

Press Release

‘Strengthening Bilateral Relationship through Joint Exercises’ is just another name for Hasina Government’s Traitorous Conspiracy to Kneel our Courageous Military before India

Hasina government’s continued acts of appalling betrayals to cripple our armed force permanently know no bounds. This spiteful regime is not leaving any stone unturned to destroy the morale of our courageous army and, in consequence, to make them subservient to its natural enemy - India. Under the traitorous pretext of strengthening the bilateral relationship with our archenemy, this government is again holding another Bangladesh-India joint army exercise “SAMPRITI-8” from March 2 to 15 at the Bangabandhu Senanibas (BBS) Cantonment in Tangail, Bangladesh. This joint exercise is taking place immediately after the ending of another ‘confidence building’ (!) joint exercise (Mainamati Maitree Exercise 2019) on 28th February 2019 with the Indian border thugs BSF. Hasina is faithfully implementing the holistic evil plot of her regional master to surrender Bangladeshi military and paramilitary to India.

The entire nation wants to know from this sell-out government that what benefit these exercises are bringing to our military other than having them demoralized by letting the Mushrik army demonstrate their false strength? What is the real motive of these exercises other than giving the coward Mushrik force leadership over our brave armed forces? We witnessed the real strength of these scaredy-cat Indian armies whose ‘war fantasy’ exists in Bollywood movies only. We have seen how far the strength of this coward Indian military goes - from the humiliating Padua/Rowmari Border battle defeat in 2001 at the hand of a small unit of Bangladesh Rifles (BDR) to the recent shameful events of Balakot, Kashmir. There, the situation is now being manipulated by the other hypocrite colonialist agent, Imran Khan, in order to win some cheap PR points, instead of releasing his mighty army to free the oppressed Muslims of Kashmir. It is only for the treacherous rulers like Hasina and Imran who continuously are creating opportunities to humiliate our Muslim armies and letting the coward Mushriks enjoy the false supremacy in the subcontinent.

O Muslims! It is clear as daylight that Hasina’s ascension to power in 2009 was ensured by India with a complete package of her long-cherished dream to pull apart Bangladesh Army bit by bit that she herself could never dare to accomplish through her army. The very first move her agent (Hasina) did was to conspire in the tragic Pilkhana Massacre from 25-27th February, 2009, which weakened the nation’s military and border force, and brought them against one another. Then, in order to wipe out the glorious legacy of BDR’s decades of defending the nation from Indian incursions,

this force, now rename to Border Guards Bangladesh (BGB), is now being used as an extension of BSF in threatening the our people living near the border. Moreover, by portraying negative image of our pro-people military to distance them from the mass, treacherous Hasina is now resorting to wicked means like what we saw in the last national election when she maliciously gave them no duty other than making them silent witnesses of her farcical election and also when she used BGB to suppress the students during the 'road safety movement'. And to put the final nail in the coffin, now we get to see the saddest events of continuous stabbing in our military's back by treacherous Hasina by forcing our brave armed force to embrace its natural enemy in the form of these joint exercises and other shameful exchanging programs. Hence, the our people now realize the bigger picture in the making here by the agent Hasina, that, they will not be given any cause to hate BSF of India anymore since they will not be considered as enemies, rather our people would get ample chance to hate our own military as it will be used to stand against its own people – the highest victory any enemy nation can dream of in order to extinguish its opponent!

O Sincere Officers in the Military! This regime is getting worse every single day in mischief and evil, and in betrayal and corruption. We, from **Hizb ut Tahrir**, urge you not to be a part of this crime against the Muslims and this nation. Does it not strike you as an act of great betrayal against your slain brothers in Pilkhana, as well as the nation as a whole, when you help Hasina implement her heinous plans of giving up our sovereignty to Indian hegemony? How long you will keep silent and obey this subservient regime of the imperialist West and its Mushrik ally which is causing you destruction and loss of your honor and dignity? Take heed to the sincere calls of **Hizb ut Tahrir, O Officers!** Waving the banner of Islam under the second righteous Khilafah (Caliphate) is the only way to glory, victory and strength. So respond to our call and rush forward to give the material support (Nusrah) by transferring authority to the party to reestablish the mighty Khilafah on the method of the Prophethood.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا إِن تَطِيعُوا الَّذِينَ كَفَرُوا يَرُدُّوكُمْ عَلَىٰ أَعْقَابِكُمْ فَتَنْقَلِبُوا خَاسِرِينَ﴾

“O you who believe! If you obey those who disbelieve, they will send you back on your heels, and you will turn back as losers. Nay, Allah is your Mawlaa (Patron, Lord, Helper, Protector), and He is the Best of helpers” [Aal-e-Imraan: 149-150].
