## Foreword: Missing but Never Forgotten

Naveed Butt, honorable and respected son of this Ummah, outspoken caller to Islam and its Khilafah, was abducted by the thugs of General Kayani, the chief agent of America in Pakistan, on 11 May 2012. This crime of Kayani's is an outcome of the American policy to suppress the rise of Islam and the return of its Khilafah. Naveed remains in the dungeons of the tyrant, his whereabouts unknown.

This book highlights the global campaign, throughout the Muslim World and beyond, mounted by Hizb ut Tahrir, under its Ameer, the eminent jurist, Sheikh Ata Bin Khalil Abu Al-Rashtah, to secure the release of Naveed Butt. It is a declaration that this Ummah does not regret the sacrifices of its sons, for Allah (swt) will never waste the sincere actions of His servants. It is a confirmation of the accord that this Ummah gives Islam and those who strive and sacrifice to secure its return as a way of life under the shade of the Khilafah. And it is a reminder to all those who are free to speak for Islam and strive for its Khilafah in this era of tyrants, that they must avail this privilege as much as they can, seeking the pleasure of Allah (swt) and His Victory. And inshaaAllah the day is not long before Muslims raise Naveed Butt on their shoulders, welcoming the return of the Khilafah.

## موجودہ جمہوریت..... شرعی یا غیر شرعی؟

قانون سازی کا کوئی اختیار ہوتا ہے۔ خلاف میں غلطی عوام کا منتخب کردہ ہوتا ہے اور وہ ملک کا قلم جو چلانے کے لئے عوامی نمائندوں سے مشورہ بھی لگائے، لیکن بہرحال شریعت کے نفاذ یا اسلامی احکام کے اطلاق کے سلسلے میں کسی قسم کی رائے شمار و جنگ نہیں کی جاتی۔ اسلام کے نفاذ کو جب تک اکثریت کی شرط سے مشروط کر کے رہیں گے اسلام نفاذ نہیں ایک سراب ہی رہے گا۔ ضرورت اس ہے کہ اس جمہوری نظام کی رکاوٹ کو جڑ سے اکھڑائیں تاکہ اسلام کا نفاذ ممکن بنایا جاسکے۔ اگرچہ چھوڑے سرماہیہ دارانہ نظام کے نگر ہونے کی تو سے بڑھ کر اور کیا دلیل ہوگی کہ آج بھی ایس نی اے ٹیکس جیسے غیر شرعی ٹیکس عوام کا خون چوس رہے آزادی رائے کے نام پر فحش کا دور دورہ ہے۔ انڈیا جات کی ہنگامی کے نام پر ٹیکس کی پٹیاں باج کے وسائل لوٹ رہی ہیں۔ گورنمنٹ آف انڈیا 1935ء کے تحت عدالتی نظام عوام پر ظلم ڈھار اور سب سے بڑھ کر یہ کرب کی جگہ انسان شاعر بیٹھا ہے۔ موجودہ علماء اور اسلامی جماعتوں کو یہ کہ جمہوریت کے متعلق صورتحال واضح کریں امت میں پائی جانے والی کنفیوژن دور کی جاسکے

شرعی اور الیکشن کے بارے میں چونکہ کیا تا کہ مسلمان اسے اسلام کے مطابق سمجھتے ہوئے قبول کر لیں۔ جبکہ ذریعے اپنا حکمران چننے کا نام نہیں بلکہ اللہ کے ہمانے انسان کو قانون ساز بنانا ہے۔ اسی لئے ایک منتخب حکمران جو مشورہ دے لیتا ہو لیکن اکثریت کے مشورے پر

