Hizb ut Tahrir / Tajikistan Mourns with Profound Sadness

Dawah Carrier Ustaadh Ismail Dadobov

(Translated)

Hizb ut Tahrir / Tajikistan mourns with deep sorrow the passing of a sincere caller Dawah carrier Ismail Dadobov, who passed away to the mercy of Allah Almighty on Friday, 17 Muharram 1445 AH, corresponding to 4 August 2023 CE, after a long struggle with illness.

Our Brother Ismail was born in Khojand, Tajikistan, in 1972. He left behind six children, their eyes brimming with tears.

Our Brother Ismail was among those who displayed unwavering commitment to the Dawah within the ranks of Hizb ut Tahrir, standing against the tyranny of oppressors not fearing the blame of the blamer except of Allah.

He was detained twice and spent eighteen years of his life in the prison of the oppressors. Although the injustice of prison affected his health, it couldn't break his determination in pursuit of the Dawah!

Ismail stood bravely against injustice and remained steadfast on the truth. Despite all the injustice he faced in prison and the hatred of oppressors, he was not deterred from continuing his Dawah. On the contrary, he gained strength and courage to work towards establishing the Khilafah Rashidah (rightly guided Caliphate) on the method of the Prophethood. Our brother continued his Dawah in the ranks of Hizb after his release from prison in 2019. He tirelessly worked for the establishment of the Khilafah Rashidah on the method of the Prophethood until he passed away.

We ask the Almighty Allah to cover him with His Vast Mercy and to dwell in His vast gardens with the prophets, the people of truth, the martyrs, and the righteous and that is such an honourable company. We also ask Him to grant patience, solace, and good consolation to his family and loved ones. We express our deepest condolences to his family. We beseech Allah to forgive our Brother Ismail and accept his good deeds.

Despite the difficulty of losing our brother, we only say what pleases Allah ﷻ **“Indeed we belong to Allah, and indeed to Him we will return.”** وَإِنَّا إِلَيْهِ رَاجِعُونَ ﴿
