But the Guide who is Truthful to the People has been Truthful to
you...So who will you follow?**

(Translated)

The trilateral meeting between Russia, Iran and Turkey, came out with the so-called "statement of Moscow," (Syria Accord) which included items agreed upon by the three countries, the most notable: is that the priority in Syria is to fight "terrorism" and not to overthrow the regime, and the exclusion of a military solution to what they see as the crisis in Syria, and to start new negotiations between the opposition and the regime, in an effort to reach an agreement between them.

The meeting came during the evacuation process of the eastern neighborhoods of the city of Aleppo from the civilians and revolutionaries. This process was preceded by meetings between the factions' leaders of the opposition and Russia in Ankara, which confirms that the "surrendering" of Aleppo began since the start of these meetings. Now there are leaks about meetings between Ankara and opposition factions taking place to arrange what was agreed on in the trilateral meeting, and this explains the news of mergers taking place inside Syria. It appears clearly to be a sieving process for the factions into two groups: moderate and extremist, those pleased with the political solution and the Western project of the civil state are the moderates and those who reject this solution are the extremist.

It has become clear that the West view the "surrendering" of Aleppo as a beginning of a new phase. Turkey exposed itself by standing on the side of the killers of Muslims on Ash-Sham, and what was hidden has come into the open at this stage, which the West thinks it is the beginning of implementing a political solution that it imposed on the people of Ash-Sham after all the bombardment and destruction, murder and displacement that they suffered, this phase, which the West considers as the beginning of the fall of the revolution, and in order to prevent the imminent danger facing the tyrant and his regime in Ash-Sham as they claim, and believe, but it will not come true, Allah Aziz al-Hakim is willing.

Your duty O people of Ash-Sham is not to allow the "surrendering" of Aleppo to be the end of the revolution, but let it be truly the beginning of a new phase, not what the enemies of Allah want, But as what Allah (swt) wants. The stage will cut out the influence of the Kaffir West from our country and our revolution, so that our decision will be in our hands, a stage that will see the end of the tragedy of the link to the supporting countries; who were the first to let down those whom they support. Make it the beginning of the stage to embrace the great project of Islam, the clear project with which we can bring down the criminal system and replace it with the righteous Khilafah on the method of Prophethood.

O Muslims in Ash-Sham, the Abode of Islam:

These meetings, taking place in Ankara, and their resulting "surrendering" of Aleppo, and plans drawn in them, like the fight against what they call "terrorism" and

the start of negotiations. All this confirms that it is time to bring back the revolution as the Ummah's revolution and not a revolution of factions that can be bought and sold. It is time that the faithful take their role and have their say. It is time that the people of Ash-Sham are aware of what was missing in their revolution, which is the aware and sincere political leadership that has a clear political project emanating from the doctrine of "لا إله إلا الله محمد رسول الله" "There is no God but Allah and Mohammed is the Messenger of Allah".

Hizb ut Tahrir, which offers you this, it offers you the Righteous Khilafah (Caliphate) project extracted from the Book of Allah and the Sunnah of His Messenger (saw). Hizb ut Tahrir proved its political awareness during this revolution, and its ability to lead. It was the first to warn of what is being plotted in the corridors of politics, and it explained the risk of political money since the start of this blessed revolution. Also it did not hesitate to warn of the danger of the role played by countries that claim their friendship of the revolution of Ash-Sham, and it proclaimed the truth and rejected all truces, which paved the way to what is planned by the enemies, a comprehensive truce, as it refused all negotiations between the opposition and the regime, and it explained that surrendering our issues to our enemies is political suicide. With all this, it is only worthy that sincere elements in the factions and influential give the leadership to Hizb ut Tahrir, so as to preserve the pure blood, so that they only be spilled for the sake of Allah (swt), and to steer Ash-Sham's revolution to safety and to save it from being lost after being abandoned. Allah (swt) said:

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ & وَاتَّقُوا فِتْنَةً لَا تُصِيبَنَّ الَّذِينَ ظَلَمُوا مِنْكُمْ خَاصَّةً وَاعْلَمُوا أَنَّ اللَّهَ شَدِيدُ الْعِقَابِ﴾

“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life. And know that Allah intervenes between a man and his heart and that to Him you will be gathered * And fear a trial which will not strike those who have wronged among you exclusively, and know that Allah is severe in penalty.” [Al-Anfal: 24-25]