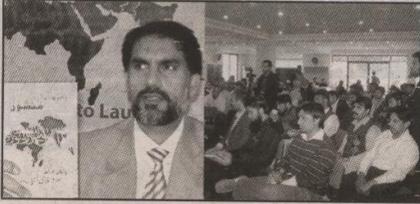

رائے شماری جیسی کسٹمی بھی کی جاتی ہے اور پھر اگر قسمت اچھی ہو تو یہ ”میل“ ان کی اجازت سے ملے قانون بننے کی ”سعادت“ حاصل کر لیتا ہے۔ حدود آرڈیننس کا بل بھی اسی طریقہ سے گزارا اور جب اس کی ضرورت ختم ہوگئی تو اسی جمہوری طریقہ کار کو اپناتے ہوئے عرصے کے مطابق تبدیل بھی کر دیا گیا۔ کیا یہ ہے شریعت کی حیثیت؟ اور کیا اسی طرح خلفاء راشدین کے دور میں اسلامی قوانین اکثریت کے محتاج ہوئے تھے؟ جی نہیں۔ قرآن نے بڑے واضح طور پر اللہ اور رسول ﷺ کے فیصلے پر رائے غلطی کرنے کی مذمت کی ہے کہ یا یہ کہ اسے قبول کرنے یا نہ کرنے کے بارے میں بحث یا رائے شماری جائے۔ ارشاد باری تعالیٰ ہے: ”وکیس مومن مرد اور کسی مومن عورت کیلئے جائز نہیں کہ جب اللہ اور اس کا رسول کسی معاملے کا فیصلہ کر لیں تو اس کے بعد اس معاملے میں کوئی اختیار حاصل رہے اور جس نے اللہ اور رسول ﷺ کی نافرمانی کی وہ صریح گمراہی میں پڑ گیا۔“ (الاحزاب 36) استمار نے مسلم علاقوں میں جمہوریت کو قابل قبول بنانے کے لئے اسے مجلس

عمل نہ کرتا ہو بھی جمہوری حکمران نہیں کہلاتا۔ چنانچہ معلوم ہوا کہ جمہوریت کی اصل بنیاد اکثریت کی بنیاد پر قانون سازی کرنا ہے اور یہی عمل اسلام سے متصادم ہونے کی بنا پر نکر ہے۔ اسلام میں خلاف کا نظام دیتا ہے جس میں غلط اسلامی احکامات نافذ کرتا ہے اور اسلام کے نفاذ کے لئے کسی شرعی کی اجازت یا تائید کی ضرورت نہیں ہوتی، نہ ہی خود اس کے پاس

نوٹ: یہ اسلامی ممالک میں نظام حکومت کے متعلق ایک نئی بحث ہے جس سے ادارے کا تعلق ہونا ضروری نہیں۔ دیگر اہل علم و فکر بھی اس پر قلم اٹھانا چاہیں تو ہمارے صفحات حاضر ہیں (ادارہ) اس بات میں کوئی شک نہیں کہ جمہوریت اور سرماہیہ دارانہ نظام غیر اسلامی ہے کیونکہ یہ اگرچہ جمہوری ہوتی خرافات ہیں جو غیر مسلم تھے۔ جمہوریت کی بنیاد الیکشن اور شرعی نہیں بلکہ اس کی اساس انسان کو حاکمیت اعلیٰ تفویض کرنا اور قانون سازی کا اختیار انسان کے حوالے کرنا ہے۔ یہی وجہ ہے کہ شریعت واضح حکم ہونے کے باوجود آج پاکستان میں سود حلال ہے۔ نئے پروڈی کوئی جرم نہیں اور اسپتال ہی مسلمان بھائیوں کے نکل عام امریکہ کا ساتھ دینا درست ہے اور یہ سب کچھ شخص اس لئے ممکن ہو سکا کیونکہ آسٹری میں جیسے 342 عوامی نمائندوں نے ان اعمال کو ”حرام“ قرار دیا۔ پاکستان کے آئین کے مطابق موجودہ جمہوری نظام میں شریعت نافذ کرنے کے لئے سب سے پہلے اللہ اور رسول ﷺ کے قوانین کو ایک ”عرش“ کی شکل میں چننا کیا جاتا ہے پھر اس ”میل“ پر 342 قانون ساز شریعت کے فائدے مند یا نفعسان وہ ہونے پر بحث کرتے ہیں اور آخر میں اس پر

## Hizb launches book

LAHORE (PR) - Hizbut Tehreer held a launching ceremony of a book, encompassing the party manifesto - 'Pakistan, Khilafat Aur Islami Dunyia Ki Wahdat' - here in the City.

