

Russia and its Butchers Are Not Welcome in the Blessed Land of Palestine

(Translated)

All praise is due to Allah (swt), and peace and blessings be upon the Messenger of Allah, and upon his family and companions, and those who allied with him:

Not welcome is Russia and its butchers in the blessed land of Palestine

Not welcome are the killers of children and women

Not welcome are the criminals, the supporters of the criminal Bashar and the spiteful America

Not welcome are the ones who are bombing hospitals, schools and shelters, and killing civilians

Not welcome are the ones who are killing Muslims in various kinds of weapons and bombs

Not welcome is Medvedev and Putin, whose hands are dripping with the blood of the children of Ash-Sham

O killers of children, O war criminals, O slaughterers of this time, O you who are looking for a missing kingdom, dreaming of domination in the land of Sham, O you who are gasping behind the mirage of greatness and international attention, do you enter Palestine while in it are the brothers of the heroes of Al-Sham?! Do you enter Palestine and in it are the brothers of the men and women of Aleppo, Homs and Hama?! Do you kill our brothers and our women and children and crush our Sham, then come to our country as if nothing had happened. **How shameless of you! How shameless of those who put their hands in your hands.**

Yesterday, the senior of all criminals, Putin, said that he takes 'Israel', which does not deter from conducting military operations even in areas where civilians are present, as a role model to him in his war against the terrorists in Syria, and today, his Prime Minister comes (to Palestine) welcomed by the Palestinian Authority and celebrating what's in his pocket!! ... Woe to all traitors and criminals.

Russia, whose crimes amounted the sky, being merciless to the Muslims in Syria, Chechnya, Afghanistan and previously the Caucasus, that the Muslim children began cursing it before the men, and here are the people of Palestine coming out to say to the criminal Medvedev, you are not welcome! O killers of our children, even if the thugs in the PA have welcomed you, they do not represent Palestine and do not represent its people. The people of Palestine are the people of Aleppo and Idlib, and the brothers of Homs and Deraa.

O People:

Russia, in which America found its savior in Sham to help the criminal Bashar in an attempt to crush the revolution and save his crumbling kingdom, did not hesitate a moment to exercise forms of criminality and brutality against the heroic people of Syria, and did not take into account any values, morals or humanity, and what it saw from the determination of the people of Syria for the establishment of Islam and the building of Khilafah on the ruins of Baath Party rule has increased its insistence and brutality, and it is thus full of hope that Bashar and his aides in Iran could regain control before it is too late. They did not recognize that in Ash-Sham are men who are faithful to Allah, they will destroy their dreams on the threshold of Ash-Sham, and bury their noses in the dirt as the Mujahideen in Afghanistan previously buried them.

And you, O Armies of the Muslim lands:

Strengthen your resolve, and give victory to your brothers in Ash-Sham against their enemy, give them victory and answer their call, blood for blood, destruction for destruction, O armies. The Messenger of Allah (saw) said:

«مَا مِنْ أَمْرٍ يُخَدَّلُ مُسْلِمًا فِي مَوْطِنٍ يُنْتَهَكُ فِيهِ حُرْمَتُهُ، وَيُنْتَقَصُ فِيهِ عَرَضُهُ إِلَّا خَدَلَهُ اللَّهُ فِي مَوْطِنٍ يُحِبُّ فِيهِ نُصْرَتَهُ، وَمَا مِنْ أَمْرٍ يُنَصَّرُ مُسْلِمًا فِي مَوْطِنٍ يُنْتَقَصُ فِيهِ مِنْ عَرَضِهِ وَتُنْتَهَكُ فِيهِ حُرْمَتُهُ إِلَّا نَصَرَهُ اللَّهُ عَزَّ وَجَلَّ فِي مَوْطِنٍ يُحِبُّ فِيهِ نُصْرَتَهُ.»

“No man forsakes a Muslim when his rights are being violated or his honour is being belittled except that Allah will forsake him at a place in which he would love to have His help. And no man helps a Muslim at a time when his honour is being belittled or his rights violated except that Allah will help him at a place in which he loves to have His help”.

So join your Ummah O armies, join Ash-Sham and Aleppo, join Iraq and Mosul, join Libya and Yemen, join Al-Aqsa and the Blessed Land.

Give victory to Islam and the project of Khilafah, be the Ansar of this time, following the example of the Ansar of Rasulallah (saw), whom the Muslims pray for until the Day of Judgment. Return the authority to the Ummah, return the right to its people.

O Muslims all around the world:

Show Allah from yourselves what He likes, show Him that you will no longer stay silent about the West and their crimes in the Muslim lands. Overthrow the thrones of the rulers and shake their roots, and declare it loudly, like the heroes of Ash-Sham, that you want it Islamic, a righteous Khilafah (Caliphate) on the method of Prophethood, and have certainty that by the will of Allah (swt), victory will be yours, and the Kuffar will be defeated and will turn their backs. Allah (swt) says:

﴿كَتَبَ اللَّهُ لَأَغْلِبَنَّ أَنَا وَرُسُلِي إِنَّ اللَّهَ قَوِيٌّ عَزِيزٌ﴾

"Allah has decreed: "It is I and My apostles who must prevail": For Allah is One full of strength, able to enforce His Will." [58:21]

Finally, to our people in Al-Sham:

We know that they hated you because you desire an Islamic Khilafah, not secular, nor civil, nor democratic. The world is a witness to you striking the finest examples in your steadfastness, patience and fortitude, you did not become weak nor did you succumb, but you kept going rejoicing with the promise of Allah (swt) and His eminent victory by His will.

Nonetheless, we call upon you for more and more steadfastness oh heroes of Ash-Sham, more and more patience of men of Aleppo, Homs, Hama, Deraa, Idlib, Damascus and Riqqa, for victory is an hour's patience, and Allah (swt) is with you and never will He let your good deeds go to waste.

﴿وَمَنْ يَتَوَكَّلْ عَلَى اللَّهِ فَهُوَ حَسْبُهُ إِنَّ اللَّهَ بَالِغُ أَمْرِهِ قَدْ جَعَلَ اللَّهُ لِكُلِّ شَيْءٍ قَدْرًا﴾

"And if any one puts his trust in Allah, sufficient is ((Allah)) for him. For Allah will surely accomplish his purpose: verily, for all things has Allah appointed a due proportion." [65:3]

And beware, may Allah's mercy be upon you, from America's initiatives, envoys and men, and from the machinations of the rulers of Qatar, Saudi, the Gulf and Turkey, for they have settled their affairs with the West by working on eliminating your revolution and aborting it.

But you, O spiteful Russians, you are not welcome in Palestine, and soon in Al-Sham you will taste the bitterness of defeat and the disgrace you have committed against the children, women and elderly of Al-Sham.

O Allah, defeat Bashar and his allies, destroy America and her followers, and avenge Russia and her helpers,

O Allah, do not raise their flags, and do not achieve their goals, O Allah, destroy them and do not leave of among them any criminal or disbeliever.

And grant victory, O Allah, to Ash-Sham and its people, and bestow on them and us a righteous Khilafah (Caliphate) on the method of Prophethood, in which Islam and its people will be honored, and Kufr and its people will be disgraced.

Ameen, Ameen, and all praise is due to Allah, the Lord of the worlds.
