

Our Elderly Sisters Are Burned Alive without the Khilafah!

News:

On the 12th of April, the online news service DOAMuslims reported that a 97-year-old Palestinian women named Naifa Rizq, was burned alive in her home by the armies of the Jewish entity. Her family lost communications with her for two weeks after the invasion of the Al Shifa Hospital. When her sons were able to enter the area, they found her house burnt down with her burnt body lying in her bed.

Comment:

La Hawla Wallah Qawata Illah Billah! Allah (swt) expressly forbade the killing by fire or any punishment linked to it. This is the case even for the enemies of Islam in times of war. The worst of punishments is by fire as a matter for the next life as ordered by Allah (swt) in the creation of the Jahannam. Ibn Abbas reported: The Messenger of Allah, peace and blessings be upon him, said, «لَا تُعَذِّبُوا بِعَذَابِ اللَّهِ عَزَّ وَجَلَّ» “Do not punish with the punishment of Allah Almighty,” meaning fire. (Musnad Ahmad 1904 Grade: Sahih (authentic) according to Ahmad Shakir).

As we can see, the violations of Allah (swt) against innocent, weak elderly women are not an easy matter without the Khilafah (Caliphate), and we must make this crime known to instill the outrage of the Ummah. How can we be silent and inactive for the work of Allah (swt) to establish His Deen and the righteous authority on earth to protect the honour of the women and girls in this Ummah? Now we have mass starvation and sickness killing the newborns and unborn before they have a chance to grow old! There can be no delay or distraction in the greatest need of our time; we pray for the weak and fragile sisters who have lost all of their families and men in Gaza and those who have been left to fend for themselves in the harshest times in the history of the region. Inshallah, we will have the victory of Amir Al Mumineen soon, and we will be with those who take the reward for this work and avoid the fire of Allah (swt) punishment ourselves.