While addressing the function, spokesman of Hizbut Tehreer, Naveed Butt said that it had been struggling for the last 50 years to establish Khilafat consisting of Muslim Ummah and it has emerged as the largest political party of the world. He said the Hizb had published a large number of books, pamphlets and booklets to remove ambiguities of Khilafat system among the Muslim countries, adding that the present book is also in furtherance of the continued struggle for establishing the Khilafat. The book contains separate chapters regarding government, judicial, social and economic systems and foreign, internal, and educational policies and media of Khilafat.

While responding to the questions, Naveed said that according to the Shariah all the Muslims must have only one state that is of Khilafat and 57 states consisting of various nationalities have no scope in the Shariah. He invited all the Pakistanis to intensify their contacts with the Hizb with a view to spreading and imbibing Khilafat philosophy.

## Islamic system only way out: speakers

Islamabad

The actual causes of current political turmoil, economic hardships and social problems are the non-implementation of Islamic system of governance and interference in Pakistan's affairs by the US and Britain.

These views were expressed by speakers at a seminar titled 'One Ummah, One State' organised by Hizbul Tahrir (HT) here.

Members of Hizbul Tahrir — Junaid Khan, Saad Jinghrani, Taimur Butt, Imran Yousufzai and Naveed Butt addressed the seminar, says a press release issued here on Monday.

The speakers said the only solution was to abolish the capitalist system and establish 'Khilafat'. They said that democracy and dictatorship were two sides of the same coin and imperialist nations used these two styles to achieve their objectives because in these systems the right of legislation was granted to mankind instead of Allah.

They said in view of the weakening position of the United States and inability of other states to lead, the world Muslims must not miss the opportunity to establish Khilafat.

24 June 2013, 15 Shaban 1434 AH. A delegation from Hizb ut Tahrir / Indonesia to the Pakistani Embassy in Jakarta. The second Secretary was given a communiqué from the Hizb to condemn the acts of repression and abduction practiced by the unjust Pakistani regime towards Muslims working for the implementation of Allah's Laws, especially towards Engineer Naveed Butt, official spokesman of Hizb ut Tahrir in Wilayah of Pakistan, who remains in abduction after more than a year, his whereabouts unknown. During the reception, the second Secretary at the Embassy of the delegation was met by hundreds of Hizb members and supporters demonstrating outside the embassy building.

## 2. Bangladesh

### **Hizb ut Tahrir / Wilayah Bangladesh Sent a Delegation to the Pakistan High Commission as Part of a Global Campaign against the Abduction of Naveed Butt, the Official Spokesman of the Hizb in Pakistan**

Press Release of 20 June 2013, 11 Shaban 1434 AH. **Hizb ut Tahrir / Wilayah Bangladesh** sent a five member delegation to the Pakistan High Commission in Bangladesh today in order to submit a letter from **Hizb ut Tahrir / Wilayah Pakistan**, to the tyrant of Pakistan, General Kayani, at whose behest the Pak agencies abducted Mr Naveed Butt more than a year ago, on 11 May 2012. Initially the officials of the High Commission were unwilling to meet the delegation. However the delegation insisted that the High Commissioner meet with them and listen to the truth. At the end the High Commissioner appointed the Deputy Secretary, Mr Ashraf to meet the delegation. The head of the delegation conveyed a strong condemnation of the year-long abduction of Naveed Butt, and that till today his whereabouts is unknown. Neither his family has been informed about where he is being kept nor has he been presented before a court, despite court orders. The tyrant Kayani, who is the real ruler in Pakistan, resorted to the means of abduction, which is a means used only by lowly criminals, solely due to the stance taken by Naveed Butt and **Hizb ut Tahrir** against his disgraceful submission to the Americans and betrayal of the Muslims of Pakistan. The Deputy Secretary listened to the delegation without any reply and agreed to forward the letter from **Hizb ut Tahrir / Wilayah Pakistan**, to his government.

