

online terrorism! And that the party fills the pages of its members with views and ideas of terrorism inciting violence, so they are harassing the members of the party in their pages and pursuing them with arrest and torture on the pretext of carrying out online terrorism! And every eye can see that the pages of the members of the party radiate the truth of the word and showing the reality, while the pages of these people are overflowing with fraud, deceit, lies and slander! May Allah destroy them, how are they deluded...

As for those with diseased hearts, the hypocrites and those who spread rumours:

Their violations and fabrications did not start today but from before, however their criticism and false claim at first was focused against the leadership and officials while being deceptive by showing confidence in the party's idea and method... This is how they presented themselves and concealed their real objective, which is to shake the party's entity and not just the leadership. But in recent years they have started attacking the entity of the party, its idea and method. They have focused their attack on adoption, support (Nusra), leadership of the Ummah, accountability, the monthly session, etc., and thus exposed themselves before others expose them! The objective they were hiding, which is to shake the party's entity in its idea and method, had become clear for everyone who can see ... But the party remained firm, distinguished and good. ﴿كَشَجَرَةٍ طَيِّبَةٍ أَصْلُهَا ثَابِتٌ وَفَرْعُهَا فِي السَّمَاءِ تُؤْتِي أَكْلَهَا كُلَّ حِينٍ بِإِذْنِ رَبِّهَا﴾ **“... like a good tree, whose root is firmly fixed and its branches [high] in the sky? It produces its fruit all the time, by permission of its Lord.”** [Ibrahim: 24-25] Praise be to Allah the Lord of the Worlds.

Honorable brothers and sisters, the colonial Kaffir countries and their agents will not rest, but they will continue to manufacture malicious methods, one after the other because preventing the success of the party in establishing the Khilafah is a vital issue for them just as establishing the Khilafah is a vital issue for the party and all the believers. Islam's enemies will not stop their plots against the party and the Khilafah, and will continue. Although they are superior to us in means, yet there are four facts that gives us reassurance and strengthens our resolve and will not be shaken by crisis or weakened by strife by Allah's permission; but rather they will increase us in strength upon strength, and the evil plotting will turn against the plotters and will lead to their destruction. ﴿وَقَدْ مَكَرُوا مَكْرَهُمْ وَعِنْدَ اللَّهِ مَكْرُهُمْ وَإِنْ كَانَ مَكْرُهُمْ لِتَزُولَ مِنْهُ الْجِبَالُ﴾ **“And they had planned their plan, but with Allah is [recorded] their plan, even if their plan had been [sufficient] to do away with the mountains”** [Ibrahim: 46].

And the Hizb continues to proclaim the truth and does not fear anyone's blame for the sake of Allah, until it re-establishes the Khilafah by Allah's permission, in spite of the will of those people.

Here are the four facts:

First Fact: With hardship comes ease, this is in the Book of Allah in more than one verse: ﴿حَتَّىٰ إِذَا اسْتَيْأَسَ الرُّسُلُ وَظَنُّوا أَنَّهُمْ قَدْ كُذِّبُوا جَاءَهُمْ نَصْرُنَا فَنُجِّيَ مَنْ نَشَاءُ وَلَا يُرَدُّ بَأْسُنَا عَنِ الْقَوْمِ الْمُجْرِمِينَ﴾ **“[They continued] until, when the messengers despaired and were certain that they had been denied, there came to them Our victory, and whoever We willed was saved. And Our punishment cannot be repelled from the people who are criminals”** [Yusuf: 110].

This is confirmed by the Seerah of the Prophet (saw) that the victory was near with the increased hardship... In the Seerah of Ibn Hisham:

“Ibn Ishaq said: Khadijah bint Khuwaylid and Abu Talib perished in one year, and the calamities successively followed the Messenger of Allah (saw)... this was three years before the emigration... Ibn Ishaq said: When Allah Azza Wa Jal wanted to make His Deen dominant and strengthen His Prophet (saw) and fulfil His (swt) promise.... He (saw) received a group of Al-

Khazraj ... He (saw) called them to Allah Azza Wa Jal ... they answered him and accepted from him ...”

The next season, the first pledge of Aqaba took place, then the second pledge, then the Hijra and the establishment of the state...thus when the working believers face hardship it is a forerunner of ease and victory by the permission of Allah Al Qawi, Al-Aziz, Al-Hakim.

Second Fact: Allah promised the succession (to authority), ﴿وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا اسْتَخْلَفَ الَّذِينَ مِنْ قَبْلِهِمْ﴾ **“Allah has promised those who have believed among you and done righteous deeds that He will surely grant them succession [to authority] upon the earth just as He granted it to those before them”** [An-Nur: 55].

The Prophet (saw) has given the glad-tiding of the Khilafah after the oppressive rule which we are living under: Extracted by Ahmad and Abu Dawoud on the authority of Hudhayfa that the Prophet (saw) said: «...ثُمَّ تَكُونُ جَبْرِيَّةً، فَتَكُونُ مَا شَاءَ اللَّهُ أَنْ تَكُونَ، ثُمَّ يَرْفَعُهَا إِذَا شَاءَ أَنْ يَرْفَعَهَا، ثُمَّ تَكُونُ خِلَافَةً عَلَيَّ...» **“...then there will be oppressive rule (ملكًا جبرية) for as long as Allah wills, then he will remove it when He wills, and then there will be Khilafah upon the method of the Prophethood.’** Then he ﷺ was silent.”

Third Fact: The promise of Allah for succession and the glad-tiding of the Prophet (saw) of the return of the Khilafah is written in the Qadar of Allah, in His (swt) Knowledge in the Protected Decree (Al-Lawh al-Mahfoudh). Its appointed time is written by Allah Al-Aziz Al-Hakim and will not be delayed. And each day passes brings us closer to that decreed time, it does not distance us from it, and so our souls yearn and cling to this with hope.

Fourth Fact: Allah (swt) will not send down angels to establish the Khilafah for us, but it is Allah’s way (sunnah) to honour those from the people of the earth who are deserving to establish it by their own hands, with hard and serious work and being diligent and carrying out the work with commitment. Hizb ut Tahrir who is working for the Khilafah is by Allah’s permission deserving of it and worthy of it. We ask Allah (swt) to honour us with the victory and opening (*fatH*) and that we become the soldiers of the Khilafah and witness it, and our Takbirs of Eid join the Takbirs of the conquering soldiers in the battles of the clear victory ﴿وَيَوْمَئِذٍ يَفْرَحُ﴾ **“And that day the believers will rejoice * In the victory of Allah”** [Ar-Rum: 4-5].
