births in women due to the physical stress on their bodies, lack of appropriate nutrition and due to the high levels of trauma they are enduring. The horrific consequences are that the babies are often left to die as there are no premature life support systems available to assist the newborns.

Comment:

This news story is a new development that has taken the oppression of our Palestinian Ummah to an unprecedented level of disaster. Many of the world’s seasoned international observers have stated that they have never seen anything like the humanitarian catastrophe as can be seen in Gaza. The fact that a baby can be born live only to be left to die unassisted literally is an unforgivable crime that the traitors of the Ummah will bear witness to on the Day of Judgment.

The sisters of this Ummah are facing the reality that they will already be planning the burial of their child before they will name it or get a birth certificate.

This is now the new normal in this chapter of Islamic history. How different this Ramadan is when we look at the past Khilafah (Caliphate), where this month was seen as a month of Jihad and great victories. We will never forget the thousands of women and children slaughtered in the plain sites of social media, and now we must add the unborn to the body count. This is a betrayal that only the removal of our Western slave leaders will solve. We urge the Ummah of Mohammad (saw) to recognise that no amount of charity or dua’ alone will bring the needed rescue of the Muslims facing these trials. The Hukm of Allah (swt) is not a matter of public opinion or emotions. The authority of Islam is the only valid solution to the plans of the enemies of Islam, and we must remain focused on the rewards of Allah (swt) to realise the return of the Islamic State so the future unborn Ummah never face such a threat again.

﴿قُلْ تَعَالَوْا أَنُؤَلِّ مَا حَرَّمَ رَبُّكُمْ عَلَيْكُمْ أَلَّا تُشْرِكُوا بِهِ شَيْئًا وَبِأَلْوَالِدَيْنِ إِحْسَانًا وَلَا تَقْتُلُوا أَوْلَادَكُمْ مِمَّنْ إِمْلَاقٍ نَّحْنُ نَنْزُرُكُمْ وَإِيَّاهُمْ وَلَا تَقْرَبُوا الْفَوَاحِشَ مَا ظَهَرَ مِنْهَا وَمَا بَطَّنَ وَلَا تَقْتُلُوا النَّفْسَ الَّتِي حَرَّمَ اللَّهُ إِلَّا بِالْحَقِّ ذَلِكُمْ وَصَّاكُمْ بِهِ لَعَلَّكُمْ تَعْقِلُونَ﴾

“Come, I will rehearse what Allah hath (really) prohibited you from”: Join not anything as equal with Him; be good to your parents; kill not your children on a plea of want;- We provide sustenance for you and for them;- come not nigh to shameful deeds. Whether open or secret; take not life, which Allah hath made sacred, except by way of justice and law: thus doth He command you, that ye may learn wisdom.” [TMQ 6:151]