In the letter to Kayani the party demanded immediate release of Naveed Butt. Moreover it warned Kayani of an impending punishment which will be applied upon him by the soon to be established, Khilafah state, in case he failed to release Naveed Butt, in addition to his other crimes against Islam and the Ummah. Finally the party gave a stern message to Kayani not to underestimate the warning, in the following words,

**“Lest you underestimate the value of our warning, it is best for you that you consider your own precarious situation carefully.”**

**Firstly**, consider your messages that you send to **Hizb ut Tahrir** through your thugs and your spies, calling the Hizb to lighten its words against you, offering in return that you will lighten your oppression against the Hizb and even release Naveed! Did you consider how your repeated, emphatic messages only confirm your precarious situation? Your messages reveal that our words of truth have besieged you, for you are aware, as we are aware, that Islam's commands are heeded deeply and widely by the Muslim officers over whom the Americans installed you. Or do you not know how they speak of you and your masters, openly in the barracks and messes, as well as the high regard they have for Islam and its Khilafah?

**Secondly**, consider the immense pressure upon you from America to be in the front line against the call for the Khilafah and the party of this call, the Hizb. Did you not notice how this pressure has increased to great degrees in recent times? Know that this pressure is because of the realization of your masters that, the Khilafah is indeed near, with the signs of its impending return sensed throughout the Islamic Lands, whether in Pakistan or Syria or any other place. InshaaAllah it is not long now before the eminent statesman, Ata Bin Khalil Abu Al-Rashtah, the Ameer of **Hizb ut Tahrir** deals with you as a Khaleefah for all the Muslims. And

remember, of all the tyrants in the Muslim World, your situation is one of the most precarious, for you find yourself in the lands of the seventh largest armed forces in the world, Pakistan, a Muslim army whom are grandsons of Khalid, Salahudeen and Muhammad bin Qassim. Moreover, when tyrants fall or fail in their services to the West, their Western masters willingly abandon them to their fate, so that they are wrenched out by the Ummah from the sewer or the gutter or any other lowly place!

**Thirdly**, O tyrant of Pakistan, despite the evidences to the contrary, if you think you're immune to the winds of change, consider that your peers amongst the tyrants and Pharaohs thought of themselves as if they are immortals on the earth and gods other than Allah (swt). However, they were met by what Allah ordained for them. And from them is the one who is waiting now for his blackened misfortune, which he will see soon.

A delegation from the Hizb in Jordan handed over the Pakistan Embassy an open letter issued by Hizb ut Tahrir/ Wilayah Pakistan addressing the tyrant Kayani, entitled " **The year-long abduction of Naveed Butt will neither delay nor prevent your end at the hands of a Khaleefah Rashid**", as Kayani's thugs have abducted the spokesman of the party in Pakistan, Naveed Butt, whilst he was returning from his kid's school, accompanied by his kids, on 11<sup>th</sup> of May 2012, and his whereabouts are still unknown today, even after a full year on abduction.

The protest included a condemnation submission of the Pakistani regime led by Kayani before America. This submission allows Americans to kill the Muslims of Pakistan via drone attacks and through killers' networks, such as the criminal American Raymond Davis's network. The slogans in the protest condemned Kayani and his gang. The Hizb delegation headed by the Chairman of the Central Contact Committee handed over the open letter to Kayani to the Pakistani ambassador and the Ambassador promised to deliver the message. We ask Allah the Almighty for our protest and our words to have impact upon the hearts of the sincere officers of the Pakistani military, such that it inspires them with the bravery of Muhammad bin Qasim رحمه الله

and enhance their loyalty to their Deen and their Ummah, inciting them to save the Ummah from these corrupt rulers, so they will gain the honor and the reward of the first Ansar.

