Hizb ut Tahrir Organized Protests against the Arrival of Two Planes directly from Tel Aviv to Dhaka on Two Consecutive Days as Part of Hasina Government's Normalization of Relations with the illegal Jewish Entity

Hizb ut Tahrir / Wilayah Bangladesh, today (19/4/2024) organized protests and marches in different mosque premises of Dhaka and Chittagong on Friday (19/4/2024) with the title, "Two planes arriving in Dhaka on two consecutive days directly from the illegal state of Israel, a milestone in normalizing relations with the illegitimate Jewish state" - through this, the Hasina Government Stripped of the Mulberry Leaf that covered the Nakedness of its Betrayal of Islam and Muslims".

Speakers at the rally exposed Hasina government's desperation to normalize relations with the illegitimate Jewish state saying: Being desperate to please America and stay in power, Hasina government is joining the ranks of traitorous Arab Muslim rulers who signed (and those are waiting to sign) the Abraham Accords in Washington DC on September 15, 2020, brokered by the United States. When the brutality of the cursed Jewish entity on the Muslims of Palestine is haunting the conscience of the world, when the Muslims worldwide are vocal in their demand to send the Muslim military forces to liberate the Sacred Land of Palestine and the Al-Aqsa Mosque, when the plea of the Muslims to Allah (swt) in this month of Ramadan was the liberation of Palestine; the Hasina government shamelessly rushed to normalize relations with the illegal state of Israel in accordance to the "two state solution" policy of USA. The Hasina government set a milestone for normalizing relations with the illegal Jewish state by secretly landing the US-based Israeli aircraft on the country's soil without caring about the sentiments of the people and chose the path of betrayal of Islam and the Muslim Ummah.

Speakers at the rally, exposed Hasina government's deceptive policy towards Palestinian Muslims, saying: Hasina is a hypocrite ruler who has misled the people of the country by crying for the Palestinian Muslims, while her government maintains ties with the occupying Jewish entity. Her government sent 75 members of the Bangladesh Navy to Lebanon under a peacekeeping mission to protect Jewish entity from Mujahideen's attacks. Earlier, her government removed the words "Israel except" from Bangladeshi passports in a move to normalize relations with the illegal Jewish state. When 33,000 Palestinian Muslim lives, including 25,000 children and women, have been lost so far in the 'Israeli' genocide, the Hasina government, by allowing 'Israeli' planes to land on the country's soil, has bled more blood into the hearts of Muslims with its arrow of treachery. **﴿فَاتْلُهُمُ اللَّهُ أَنَّى﴾** **﴿يُؤْفَكُونَ﴾** **"May Allah destroy them; how are they deluded?"** [Surah Al-Munafiqun: 4]

Reminding the Muslims of their responsibility to liberate the sacred Land of Palestine, the speakers said: The Muslim Ummah has witnessed how after the destruction of the Khilafah (Caliphate) in 1924 CE, the Jews occupied the Sacred Land of Palestine with the help of the Western Kafir colonists, in the silence of the secular agent rulers imposed on the Muslim Ummah, still continuing to brutalize the Palestinian Muslims clinging to this Holy Land and regularly to desecrate Al-Aqsa Mosque, the first Qibla of Muslims. Therefore, the only way to liberate Palestine is to unite with **Hizb ut Tahrir** in the political struggle to re-establish the Khilafah (Caliphate) and inspire those of our Sons who are serving in the military to give nussrah to **Hizb ut Tahrir** in re-establishing the Khilafah, that will liberate Palestine through military operations, Insha'Allah.
