Hasina Regime in Service to Britain, is Engaging in a Proxy War to Protect British Backed Myanmar Junta Regime that Massacred Rohingya Muslims

Hundreds of members of the Myanmar's Border Guard Force (BGF) and Army are once again fleeing to Bangladesh for safe haven due to the ongoing fierce fighting between the insurgent group Arakan Army and Myanmar's military junta in Rakhine [Dainik Janakantha, July 12, 2024]. The Hasina regime is replenishing the army of the junta regime by sending back the members of the murderous junta forces who are constantly fleeing. As a result, the murderous junta forces (whose hands are stained with the blood of Rohingya Muslims) are using our land as a "buffer zone" to suppress the rebels. In addition, *three junta warships loaded with heavy ammunition and mortar shells are stationed in Bangladesh waters off St. Martin, fighting the Arakan Army which is a coalition of ethnic armed groups in that country, and the sound of heavy ammunition and mortar shells fired from these ships has caused panic across the island* [Daily Us Time, June 14, 2024]. A young man, Ali Johar, was shot by gunfire from Myanmar while returning from St. Martin Island in a trawler [Yamuna TV, June 13, 2024]. June 16, 2024 a press release from Inter-Services Public Relations (ISPR), Bangladesh said that, "*the Myanmar military is conducting a joint operation against the Arakan Army in Rakhine State in view of the ongoing internal conflict in Myanmar. This clash between the Myanmar military and the Arakan Army led to indiscriminate firing on Bangladeshi boats in the bordering Naf River and estuary areas.*" In this situation, the government cut off all transportation to the mainland with the important island of St. Martin and blockaded the island's residents, rather than deploying military forces in the surrounding sea area, including St. Martin, to ensure public safety. As a result, there is severe food shortage along with medicine. In fact, the government created this situation to create a buffer zone for the junta government's navy to suppress Myanmar's armed rebel groups. Criticized by military and security experts, government sent the navy and coast guard nominally to monitor the movement of Myanmar's ships, resulting in the island of St. Martin being isolated and the normal movement of people not being restored. Thus, Hasina in the service of her master Britain, has engaged in a proxy war to protect the British backed junta regime (that massacred Rohingya Muslims), betraying the Muslim Ummah.

O People! As you have seen earlier, the Hasina regime pushed back the Rohingya Muslims displaced by the internal war, but did not push back Army-BGF members (the killer of Muslims) who fled from Myanmar under attack by the insurgents. Considering them as prisoners of war according to the advice of security analysts and the so-called international law, Hasina regime did not put pressure on

the junta regime to repatriate the Rohingya Muslims, but rather welcomed this murderous force with flowers. And without delay sent them back to their country to help replenish the Army of the junta regime. Allah (swt) says, ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا قَاتِلُوا الَّذِينَ﴾ **“O you who have believed, fight against those adjacent to you of the disbelievers and let them find in you harshness. And know that Allah is with the righteous”** [Surah At-Tawbah: 123]. Thus, the Hasina regime, in the service of Britain, helping the British-backed junta regime and violating the country's sovereignty and abandoning the interests of our Rohingya Muslim brothers and sisters.

O People, you know that the British backed junta regime in Myanmar to mass displace the Rohingya Muslims of Arakan state, has been systematically attacking for decades by creating religious conflicts by radical Buddhist monks, burning houses, killing Rohingya men, slaughtering children, raping women, burning houses, looting and massacring. And the Hasina regime is protecting the Myanmar junta regime from their resistance by enclosing millions of Rohingya Muslims in the name of asylum. By the will of Allah (swt), this ignorant Buddhist people are now involved in ethnic conflicts and is caught in the trap of American geopolitical strategy. ﴿وَمَا أَصَابَكُمْ مِنْ مُصِيبَةٍ﴾ **“And whatever strikes you of disaster – it is for what your hands have earned; but He pardons much”** [Ash-Shura: 30]. And because of the conflict of interest of the infidels and also the people's anger, the throne of the traitor Hasina is on the verge of collapse.

O People! Allah (swt) forbids entrusting the lives and property of the people of the country to these foolish rulers, ﴿وَلَا تُؤْتُوا السُّفَهَاءَ أَمْوَالَكُمُ الَّتِي جَعَلَ اللَّهُ لَكُمْ قِيَامًا﴾ **“And do not entrust your wealth (responsibility) to the foolish (leaders)”** [Surah An-Nisa: 5]. And the proposal of establishing a relationship with the Arakan Army by the Americans agent BNP group will mainly advance the geopolitical interests of the America. The Messenger of Allah (saw) said, ﴿وَأِنَّمَا الْإِمَامُ جُنَّةٌ يُقَاتِلُ مِنْ وَرَائِهِ وَيُتَّقَى بِهِ﴾ **“The Imam (Caliph) is the shield under whom you fight and protect yourselves”** (Sahih Muslim). The only way to preserve the country's sovereignty and rehabilitate the Rohingya Muslims is to reintegrate Arakan with our land. Therefore, you must immediately advance in establishing the Khilafah (Caliphate) on the method of the Prophethood under the leadership of **Hizb ut Tahrir** and strongly demand from the military officers to provide nussrah (power) to **Hizb ut Tahrir** for this purpose.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ﴾
تُحْشَرُونَ﴿

“O you who have believed, respond to Allah and to the Messenger when He calls you to that which gives you life. And know that Allah intervenes between a man and his heart and that to Him you will be gathered” [Al-Anfal: 24].
