The Colonialist Plan Regarding the Nuclear Deterrence Capabilities of the Islamic Ummah

News:

On 27 October 2026, Ambassador Sarah MacIntosh, the UK Permanent Representative to the UN, stated, “Iran has amassed a stockpile of over 400kg of uranium enriched to 60%. Iran remains the only state without nuclear weapons to enrich to this level, for which there is no credible civilian justification.” (Source)

Comment:

Despite competition, differences and conflict with the US regarding influence in Muslim Lands, Britain stands with the US in enmity towards the Muslims. The Western colonialist states cannot tolerate Muslims either achieving or expanding nuclear deterrence, as it threatens the military dominance of the West.

On 2 March 2026, the US Secretary of War, Pete Hegseth, stated, “crazy regimes like Iran, hell-bent on prophetic Islamist delusions, cannot have nuclear weapons.”

On 18 March 2026, the Office of the Director of National Intelligence in the US warned, “Pakistan continues to develop increasingly sophisticated missile technology that provides its military the means to develop missile systems with the capability to strike targets beyond South Asia, and if these trends continue, ICBMs that would threaten the U.S.”

Who are the colonialist states to decide what Muslims possess of weaponry?

In 1945, the American aerial bombings of Nagasaki and Hiroshima killed at least 150,000 people, most of whom were civilians, and remain the first and only uses of nuclear weapons in an armed conflict.

American and British forces extensively used depleted uranium (DU) ammunition during the 1991 Gulf War and the 2003 invasion of Iraq, causing a steep rise in cancers amongst children.

From October 2023 onwards, the US and European states have supported the Jewish entity as it commits genocide in Gaza.

O Muslims!

The Messenger of Allah (saw) ensured that Muslims acquired mobile siege shelters and military catapults to deter their enemies. For centuries, the Khilafah (Caliphate) established military supremacy over the disbelievers, and the second Khilafah Rashidah (rightly guided Caliphate) will do so again, soon, by the Permission of Allah (swt).

Allah (swt) said, ﴿وَأَعِدُّوا لَهُم مَّا اسْتَطَعْتُم مِّن قُوَّةٍ وَمِن رِّبَاطِ الْخَيْلِ تُرْهِبُونَ بِهِ عَدُوَّ اللَّهِ وَعَدُوَّكُمْ وَآخَرِينَ مِن دُونِهِمْ لَا تَعْلَمُونَهُمُ اللَّهُ يَعْلَمُهُمْ﴾ **“Prepare against them what you believers can of**

military power and cavalry to deter Allah's enemies and your enemies as well as other enemies unknown to you but known to Allah" [TMQ Surah Al-Anfal: 60].

At-Tabari said in his Quranic commentary (tafseer), ((ما استطعتم من قوة)، يقول: ما أطقتم أن تعدّوه لهم من الآلات التي تكون قوة لكم عليهم، (ترهبون به عدو الله وعدوكم)، يقول: تخيفون بإعدادكم ذلك عدوَّ الله وعدوكم من المشركين) "'Prepare against them what you believers can'—meaning: whatever equipment you are capable of preparing for them—such as weapons and horses—that serves as a source of strength for you against them, 'to deter Allah's enemies and your enemies'—meaning: by making such preparations, you instill fear in the enemy of Allah and your own enemies among the polytheists."

Imam Qurtubi stated in his tafsir, (الأولى قوله تعالى وأعدوا لهم أمر الله سبحانه المؤمنين بإعداد القوة للأعداء بعد أن أكد تقدمة التقوى. فإن الله سبحانه لو شاء لهزمهم بالكلام والتفل في وجوههم وبحفنة من تراب، كما فعل رسول الله صلى الله عليه وسلم. ولكنه أراد أن يبتلي بعض الناس ببعض بعلمه السابق وقضائه النافذ. وكل ما تعده لصديقك من خير أو لعدوك من شر فهو داخل في عدتك. قال ابن عباس: القوة هاهنا السلاح والقسي) "The first point concerns the Almighty's command: 'And prepare against them...' Allah—glorified be He—instructed the believers to prepare strength against their enemies, having first emphasized the necessity of piety (taqwa). Had He so willed, Allah (swt) could have defeated them through a mere word, by blowing in their faces, or by casting a handful of dust—as the Messenger of Allah (saw) once did. Yet, it was His intent to test some people through others, in accordance with His foreknowledge and His immutable decree. Whatever you prepare—whether it be good intended for a friend or harm intended for an enemy—falls under the scope of this preparation. Ibn Abbas (ra) stated that, in this context, 'power' refers to weaponry and bows."

O Armies of Muslims!

Depose the agents of the West in your leaderships, for they are a threat to both your existing and potential capabilities. Grant your nussrah (military support) to Hizb ut Tahrir for the establishment of the Second Khilafah Rashidah on the Method of Prophethood, so that you prepare and mobilize to end the injustice of tyrants throughout the world.
