Hizb ut Tahrir Wilayah Afghanistan Congratulates Blessed Eid al-Fitr to Entire Islamic Ummah

(Translated)

Hizb ut Tahrir Wilayah Afghanistan hopes that the prayers and worship of Muslims from Kabul to Jakarta to Baitul Moqadas, Halab and Islambul and all across the globe have been accepted by Almighty Allah (swt).

Days of Eid are meant to be the days of happiness, joy and brotherhood among Muslims. Unfortunately, the life of Muslims under non-Islamic systems have been one of misery, war, humiliation and dishonor. Evidently Muslims of Afghanistan sustain casualties on daily basis by forces of capitalist states such as America in incidents such as explosions, air bombardment and wars.

In addition, tribal, ethnic, linguistic and regional hatred and divisions are inspired and engineered by America and its puppets whose consequence will be even greater than dropping of the “mother of bombs”.

As a result, instead of enjoying the enjoyments and pleasures of blessed Eid, people are suffering from misery, hatred and divisions under the American installed systems.

However, we have firm belief in mercy of Allah (swt) that He Almighty will soon please Muslims with His support, and will bring a fundamental change in the affairs of the world under the leadership of Khilafah (Caliphate) on the method of Prophet peace be upon him. Establishment of the second Khilafah Rashidah will eliminate the current corrupt Kufr systems and its tyrant, despotic and corrupt rulers, and will replace them with kind, compassionate and just leaders who will lead people from darkness to light, from ignorance to guidance and from tyranny to justice of Islam. That day is not far, but only the blind cannot see it coming.

﴿وَلَيَنْصُرَنَّ اللَّهُ مَن يَنْصُرُهُ إِنَّ اللَّهَ لَقَوِيٌّ عَزِيزٌ﴾

“And Allah will surely support those who support Him. Indeed, Allah is Powerful and Exalted in Might.” [Al-Hajj: 40]
