

The Government is Dedicated to Appeasing America It Prevents and Fights the Call to Islam

(Translated)

On Tuesday, 13/03/2018, Hizb ut Tahrir/ Wilayah of Sudan submitted a written request to the authorities in the capital, Khartoum, to notify it of holding the second festival of the Khilafah Scouts, at the Martyr Al-Zubair Mohammed Salih International Conference Center, on Saturday 31/03/2018. And of holding a speech festival in the Rabita Square in Shambat, Khartoum North, on Saturday, 14/4/2018, on the same day the party submitted a request to the authorities in the cities of Qadharif and Al-Ubayyid to hold a speech festival on Saturday 7/4/2018 in the two Freedom Squares in the two cities. These events are to commemorate the 97th anniversary of the destruction of the Khilafah (Caliphate) under the slogan:

Khilafah is the Establishment of the Deen, Glory and Empowerment

On Thursday, 22/3/2018, the authority in Khartoum in a verbal reply that the security and intelligence apparatus refuse the request to hold both the Khartoum events. Then the authorities in Qadharif and Al-Ubayyid responded by refusing the request to hold the events.

On Saturday 07/04/2018 the Hizb held its festival in Freedom Square in the city of Qadharif amid a remarkable crowd and with the participation of some leaders of Islamic groups. In the city of Al-Ubayyid, the Hizb organized a public address in front of the Grand Mosque, and the Authority arrested the spokesman and some party members and guests and who are still in detention until the writing of this leaflet.

We in Hizb ut Tahrir / Wilayah of Sudan, illustrate the following facts:

First: Hizb ut Tahrir carries the call to Islam, in the method of the Messenger of Allah (saw); i.e. in the political way, it shows the ideas of Islam and its rules on the current realities of life, it accounts the rulers for their betrayals, and neglecting the interests of the Ummah and embracing the enemy. Every sincere Muslim competes to work for this great action and in its support and aid, and to encourage its workers. But the kafir enemy and the "armies" defending their interests from the rulers, the influential and the hypocrites, are all displeased with this great work, seeking to block it, but they will never be able to extinguish the sun light With falsehood!

Second, the commemoration of the destruction of the Khilafah (Caliphate) is a mobilization of the energies of the Muslims to work to restore it. In such days of Rajab, 1342 AH, the criminal Mustafa Kamal was eager to weave treason and plots to overthrow the Khilafah. Similarly in these days Hizb ut Tahrir and the sincere sons of the Ummah are active to complete the structure of the rightly guided Khilafah that its time has come with the permission of Allah. Khilafah is the Shariah method to implement Islam, the unity of the Islamic Ummah, and to carry Islam to the world by

Dawah and jihad. In the absence of the Khilafah, Islam became absent from the life of the Ummah, the Ummah was divided, and the rulers and the hypocrites and Ruwaybidha (ignorant) and half men have ruled over it, and subjected it to humiliation. But soon the dawn of the Khilafah will come, for the establishment of the Deen, the glory and empowerment by the permission of Allah.

Thirdly, shame on this authority, which deceives the Ummah, with the discourse of Islam and its slogans, and then turn against it, they fight Islam and stop the faithful from calling for it to please the Kafir West. Their alleged freedoms encompass all evil and falsehood, but it strangles and fights Islam and its Dawah carriers.

Fourthly: The government is continuing its war on Islam and its call under the banner of the "war on terror", to get closer to the Kafir West in order to establish a constitution for the country that is compatible with the Kufr Western civilization and has nothing to do with Islam. This is according to the vice president of At-Taghyir block in the parliament, who said: The permanent constitution discussed in the outputs of the national dialogue will be agreed on by the political forces, it will be free from the religious background, whether Islamic or other!! [At-Tayar Newspaper, Issue no.2178]

Fifthly: Hizb ut Tahrir continues to carry on the Islamic call in the method of the Messenger of Allah, even if the Kuffar and hypocrites detest it, until the promise of Allah comes; a near victory and relief from him. And those who have wronged shall know their fate.

O Muslims:

We will meet you at the conclusion of the activities of Rajab al-Khair, on Saturday 14/4/2018 at 4 pm, in Rabita Square in Shambat, Khartoum Bahri (North), in commemoration of the 97th anniversary of the destruction of the Khilafah (Caliphate). Rise up in support of the Truth, and show Allah (swt) your best actions, do not pay heed the rulers, who insist on hypocrisy, repelling people from the clear Truth. Allah (swt) says: ﴿إِنَّ كَيْدَ الشَّيْطَانِ كَانَ ضَعِيفًا﴾ **“Indeed, the plot of Satan has ever been weak”** [An-Nisa’: 76]

Let us rush for the obedience of Allah, and to the Jannah as wide as the heavens and the earth, prepared for the righteous:

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ﴾

“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life.” [Al-Anfal: 24]
