## Jewish Atrocities can only be Stopped by Breaking Down the Divisive Nation-State Borders and bringing Muslim Armies under the Shahada Banner of the Khilafah (Caliphate)

**Hizb ut Tahrir / Wilayah Bangladesh**, today (27/09/2024) organized a protest demonstrations and marches in different mosque premises of Dhaka and Chittagong to protest the continuous attacks on Palestine and Lebanon by the illegal Jewish entity. Various members of **Hizb ut Tahrir** gave speeches in the rallies and post-rally processions that marches various streets of different areas of the city, and concluded with Du'a. A summary of the speeches of the speakers at the gatherings is presented below:

It has been almost a year but the illegal Jewish entity still continues the genocidal massacre against the people in Gaza and the West Bank before the ears and eyes of the world. The number of our martyrs has already exceeded 40,000 and wounded is approaching 100,000 across the Blessed Land of Palestine. With no signs to end these daily massacres of innocent children, women, and elderly, the illegitimate entity has now moved on to another massive bombing campaign across Lebanon, already killing hundreds of people and displacing more than 90,000. The hospitals of Lebanon are full of innocent civilian, including dozens of women and children, similar to what we are seeing in Palestine.

**O Muslims**, we should not be under any false impression that 'Israel' is an untouchable and unstoppable force. Rather, this small piece of insignificant entity was a Western creation for it to be an agent of their imperialism in the Middle-East and beyond. Thus, it nakedly receives unstinting military and financial support from the hypocritical and negligent Western world. In order to protect their illegitimate creation, US-led West including their imperialist tool UN does not even care about killing their own values like 'freedom' and 'human rights', which they religiously propagate in the Muslim lands for political manipulation only.

We want to remind you that the only obstacle to permanently end the crusade against the Muslims of the Blessed Land of Palestine is the client rulers of the Muslim lands. These traitors are the frontline guards of the illegal Jewish entity. While our innocent children are starving and dying due to the Zionist's siege blocking food supplies, the agent rulers in Egypt, Jordan, Morocco and the UAE continue to export food products to the Jewish entity. These rulers are strengthening this murderous entity through their peace agreements, normalization, diplomatic relations, and economic cooperation. They are the ones who act as the custodians of the artificial nation-state borders imposed by these colonialists upon us. To serve the Western agenda, they keep us divided and obstruct us from moving to support our oppressed brothers and sisters in Palestine and other parts of the world. By protecting this Western-imposed national borders, these Western agents want to make the plight of the Muslims of Palestine as a 'Palestinian' problem, not an Ummah's one. Whereas the Messenger of Allah (saw) described the Ummah as one body, and when any part of it suffers, the entire body responds with sleeplessness and fever.

**O Muslims, Hizb ut Tahrir** will not become tired in reminding you that the only way to liberate the blessed land of the Palestine from the filth of the cursed Jews is to reestablish the Khilafah Rashidah (rightly-guided Caliphate) on the method of Prophethood. You must demand the sincere officers of the armies to dismantle the false divisive colonialist-imposed nationalistic borders, overthrow these cowardly traitorous rulers from our lands, and give nussrah (material support) to **Hizb ut Tahrir** to immediately resume the system of Islam – the promised second Khilafah. Other than this, all the other paths will take you down to the abyss of humiliation and disgrace on this world and the Hereafter. وَمَا لَكُمْ لَا تُقَاتِلُونَ فِي سَبِيلِ اللَّهِ وَالْمُسْتَضْعَفِينَ مِنَ الرِّجَالِ وَالنِّسَاءِ وَالْوِلْدَانِ الَّذِينَ يَقُولُونَ رَبَّنَا أَخْرِجْنَا مِنْ هَذِهِ الْقَرْيَةِ الظَّالِمِ أَوْلِيَاءُ لِجَعَلْنَا لَنَا مِنَ الْقَرْيَةِ كَيْدًا وَاجْعَلْ لَنَا مِن لَّدُنكَ نَصِيرًا ﴿١٤٧﴾ "And what is it with you? You do not fight in the cause of Allah and for oppressed men, women, and children who cry out, "Our Lord! Deliver us from this land of oppressors! Appoint for us a saviour; appoint for us a helper—all by Your grace." [An-Nisa: 75]
