

The Authority in Lebanon is Complicit in Starving the People of Madaya It Must Lift the Cover off those who Besieged them (Translated)

The humanitarian situation in the town of Madaya in the eastern slopes of the chain of East Lebanon Mountains, have reached an unspeakable catastrophe. After the United States decision to dismiss the government of Mikati, it gave the signal to its guardians in Iran to send their party in Lebanon to Syria to prevent the fall of Bashar's regime, and to implement a screening process based on sectarianism, to guarantee the line of Damascus - Homs - the coast, as an entity for minorities in the event of the fall of the regime, this was the reason for the displacement of people from Al-Qaseer, Yabrud, Zabadani, and others. It also gave support to America through the United Nations Envoy, de Mistura, in this sectarian cleansing plan, but areas like Madaya have not been emptied from the residents. So the regime together with Iran's party have besieged this town and exercised the policy of starvation on its people, under the pretext of the presence of gunmen inside the town, but the actual goal is to empty it of its people.

The Lebanese authority with all its components, is not innocent, it is involved in what is taking place. America has turned Lebanon with all its institutions to a background base for Iran's party, from which it launches to Syria with reassurance of the absence of real opposition to it inside Lebanon. This reassurance is in the Lebanese authority's actions that reflect their lack of concern to the crimes committed by Iran's party in Syria, and by the openness shown by Saad al-Hariri to Iran's party at the behest of Saudi Arabia's rulers, and by the security plan launched by the Interior Minister Nihad Al-Mashnoq which affected the areas that are pro-revolution in Syria, and as a result he imprisoned thousands of Muslims, and subjected them to torture in prisons, in service to the plan of America and its guardians in Iran and Lebanon!

Yes, we say it, and very clearly: that the Lebanese authority in its current form is a partner of Iran and its party and the regime of Bashar and Russia in the process of displacement, sectarian screening and repression. And all those are mobilized by the same one: the evil empire of America.

For the politicians of Lebanon, we say:

That America is not a God whose decree cannot be altered. The good fate will be for the fearing ones. The one who disobeys and is arrogant will face a great ordeal in this world, and a greater ordeal in the afterlife.

As for Iran's party, in the end it has reached the full deviation from all the values of Islam. And it cut off any links it had with the vast majority of the Islamic Ummah and has befriended all the global and regional powers of evil in a counter-alliance to the revival of the Muslim Ummah, it has betrayed Allah and His Messenger and Imam 'Ali and Al-Hussein and the whole House of the Prophet (saw) and the whole Ummah of Islam. Allah (swt) says:

﴿وَالَّذِينَ يُؤْذُونَ الْمُؤْمِنِينَ وَالْمُؤْمِنَاتِ بَغَيْرِ مَا كَتَبْنَا لَهُمْ فَتَدَّ اِحتَمَلُوا بُهْتَانًا وَإِثْمًا مُّبِينًا﴾

“And those who harm believing men and believing women for [something] other than what they have earned have certainly born upon themselves a slander and manifest sin” [Al-Ahzab: 58]

O Muslims, O Supporters of Ash-Sham’s Revolution in Lebanon

We have seen you sacrifice with your money and lives over and over again, in support of your oppressed and besieged brothers, and in seeking the good pleasure of your Lord *Azza Wa Jal*. We ask Allah (swt) to grant you the reward in this world and the Hereafter. And we point out to you that the goal of the alliance of villains in the siege of Madaya is to remove its residents out, in accordance with the policy it followed for more than two years. And their mercenaries have surrounded them on every side; no aid can be delivered except through them, so most of your donations will go to their pockets before it reaches the residents. Sending aid would be tantamount to buying a short time because the siege is still in place and the supplies will run out, such as those before them. And that the most effective way to save Madaya and its people is through exercising maximum political pressure on the Lebanese authorities to stop Iran’s party from the killing of the people of Syria and from supporting the tyrant and to withdraw its elements from Syria. And any other way will be going around in a vicious circle.

The Prophet (saw) said:

«مَا مِنْ امْرِئٍ يَخْذُلُ مُسْلِمًا فِي مَوْطِنٍ يُنْتَقَصُ فِيهِ مِنْ عَرَضِهِ إِلَّا خَذَلَهُ اللَّهُ فِي مَوْطِنٍ يُحِبُّ فِيهِ نُصْرَتَهُ، وَمَا مِنْ أَحَدٍ يَنْصُرُ مُسْلِمًا فِي مَوْطِنٍ يُنْتَقَصُ فِيهِ مِنْ عَرَضِهِ وَيُنْتَهَكُ فِيهِ مِنْ حُرْمَتِهِ إِلَّا نَصَرَهُ اللَّهُ فِي مَوْطِنٍ يُحِبُّ فِيهِ نُصْرَتَهُ»

“If a person lets down a Muslim in a place where his honour is violated, Allah will let this person down in a place where he wishes for Allah’s support, and any person who supports the Muslim in a place where his honour is violated, Allah will give him support in a place where he wishes for Allah’s victory”.