### **Protest in front of the Pakistani Embassy Concluded Successfully Alhamdulillah**

Press Release of 18 June 2013, 9 Shaban 1434 AH. Hizb ut Tahrir/ Wilayah Tunisia organized a protest on Monday, 17<sup>th</sup> June 2013 in front of the Pakistan Embassy in Tunis to protest the ongoing abduction by the Pakistani intelligence of the Spokesman of Hizb ut Tahrir in the Wilayah of Pakistan, Naveed Butt. Since 11<sup>th</sup> May 2012 his whereabouts remain unknown.

A delegation of the party headed by Abu Raouf al-Amiri, head of the Political Office and accompanied by the brothers Arabi Carbaka, Chairman of the Central Contact Committee, and Saleem Samida member of the Central Contact Committee. They handed over to the Pakistani embassy in Tunis an Open Letter to General Kayani, from Hizb ut Tahrir / Wilayah Pakistan, entitled: **“The year-long abduction of Naveed Butt will not delay or prevent your end at the hands of a Khaleefah Rashid.”**

It is stated in the letter:

"We address you, General Kayani, as the key agent of America in Pakistan, a guardian for the American Raj in Pakistan and this region...

We address you as we find you, a man who betrayed our people and our armed forces by establishing America's military presence on our doorstep, a man who is deepening his betrayal now, by establishing a permanent crusader presence, under the cover of a partial, limited withdrawal. A traitor who broke his oath to defend the country from its enemies, by establishing the enemies' intelligence, military and private military deep within the country, its length and its breadth. An oath-breaker who silences and confines to the dungeons any Muslim, officer or politician, that raises the word of truth against him, exposing his treachery before this noble Ummah, to secure her from harm.

Thus, we denounce your abduction of our noble brother, Naveed Butt, confining him to your dungeons for over a year, since 11 May 2012. Naveed Butt as the spokesman of Hizb ut Tahrir is a man renowned for speaking defiantly, fearing none but Allah (swt), exposing your American masters' plans. He exposed these plans when you were the right hand man of Musharraf.

We further warn you that this crime of yours, the abduction of Naveed, will be added to your other crimes, when you are seized soon, inshaaAllah, by a Khaleefah Rashid, ruling by Islam and unifying this noble Ummah against its enemies... Lest you underestimate the value of our warning, it is best for you that you consider your own precarious situation carefully... consider your messages that you send to Hizb ut Tahrir through your thugs and your spies, calling the Hizb to lighten its words against you, offering in return that you will lighten your oppression against the Hizb and even release Naveed! Did you consider how your repeated, emphatic messages only confirm your precarious situation? Your messages reveal that our words of truth have besieged you, for you are aware, as we are aware, that Islam's commands are heeded deeply and widely by the Muslim officers over whom the Americans installed you. Or do you not know how they speak of you and your masters, openly in the barracks and messes, as well as the high regard they have for Islam and its Khilafah?...

**O tyrant of Pakistan**, despite the evidences to the contrary, if you think you're immune to the winds of change, consider that your peers amongst the tyrants and Pharaohs thought of themselves as if they are immortals on the earth and gods other than Allah (swt). However, they were met by what Allah ordained for them. And from them is the one who is waiting now for his blackened misfortune, which he will see soon.

**“Verily, Allah will accomplish his purpose. Indeed Allah has set a measure for all things.”** [Surah al-Talaaq 65:3]

It is worth mentioning that this message has been sent through the Pakistani diplomatic missions all over the world, as well as the local channels.

**It is also worthy of mentioning** that this is the second protest that was organized by the Hizb in Tunis against this cowardly criminal act of the Pakistani regime who has not spared the Dawah carrier.

We in Hizb ut Tahrir emphasize that this protest will be followed by several protests until the release of the spokesman, and Kayani's regime and his thugs will not be able to silence the Dawah carrier.

﴿يُرِيدُونَ لِيُطْفِئُوا نُورَ اللَّهِ بِأَفْوَاهِهِمْ وَاللَّهُ مُتِمُّ نُورِهِ وَلَوْ كَرِهَ الْكَافِرُونَ﴾

## **6. Australia**

12 June 2013: A delegation from Hizb ut Tahrir in Australia visited the Pakistani Consulate in Sydney on Friday, 07/06/2103, to deliver a letter in relation to the abduction of its media spokesperson in Pakistan, Naveed Butt. A demonstration outside the consulate was also held on Monday 10/07/2013 in relation to this matter.

