

A Call from Al-Aqsa to the Islamic Ummah and its Armies

(Translated)

Praise be to Allah, Lord of the Worlds, and prayers and peace be upon the Messenger of Allah and his family and companions and those who follow his path:

O Muslims in all parts of the earth ...O officers and soldiers in the Muslim land.

On the 96th anniversary of the destruction of the Khilafah,

We renew our call to you from Al Aqsa Mosque

We renew our call to you to support us from the Masra (place of Isra') of the Messenger of Allah.

Will you answer? Will you respond?

Oh Allah, Help us pass the message, and guide the hearts of the Muslims and their armies to support your Deen and your righteous slaves.

O Muslims:

By the Khilafah (Caliphate) on the method of Prophethood... you will be able to establish your Deen ... And carry its message of good and guidance to all humanity.

The Khilafah on the method of Prophethood is your security ... and it is your strength ... it unites your ranks and word.

The Khilafah on the method of Prophethood is the way to support your Ummah and rescue it, you can see the ramification on Muslims after the destruction of the Khilafah. Islam became absent and its Shariah abandoned, and the Muslims were divided and their countries were torn ... and their lands were occupied and their sanctities were desecrated, the countries were ruled by puppet rulers who allowed the Kaffir colonizer to control its resources and wealth, and inflicted all sorts of humiliation on Muslims.

From the blessed land, we urge you, beloved ones for the sake of Allah, to establish Allah's Deen by establishing the Khilafah which is the power after weakness and the security after fear.

O People of Syria

You have suffered great affliction, and the East and the West, and the near and far gathered and descended upon you... No one can lift this hardship off you except Allah, so be sincere to Allah, and Allah will support you and remove the rage from your hearts ... Be sincere to Allah and hold tight to His rope and let go of the ropes of America, Russia and the rulers of Muslims, and Allah will bless you. Reject the Kaffir projects and its tools. Only the Khilafah on the method of the Prophethood is the road to your liberation and glory, and to the pleasure of your Lord.

O People of Yemen

We address you from Al-Aqsa Mosque, we address your wisdom and call the Iman in you to renounce sectarianism and tribalism for it is the protectiveness (trait) of ignorance ... Reject the rulers of Saudi Arabia and Iran and their mediations, and reject the solutions and projects of America and Britain, and unite upon the obedience to Allah and establish His Deen ... And unite your ranks to establish the Khilafah on the method of the Prophethood.

O Good People in Pakistan

From the Masra (place of Isra) of the Messenger of Allah we ask for your support and we call you to liberate Al-Aqsa Mosque, the captive.

America is your enemy, so reject the American agents ... And support those loyal to Allah and work with Hizb ut Tahrir to establish the Khilafah on the method of the Prophethood, that will lead your masses and armies to the Masra of the Messenger of Allah (place of Isra) as liberators, chanting Takbeer and victorious, Allah willing. This is your role and not to fight the alleged "terrorism" according to America's criminal agendas.

O People of Iraq

Your rulers and the rulers of Iran, the criminal American agents, conspired against you, they fuelled sectarianism among you and allowed the bloodshed, violated your honour and sanctities. You have none to save you but Allah, and you have only the truth in your Iman to save you. So be sincere to Allah and reject sectarianism and the American agents; and hold tight to the rope of Allah, and know that the Khilafah on the method of Prophethood is the way of your glory and unity and lifting the injustice from you.

O our People in Turkey

The glory of the Khilafah still exudes pride in you and inspires you to establish your Deen, do not let the sly and the secularists deceive you. We call you from this blessed area, from Al-Aqsa that its squares and alleys witnessed with pride the Ottoman Khilafah whose slogan was:

﴿نَصْرٌ مِنَ اللَّهِ وَفَتْحٌ قَرِيبٌ﴾

"...victory from Allah and an imminent conquest" [As-Saff: 13]

We call you to support us and establish Allah's Deen, and to liberate Bait Al-Maqdis and purify it from the abomination of the Jews, and we call you to establish the Khilafah on the method of Prophethood once again to bring back the legacy of the best leaders who will open Rome like they opened Constantinople.

O Muslims in Egypt, the land of Kinana

Islam gave you a great status, your soldiers were launched from your land to defeat the Crusaders and liberate Bait Al-Maqdis ... Their armies were mobilized to defeat the Tatars, and Ain Jalout took place ... We saw your soldiers' heroism during the month of Ramadan and how the Jews fell before you and fled from you... If it wasn't for the betrayal of your rulers, your army battalions would have grown larger in Al-Aqsa Mosque.

O our people in Kinana ... shake off the dust of fear from you and shake the thrones of the tyrants. Be sincere to Allah in establishing His Deen and He will support you and make your foothold firm.

