Treacherous Hasina Regime Appeared Spineless in front of the Boastful Comments of the Criminal Chief of BSF

While the Chief of the killer Indian Border Force (BSF) showed his boastful arrogance about the killing of the unarmed civilians of Bangladesh, Hasina regime has made BGB look servile in front of those Mushrikeen at the Director General-level border conference at BGB headquarters in Dhaka on Saturday, June 15, 2019. People in general were in agony to see the audacity of the criminal BSF Chief Rajni Kant Mishra as he regarded the slain unarmed border civilians of Bangladesh as “criminals” and “miscreant”. Not only that, he also scornfully declined to call the butchery on our citizens by the BSF soldiers as “killing”, but rather termed them as “unfortunate deaths” during “skirmishes” with BSF! And instead of protesting his abhorrent comments and asking whether our 15-year-old sister Felani Khatun, was also a ‘criminal’, all that BGB director general could do was to fake his ‘deep concern’ over the border killings! He said, “We have raised our concern about the increased number of deaths on the borders.” It is clear as daylight that the unbridled abuse and killing by the Indian Mushrikeen at the border areas will continue as treacherous Hasina gave them license to do whatever they like. So, Hasina is not only indifferent in border killing issue but also extend her dirty hand to make BGB, which has the glorious legacy of BDR’s (Bangladesh Rifles) decades of defending the nation from Indian incursions, as an extension of BSF to materialize India’s regional hegemony in a bid to secure her throne; the appreciation of BSF chief in the same conference for the ‘cooperation’ extended by the BGB against Indian insurgent groups and request of further cooperation from the BGB for destruction of their hideouts in Bangladesh are testaments to this fact. Moreover, Hasina’s lackey regime not only is being appreciated by its Mushrik protector for endangering our sovereign military in their favor, but also being highly acclaimed for ensuring giving away our land culturally, economically, and politically also as part of the comprehensive agenda of Indian hegemony. So, it is no wonder to see that amid increasing rise of hostility and killing of our civilians by India, Indian High Commissioner of Bangladesh Riva Ganguly Das feels that Bangladesh-India are enjoying “golden period” (!) of their relations based on ‘mutual support’ of both countries’ prime ministers. This ‘golden period’ is not meant to be between the people of Bangladesh and India, rather between the ruling elites of the countries. Indeed, Hasina has taken the ‘butcher of the Muslims of Gujrat’ Narendra Modi as her ‘awliya’ (helpers, supporters) by going against the interests of the people in Bangladesh and the command of Allah (swt): لَا تَجِدُ قَوْمًا يُؤْمِنُونَ بِاللَّهِ وَالْيَوْمِ

الْآخِرِ يُؤَادُّونَ مَنْ حَادَّ اللَّهَ وَرَسُولَهُ ﴿۝﴾ “You will not find any people who believe in Allaah and the Last Day, making friendship with those who oppose Allaah and His Messenger...” [al-Mujaadilah 58:22].

O Muslims! Rise against traitorous Hasina who is showing her unbending loyalty to permanently cripple our military and paramilitary forces and make them subservient towards India. The plan of colonialist US is to create a regional bloc under India’s leadership to contain China and tackle the imminent rise of Khilafah Rashidah (rightly guided Caliphate) for which she wants absolute submission of our armed forces. To implement her master’s wish, Hasina started her treachery by sowing distrust between these two forces through orchestrating the killing of the brilliant and sincere army officers at Pilkhana just after coming power at 2008. And now she is ensuring that by all means BGB becomes a subservient mercenary force of India. Thus instead of using it to defend our land against Indian intrusion and retaliating to the butchery and barbarism on our civilians at borders, agent Hasina is forcing BGB to act like clowns by exchanging flowers and sweets or doing ‘rakhi bondhon’ (brotherhood bond) with members of killer BSF! So, resist these treacherous activities of Hasina immediately, and unite under the leadership of **Hizb ut Tahrir** in the movement to remove the tyrant Hasina. Also, strongly demand from the sincere officers in the military so that they give nusrah (material support) to **Hizb ut Tahrir** for removing tyrant Hasina and the re-establishment of the Khilafah Rashidah.

O Sincere Officers in Army! Fear the wrath of Allah (swt) and resist traitorous Hasina from doing any further harm to you and the Muslims in Bangladesh. How long will you stand the conspiracy of Hasina to annihilate your mighty force or to have you subjugated to the demands of the enemy India? Are you not eager to see Hasina’s trial for her crime of killing your brothers at Pilkhana? So, march forth to remove the tyrant Hasina and transfer power and authority to **Hizb ut Tahrir** to establish the promised Khilafah Rashidah on the method of Prophethood. **Hizb ut Tahrir** calls you towards the life of honor, dignity and glory, as promised by our beloved Prophet, Muhammad (saw):

«عَصَابَتَانِ مِنْ مَتِي أَحْرَزَهُمَا اللَّهُ مِنَ النَّارِ: عَصَابَةٌ تَغْزُو الْهِنْدَ، وَعَصَابَةٌ تُكُونُ مَعَ عَيْسَى ابْنِ مَرْيَمَ»

“There are two groups of my Ummah whom Allah will protect from the Fire: a group who will conquer India, and a group who will be with ‘Isa ibn Maryam (peace be upon him).” [Nasaa’i, Ahmad]