It has now been over a year since Naveed Butt was abducted by Pakistani state agencies in May 2011 from Lahore in front of his children as he took them home from school. Naveed Butt, a father a four and an engineer by profession, has for many years been a staunch opponent of successive Pakistani governments and the Pakistani army command for their corruption and servitude of America and espoused an alternative forward-looking Islamic Caliphate system for Pakistan. It was for these political views and his work for Hizb ut Tahrir that he was abducted.

The delegation - comprising of Uthman Badar and Haroon Bakhsh – met with Mr. Junaid at the reception of the consulate who, after repeated discussions with superiors in the office, indicated that no office was willing to come out and meet the delegation or receive the letter. The delegation conveyed its strong condemnation of Naveed Butt's abduction and its demand for his immediate release at the reception and handed over the letter.

The letter delivered was addressed to the Pakistani Army Chief General Pervaz Ashfaq Kayani, recounting his numerous acts of betrayal to Pakistan and its people in service of America, and warning him that the end of his traitorous leadership is not far.

### **A Delegation from Hizb ut Tahrir - Ukraine Delivers an Open Letter to the Embassy of Pakistan in Kiev**

(Translated)

Yesterday, 17 June 2013, a delegation from Hizb ut Tahrir in Ukraine visit the Pakistan Embassy in Kiev and hand over them an open letter entitled: **"The year-long abduction of Naveed Butt will neither delay nor prevent your end at the hands of a Khaleefah Rashid"** The delegation who visited the embassy were three members from Hizb ut-Tahrir: Omziv Fadhil (Head of the Media Office of Hizb ut Tahrir in Ukraine), Liev Battaal (party member) and Abdus-Salam Salmatov (party member).

The Hizb's delegation did not find the ambassador in his office, therefore the representative of the diplomatic mission met them on behalf of the ambassador. During the discussion, which was in English at the request of the representative of the Embassy, the delegation explained the criminal activity of General Kayani and his service to American interests for which he ordered harassment, kidnapping and torture of the Dawah carriers from the members of Hizb ut Tahrir and in particular the spokesman for the Hizb in Pakistan, Naveed Butt, who was kidnapped a year ago on May 11, 2012, in front of his children.

The delegation pointed to the futility of such cowardly and desperate attempts to weaken the call for the establishment of the Khilafah, for these criminal practices will only enhance the desire of the Ummah to rule of Allah (swt).

Moreover, the delegation warned the embassy staff that they are here in Ukraine to represent the people of Pakistan and not the cowardly

criminal regime led by General Kayani, who looks at the people as if they are the main threat to himself and his American masters.

In response to a question; do you know anything about the Hizb ut Tahrir; the representative of the diplomatic mission said that he knows about the Hizb through the newspapers. And regarding his stance towards what he heard about, he said that only the Pakistani ambassador in Ukraine can express his position about that.

And then the delegation hand over the open letter in four languages: the Arabic, Urdu, English and Russian.

Finally the representative promised the delegation to give the letter to the Pakistani ambassador in Ukraine, also he promised to personally tell him all that he heard.

## **9. Open Letter to the Tyrant of Pakistan**

### **The Year-Long Abduction of Naveed Butt will not Delay or Prevent your End at the Hands of a Khaleefah Rashid**

**Peace is only upon those who follow guidance!**

We send this letter to you via the diplomatic missions of Pakistan around the world, as well as by local channels, by which we know our message will reach you. We address you, General Kayani, as the key agent of America in Pakistan, a guardian for the American Raj in Pakistan and this region. We address you at a time when one veil for your treachery departs, the government of Raja Pervez Ashraf, and another veil arrives, the government of Nawaz Sharif, after the elections of 11 May 2013. As if this ploy would veil your heinous crimes from the Lord of the Worlds (swt), As-Samee', Al-Baseer, Al-Aleem!

