

Kashmiri Muslim women urgently need to be liberated by the second Khilafah Rashidah on the method of Prophethood

News:

It was published in the *Indian Express* on 25th August 2015 that a radical women's outfit Dukhtaran-e -Millat (DeM) on Friday unfurled Pakistan's flag and sang its national anthem on the neighbouring country's Independence Day. A group of DeM activists led by Asiya Andrabi had gathered in Bachpora area on the outskirts of the city. Separatist activists have been hoisting Pakistani flags on August 14 for more than two decades. The newspaper also wrote an editorial named, "View from the Right: Dangerous Andrabi".

Criticising Andrabi for her acts against the state. The editorial says her "act of treason" is far more dangerous than the terrorists infiltrating from Pakistan.

Comment:

Kashmir was occupied by Indian forces soon after the partition, although it was a Muslim majority area. There are still more than 5 lakh army personnel in Jammu and Kashmir. They are involved in all kinds of crimes against the innocent Kashmiri Muslims in order to curb their resistance movement. Since 1989, more than 8,000 men have disappeared, believed to be killed by Indian armed forces, leaving their families, mothers, wives and daughters in agony over decades. Indian security forces have been implicated in many reports for enforced disappearances of thousands of Kashmiris where the security forces deny having their information and/or custody. This is often in association with torture or extrajudicial killing. The number of men disappeared have been so many to have a new term "half-widows" for their wives who end up impoverished. Human right activists estimate the number of disappeared over eight thousand, last seen in government detention. These are believed to be dumped in thousands of mass graves across Kashmir.

The issue of Kashmir needs urgent solution and the battered but brave Kashmiri women require a savior, who will change their fate and bring to them security, honor and prosperity. Like the Muslim women all around the globe they should also rise and work for that system of Allah (swt), and to bring back the liberator, Khilafah Rashidah on the method of Prophethood, that will truly rescue them. They should raise the flag of Rasoolallah (saw), and not the flags of nation states. Pakistan can only liberate Kashmir under the unwavering leadership of Khaleefa, and under the system of Khilafah. While under the current system of Liberal, Secular Capitalism and democracy, that strictly adheres to the boundaries installed by British government, there is no scope for liberation of Kashmir. Accordingly we appeal to all Kashmiri women to struggle with their utmost for the revival of Khilafah Rashidah.

﴿وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ * بِنَصْرِ اللَّهِ يَنْصُرُ مَنْ يَشَاءُ وَهُوَ الْعَزِيزُ الرَّحِيمُ﴾

"On that Day shall the Believers rejoice With the help of Allah. He helps whom He will and He is Exalted in Might Most Merciful." [TMQ:Al-Rum:4,5]
