

If Palestine and Anatolia will be defended by a handful of Muslims, what are you doing with your army of 1 million, O Erdogan!

News:

At the 3rd Consultation and Evaluation Meeting, President Erdoğan said: "The massacre in Palestine has been going on for 76 years without interruption. Palestinian children have been killed by a spoilt state for 76 years. Since 7 October, the barbarity witnessed in Gaza has enabled the rest of humanity to see the savagery that the Palestinian people have been experiencing every day for 76 years... Hamas and the Palestinian people are not only defending their own land. At the same time, they are defending Anatolia against the delusion of a desired land."

Comment:

Instead of giving history lessons to the Ummah and declaring the obvious, Erdogan should mobilise the 1 million Turkish army under his command to liberate Palestine, which has been under occupation for 76 years, and to liberate Gaza, which has been subjected to genocide for 8 months. Erdogan's duty and mission is not to give history lessons and declare the obvious, but to mobilise huge armies to defend the defenceless, protect the holy and liberate the occupied Islamic lands, starting with Palestine, from the filth of Jews and infidels.

Erdoğan characterises the leaders of the Jewish entity, with whom he was his buddy until yesterday and whom he hosted in the Külliye, as Nazi remnants and barbarians today. Tomorrow, when a ceasefire is signed under the mediation of his master America, he will lick back what he spat today, and with the deception of 'there is no resentment and narrowness in politics', he will continue his relations with the Jewish entity as if the genocide and massacre had not happened. For 20 years we have been witnessing this.

Yes, it is true that Palestine has been under occupation for 76 years and the massacre has been going on uninterruptedly for 76 years, but the main reason for this is the puppet rulers like Erdogan who have been silent about the massacre and occupation for 76 years and even collaborated with the occupation. If these puppet rulers had not only condemned, watched and counted the dead, neither the Jews nor the Indians nor the Americans would have dared to occupy any Islamic land and massacre Muslims. Therefore, instead of blaming the international community and America, Erdogan should look at himself. Isn't 76 years of occupation and massacre caused by callous traitorous rulers like Erdogan?

Erdogan says that the defenceless Palestinian people and Hamas are defending Anatolia, so why doesn't he himself defend Palestine and Gaza in accordance with the principle of reciprocity? Would it be reasonable and acceptable for the defenceless and unarmed Palestinian people to defend Anatolia when 1 million armies are under his command? Expecting Hamas and the Palestinian people to defend Anatolia despite the huge Turkish army only suits rulers who have reached the summit in slavery. Shame on them! However, the armies of countries like Egypt, Turkey and Pakistan are capable of destroying the Jewish entity if they sneeze. But unfortunately, all these armies, instead of being lions against the Jewish entity, are being lions against their own religion brothers in Libya and Afghanistan for the benefit of their master, the USA. The rulers of the Islamic world are emotionless, unscrupulous puppets who do not have a heart for the genocide in Gaza, but only shed crocodile tears.

If Muslims had valiant commanders and leaders like Saladin, Qutuz, Qutayba, Mutasim and many other heroic commanders who heeded the calls of women and holy places, neither the Jewish entity nor any other power would dare to touch even a hair of their heads, let alone occupy their lands, violate their honour and desecrate their holy places. The outstanding heroism of the Caliphs in the Khilafah Rashidah (rightly guided Caliphate) to protect their Muslim and non-Muslim subjects is the best proof of this. Therefore, if Muslims want to support Gaza and find solutions to all its problems, large and small, they must work to establish the Khilafah Rashidah.