We address you as we find you, a man who betrayed our people and our armed forces by establishing America's military presence on our doorstep, and a man who is deepening his betrayal now, by establishing a permanent crusader presence, under the cover of a partial, limited withdrawal. A traitor who broke his oath to defend the country from its enemies, by establishing the enemies' intelligence, military and private military deep within the country, its length and its breadth. An oath-breaker who silences and confines to the dungeons any Muslim, officer or politician who raises the word of truth against him, exposing his treachery before this noble Ummah, to secure her from harm.

Thus, we denounce your abduction of our noble brother, Naveed Butt, confining him to your dungeons for over a year, since 11 May 2012. Naveed Butt as the spokesman of Hizb ut Tahrir is a man renowned for speaking defiantly, fearing none but Allah (swt), exposing your American masters' plans. He exposed these plans when you were the right hand man

of Musharraf and also when you were brought by the Americans over Musharraf's head, as the new chief agent of America. And we must add to our denouncement so that it becomes powerful, by invoking the Wrath of Allah upon you, for you have declared war on those who are loyal to Allah (swt). Allah (swt) in the Hadeeth Qudsi,

“ قَالَ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ "إِنَّ اللَّهَ قَالَ مَنْ عَادَى لِي وَلِيًّا فَقَدْ آذَنْتُهُ بِالْحَرْبِ“

The Messenger of Allah peace be upon him said that Allah said, **“Whosoever harms my Wali I will declare a war against him ...”** (Bukhari).

We further warn you that this crime of yours, the abduction of Naveed, will be added to your other crimes, when you are seized soon, InshaaAllah, by a Khaleefah Rashid, ruling by Islam and unifying this noble Ummah against its enemies. The very least you can do as a Tawba and an appeal for clemency, in preparation for that day, is that you should make way for the Ummah in its march towards the establishment of the Khilafah, and thus remove yourself as an obstacle to its sons in Hizb ut Tahrir. So in some small way, you will have sided with the Ummah, as the moment of its triumph draws near. Lest you underestimate the value of our warning, it is best for you that you consider your own precarious situation carefully.

Firstly, consider your messages that you send to Hizb ut Tahrir through your thugs and your spies, calling the Hizb to lighten its words against you, offering in return that you will lighten your oppression against the Hizb and even release Naveed! Did you consider how your repeated, emphatic messages only confirm your precarious situation? Your messages reveal that our words of truth have besieged you, for you are aware, as we are aware, that Islam's commands are heeded deeply and widely by the Muslim officers over whom the Americans installed you. Or do you not know how they speak of you and your masters, openly in the barracks and messes, as well as the high regard they have for Islam and its Khilafah?

Secondly, consider the immense pressure upon you from America to be in the front line against the call for the Khilafah and the party of this call Hizb. Did you not notice how this pressure has increased to great degrees in recent times? Know that this pressure is because of the realization of your masters that, the Khilafah is indeed near, with the signs of its impending return sensed throughout the Islamic Lands, whether in Pakistan or Syria or any other place. InshaaAllah it is not long now before the imminent statesman, Ata Bin Khalil Abu Al-Rashtah, the Ameer of Hizb ut Tahrir deals with you as a Khaleefah for all the Muslims. And remember, of all the tyrants in the Muslim World, your situation is one of the most precarious, for you find yourself in the lands of the seventh largest armed forces in the world, Pakistan, a Muslim army whom are grandsons of Khalid, Salahudeen and Muhammad bin Qassim. Moreover, when tyrants fall or fail in their services to the West, their Western masters willingly abandon them to their fate, so that they are wrenched out by the Ummah from the sewer or the gutter or any other lowly place!

Thirdly, O tyrant of Pakistan, despite the evidences to the contrary, if you think you're immune to the winds of change, consider that your peers amongst the tyrants and Pharaohs thought of themselves as if they are immortals on the earth and gods other than Allah (swt). However, they were met by what Allah ordained for them. And from them is the one who is waiting now for his blackened misfortune, which he will see soon.
