## It is not surprising at all that the Modi Government, fearing the imminent emergence of the Khilafah would ban the Hizb ut Tahrir – a Truthful and Non-Violent Political Party

Fearing the emergence of Khilafah (Caliphate) led by **Hizb ut Tahrir**, India's Ministry of Home Affairs (MHA) last Thursday (October 10, 2024) banned **Hizb ut Tahrir**, stating that it "desires to establish a global Islamic state and caliphate, including India, through jihad and terrorist activities". Because they know that there is a strong demand for the establishment of Khilafah state in the region under the leadership of **Hizb ut Tahrir**, and that the Muslim generals under the imminent Khilafah will re-liberate India through jihad, just as the brave commander of the Umayyad Khilafah, Muhammad bin Qasim at the age of 17, defeated the tyrant King Dahir in 712. And the prophecy of the RasulAllah (saw) will come into true, in the hadith narrated by Abu Huraira (ra.), the Prophet (saw) said, «لَيَغْزُونَ الْهِنْدَ لَكُمْ جَيْشٌ، يَفْتَحُ اللَّهُ عَلَيْهِمْ حَتَّىٰ «**Surely an army of yours will invade India and Allah will grant its conquest to them, until they bring their kings in chains and Allah will forgive them their sins**» (Narrated by Na`em ibn Hammaad in al-Fitan). So, it is not surprising at all that this cowardly Hindutva regime would ban **Hizb ut Tahrir**. By labeling the non-violent and intellectual political party **Hizb ut Tahrir** as terrorists, they have deceived their own people and revealed their bankruptcy in dealing with **Hizb ut Tahrir** intellectually and politically.

**O People**, you are aware that the awakening of the youth under the leadership of **Hizb ut Tahrir** to establish a Khilafah (Caliphate) on the method of Prophethood is unimaginable, and witnessing this, India through its agents and some media in Bangladesh, has been active in spreading disinformation against this non-violent and intellectual political party, and engaged in a failed attempt to counter the demands of the Khilafah from all levels of people. But India should remember that its trusted agent, the fallen tyrant Hasina government, failed to stop the voice of **Hizb ut Tahrir** despite extreme repression during the last 15 years of her rule. As you know, when the brutal Palkhona massacre took place in 2009 in the conspiracy of Hasina and India, the only party in Bangladesh, **Hizb ut Tahrir**, exposed this matter to the nation with devotion and courage. And thereby the Indian plot to weaken the country's military was nipped in the bud. And then the fallen murderer Hasina government banned **Hizb ut Tahrir** at the behest of India. Having failed in all efforts, India in desperation has now taken the responsibility itself against **Hizb ut Tahrir**.

**O People**, the banning of **Hizb ut Tahrir** by the enemy state India is a certificate that it is a truthful party and this reckless decision at this moment indicates that Khilafah is very near. Therefore, be the pioneer in establishing the Khilafah (Caliphate) in the method of the Prophethood. Immediately after establishing the Khilafah State, it will prosecute the Palkhona murders, cancel all treaties with India and declare India an enemy state and close its embassies. Above all, Khilafah would bring India back under its rule to fulfil glad tiding of RasulAllah (saw), and put an end to Indian hegemony and regional stability will be restored.
