

The Malignant French Role in Libya

(Translated)

What France has announced of its military presence in Libya, alongside the forces of the retired General Haftar, represents an explicit admission of its complicity in the killing of Libyans. This admittance made by the French Defence Minister, followed by the French President represents a blatant hostility against a people who had not initiated any aggression against France. At a time when it claims (deceitfully and fraudulently) that it supports the political solution in Libya and that it supports the Skhirat government, we see that it is supporting the American agent Haftar who has rejected that government. They are driven to that, like other similar disbelieving states, due to their spiteful hate and hostility towards this revolution because it is from among the revolutions of this Ummah against oppression, corruption and tyranny represented in the Gadhafi regime and is now represented after him by the greedy ambitions and aspirations of Haftar and those who support him.

This spiteful hate and hostility is a confirmation of the speech of Allah Ta'Aalaa: ﴿وَلَنْ تَرْضَىٰ عَنْكَ الْيَهُودُ﴾ **“And never will the Jews or the Christians approve of you until you follow their religion.”** [Al-Baqarah: ١٢٠]

And His Speech Ta'Aalaa: ﴿يُرِيدُونَ لِيُطْفِئُوا نُورَ اللَّهِ بِأَفْوَاهِهِمْ وَاللَّهُ مُتِمُّ نُورِهِ وَلَوْ كَرِهَ الْكَافِرُونَ﴾ **“They want to extinguish the light of Allah with their mouths, but Allah will perfect His light, although the disbelievers dislike it.”** [As-Saff: ٨]

This brazen intervention indicates clearly that the West, including France, only deals with our people and the Muslim peoples in general in an unabated continuously hostile manner... Its objective is to subdue us, make our lands submit to their dominance and to gain control over our resources. France, its way towards doing that, struggles and competes with other states of disbelief (Kufr) which have the blackest colonialist history, like Britain, America and Italy. All of them struggle and rival with each other over our lands and our sons...

And so America is pushing its agent Haftar to perpetrate crimes of murder of the ugliest form against our people and he will never attain anything from that apart from shame, disgrace and ruin...

And France is sending its soldiers alongside their military experts to kill the honourable people in Syria because they are an obstacle and are in the way preventing their gaining supremacy over the land and its people. And they are doing this so America provides them with something after they have gained control over the land (may Allah not allow that to ever happen) so that it can connect its influence in the desert coastal lands to the Mediterranean to facilitate its plundering of natural resources...

And Britain, with its underhandedness and shrewdness, is attempting to hold onto the remainders of its influence within Libya and develop this influence by penetrating some of the groups opposing Haftar and creating followers and subordinates as it had done previously in the era of its former agent Gadhafi...

This brazen intervention, interference and mingling in the struggle amongst these states, whether it is from the angle of a dividing the influence, exchanging roles, or from the angle of each party spying on the other, through its presence in the regions of its influence and amongst its followers, or if it was from the angle of obstruction and making every party cause the other party to fail in its plan... Or from the angle of wiping clean political colonial accounts or local and regional accounts... Then all of that, is very unfortunately, due to the situation that the land has reached in terms of these divisions and polarisation, and it is this opening that every enemy and stranger has been seeking and coveting.

So beware, O our people and brothers and sisters in Libya from these greedy colonialist crusader intrigues and greedy aspirations within our land.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَتَّخِذُوا الْيَهُودَ وَالنَّصَارَىٰ أَوْلِيَاءَ بَعْضُهُمْ أَوْلِيَاءُ بَعْضٍ وَمَنْ يَتَوَلَّهُمْ مِنْكُمْ فإِنَّهُ مِنْهُمْ إِنَّ اللَّهَ لَا يَهْدِي الْقَوْمَ الظَّالِمِينَ﴾

“O you who have believed, do not take the Jews and the Christians as allies. They are [in fact] allies of one another. And whoever is an ally to them among you - then indeed, he is [one] of them. Indeed, Allah guides not the wrongdoing people.” [Al-Ma'idah: ٥١]
