

A Disrespectful Government Serving the Enemy has to be Changed to Implement the Islamic Rule

(Translated)

On 02/04/2017, Hizb ut-Tahrir / Wilayah Sudan received a written approval from the specific authorities to hold a mass rally to commemorate the 96th anniversary of the destruction of the Khilafah under the slogan: "**One Nation, One Banner ... Under the Shade of a Righteous Khilafah**", in the League Square in Shambat - Khartoum North. The party then completed all what was necessary to hold the festival. A few hours before the festival, the authorities told us verbally that this festival has been banned, and in thuggish manner, they dismantled the stage in the square and threatened the contractors to confiscate their property. They also threatened to mass arrest the people in the square, while actually arresting the advertisers!!

We in Hizb ut Tahrir / Wilayah of Sudan would like to clarify the following facts:

Firstly, this festival comes under the slogan: "**One Nation, One Banner ... Under the Shade of a Righteous Khilafah**", with the participation of a number of leaders of Islamic groups, faithful scholars, and the massive number of attendance, aligned behind the project of the Ummah; the Righteous Khilafah that implements the law of Allah (swt), and unites the Ummah under the banner of Uqab; the banner of the Messenger of Allah (saw), seeking the pleasure of Allah the Lord of the worlds.

Secondly: A government who seeks the pleasure of America, the head of evil and criminality in the land, and its security services who put themselves in service of the CIA, both, namely the government and its security services seek the implementation of America's project through which secularism is intended to be applied, dividing what's left of Sudan. Therefore, the government and its security services serve as the enemy to prevent the Ummah's project; the project of the Righteous Khilafah and the Islamic Sharia. This type of government is a disrespectful government that influential people fight over it, and has embarked on serving the enemy's project and fighting the Ummah's project, which is represented in the great Islam. A government that does not respect its promises and covenants is not worthy of survival. It must be changed to apply Islamic law.

Thirdly: Hizb ut Tahrir is persistent in its determination to unite the ranks of the Muslims behind the righteous Khilafah state project, which applies the rulings of the great Islam, exposes the agents and the hypocrites who are entrenched in the ranks of the enemy; the abominable secularists who fight the call of Islam and reject the path of Allah, and would seek in it something crooked.

Oh pure and righteous Muslims: Those of you who responded to the caller of Allah and came to the square, you have indeed recorded with honor that you are working for the unity of this Ummah, raising high the banner of the Messenger of Allah (saw), and seeking the return of the righteous Khilafah. How excellent a reward for the stances of honor and dignity which please Allah (swt)! So, congratulations for you as Allah (swt) says:

﴿كَذَٰلِكَ يَضْرِبُ اللَّهُ الْحَقَّ وَالْبَاطِلَ فَأَمَّا الزَّبَدُ فَيَذْهَبُ جُفَاءً وَأَمَّا مَا يَنْفَعُ النَّاسَ فَيَمْكُثُ فِي الْأَرْضِ﴾

"In this way does Allah set forth the parable of truth and falsehood: for, as far as the scum is concerned, it passes away as [does all] dross; but that which is of benefit to man abides on earth. In this way does Allah set forth the parables." [13:17]

Oh pure and righteous Muslims: Daylight has exposed what was hidden in darkness. You have realized the truth, so in order to uphold the message of Islam, and in order to invalidate the falsehood - which is like a wicked wizard and a wizard shall not be successful to whatever point (of skill) he may attain- align yourselves behind Hizb ut Tahrir, and support the project of your revival; the project of the second Righteous Khilafah state whose time has come.

﴿لِمِثْلِ هَٰذَا فَلْيَعْمَلِ الْعَامِلُونَ﴾

"For the like of this, then, let the workers work." [37:61]
