

Halt the American Plan to Burn the Armies of Muslims in Prolonged Wars of Fitnah

News:

On 5 October 2026, Dawn Newspaper reported that “Pakistan, Saudi Arabia and Turkiye have agreed to deploy military forces and capabilities rapidly in the kingdom, the Foreign Office (FO) said on Monday following an emergency meeting of the Makkah Joint Defence Agreement in Riyadh.”

Comment:

The American strategic vision for the Muslim World is the exploitation of its armies and resources to fulfill American interests. After the US military failed to launch a ground offensive to defeat the Muslims of Iran, and after the Jewish entity failed to defeat the regional proxies of Iran, Washington is demanding that its agents and followers amongst the rulers of Muslims “do more.”

As long as the rulers of Muslims maintain control of the armies and the Islamic Ummah, the Muslim World is to burn in the blazing fire of continuous wars of Fitnah between Muslims. The American plan is to weaken the armies of Muslims in prolonged low-intensity conflicts of attrition, preventing any Muslim state from seeking independence from Washington. Washington thus hopes to secure the hegemony of the American crusaders, and its protégé in the west, the Jewish entity, and its protégé in the east, the Hindu State.

O Muslims and their ulema! Break the control of the agents and followers of Trump over your lands, wealth and lives. Demand the rejection of all forms of Taghut (طاغوت transgressing authority) whether it is the alliances and blocs of Trump, or the international law whose historical origin is the crusader resistance to the relentless expansion of the Khilafah (Caliphate) through Dawah and Jihad.

O armies of Muslims! Islam rescued the Aws and Khazraj of Al-Madinah from continuous internecine conflict that weakened them before the Romans and the Persians. Islam unified them as a single armed force that opened the lands of Persia and Rome to Islam. Seize the traitors and grant your nussrah (نصرة military support) for the establishment of the Khilafah Rashidah (Rightly Guided Caliphate) on the Method of the Prophethood.

Hizb ut Tahrir calls you, so respond!

Ibn Ishaq narrates, that in his Khutba, that the first Khaleefah Rashid, Abu Bakr (ra), said, (وَأِنَّهُ لَا يَجِلُّ أَنْ يَكُونَ لِلْمُسْلِمِينَ أَمِيرَانِ، فَإِنَّهُ مَهْمَا يَكُنْ ذَلِكَ يَخْتَلِفُ أَمْرُهُمْ وَأَحْكَامُهُمْ، وَتَتَفَرَّقُ جَمَاعَتُهُمْ، وَيَتَنَازَعُوا فِيمَا بَيْنَهُمْ، هُنَالِكَ) “Indeed, it is not permitted for the Muslims to have two ameers. If that were to occur, there would be disagreement over their affairs and laws, the community of Muslims would be split and they would dispute with each other. That would result in the Sunnah being abandoned. Innovation (bid’ah) would appear, discord (fitnah) would be widespread, whilst none of that would be righteousness for anyone.” Thus, the Khaleefah Umar (ra) was a Khaleefah over Muslims who lived in three continents. That was achieved in the era of messages by camel riders and travel by road and seas. So how can it not be achieved now, in the information age and air travel?