O Muslims in the Hijaz, the East, the West and all over the world:

We call you to mobilize and establish Allah's Deen ... We call you from Al-Aqsa Mosque ... Support Allah and He will make your foothold firm. The Khilafah is your strength after the weakness, the Khilafah is your security after fear ... Hizb ut Tahrir inspires in you the glory of Islam and inspires the men, the real men to renew the legacy of the former righteous men and honorable companions.

O Officers, Staff and Soldiers:

Your responsibility towards your Deen and your Ummah is great ... You are its strength ... You are capable of defeating the enemies of Islam ... and establishing Allah's Deen in the land. So support the call of the Khilafah and those working for it. It is high time for you to long and yearn to be in the position of the Ansar in the Duniya and Akhira, and by you the good will be manifested, and the Ummah will be victorious and uproot the influence of the Kuffar and its agents, and by you Palestine will be liberated and Ash-Sham will see the victory and the other Muslim countries, so rise and support the causes of your Ummah and be the true descendants of Qutuz, Baybars, Khalid, Salahuddin and Muhammad Al-Fatih.

From the Al-Aqsa we call you ... From Al-Aqsa we address you

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا مَا لَكُمْ إِذَا قِيلَ لَكُمْ انْفِرُوا فِي سَبِيلِ اللَّهِ اتَّقَلْتُمْ إِلَى الْأَرْضِ أَرْضَيْتُمْ بِالْحَيَاةِ الدُّنْيَا مِنَ الْآخِرَةِ فَمَا مَتَاعَ الْحَيَاةِ الدُّنْيَا فِي الْآخِرَةِ إِلَّا قَلِيلٌ * إِلَّا تَنْفِرُوا يُعَذِّبْكُمْ عَذَابًا أَلِيمًا وَيَسْتَبْدِلْ قَوْمًا غَيْرَكُمْ وَلَا تَضُرُّوهُ شَيْئًا وَاللَّهُ عَلَى كُلِّ شَيْءٍ قَدِيرٌ﴾..

“O you who have believed, what is [the matter] with you that, when you are told to go forth in the cause of Allah, you adhere heavily to the earth? Are you satisfied with the life of this world rather than the Hereafter? But what is the enjoyment of worldly life compared to the Hereafter except a [very] little. If you do not go forth, He will punish you with a painful punishment and will replace you with another people, and you will not harm Him at all. And Allah is over all things competent” [At-Tawba: 38-39]

So support the Deen of Allah, and uproot the puppets from the Muslim lands, Hizb ut Tahrir is amongst you and extends its hands to you to establish Allah’s Deen and establishment of the second Khilafah on the method of Prophethood.

In conclusion

We address our prisoners in the prisons of the Occupation and the prisoners of Muslims everywhere ... We address them from Al-Aqsa Mosque the captive ... We say:

Be patient and persevere, for your issue is greater than just improving your food, drink and the conditions of your prison ... It is the duty of liberating you and liberating the Blessed Land from the abomination of the Occupation.

We call on the Muslim Ummah and its armies to liberate you and liberate Al Aqsa Mosque and the Blessed Land. You and we await the victory of Allah, by a pious leader and righteous soldiers who are believers who will roam across the land and punish the Kuffar and enter the Aqsa Mosque, shouting Tahlil and Takbirs and chanting:

﴿هَذَا مَا وَعَدَنَا اللَّهُ وَرَسُولُهُ وَصَدَقَ اللَّهُ وَرَسُولُهُ﴾

“This is what Allah and His Messenger had promised us, and Allah and His Messenger spoke the truth” [Al-Ahzab: 22]

And they shall chant,

﴿وَلِلَّهِ الْعِزَّةُ وَلِرَسُولِهِ وَلِلْمُؤْمِنِينَ وَلَكِنَّ الْمُنَافِقِينَ لَا يَعْلَمُونَ﴾

“...And to Allah belongs [all] honor, and to His Messenger, and to the believers, but the hypocrites do not know” [Al-Munafiqun: 8]

Oh Allah, grant us your victory ... and guide our hearts and the Muslims to support your Deen and establish your laws

Oh Allah, destroy America and the Jews and those who befriend them ... Oh Allah dishonour them, and let the infliction they spread return to them ... And take away their evil from the Muslims

O Allah, send upon us your victory, that you promised ... Khilafah on the method of Prophethood that with it you bring glory to Islam and Muslims and with it you release our prisoners and our Aqsa

O Allah, send your peace and prayers on our Prophet Muhammad (saw) and his family and companions.

Praise be to Allah the Lord of the Worlds
