Press Release

Why is Hasina so Desperate to Sell Out all Interests of this Nation to India?

India will not be able to save this Regime from the Justice of the Imminent Khilafah, as the Khilafah will soon bring India under her Authority

The people of Bangladesh are suffocating because of Mushrik India's outright hostility, but instead of responding to that, in the name of 'deepening ties'(!) the slavish Hasina government has rather signed several anti-state agreements with the archenemy on 5 October, 2019. This signing occasion has been an obvious signal from India to the Muslims in Bangladesh that it does not bother about using 'carrot and stick' policy anymore for Bangladesh as its tentacles have already reached deep into our nation's sovereignty through its puppet Hasina. Otherwise, how dare India continue its terrorism with river-water supply by not sharing water of the Teesta and other rivers when needed, or open all of the 119 gates of the Farakka barrage that has worsened the current flood situation in the northwestern Bangladesh? Traitor Hasina has signed deals to prove her loyalty to India – according to which, India will withdraw 1.82 cusec of water from our Feni River, India will install her maritime surveillance in Bangladesh along the coast Bay of Bengal, India will be allowed to use our Chittagong and Mongla Ports. She is now so much obsessed with her subservience to India that it does not bother her any longer that her false pretenses are already exposed to the eyes of people in Bangladesh – so, while she has kept increasing the gas price under the pretext of shortfall of domestic gas supply, to mitigate which she has also signed a deal long-term import deal with Qatar, but on Saturday she inaugurated the export of bulk liquefied petroleum gas from Bangladesh to the north-eastern states of India!

O Muslims! Each day Hasina is reaching 'new heights' of betrayal. The name 'Hasina' is now synonymous with betrayal and her actions have already become the 'epitome' of treachery against you. Is it not natural for secular rulers like Hasina - because the objectives of their politics are to serve the interests of Kafir-Mushrik imperialists, to loot the nation's wealth, and to ensure that before death or retirement they can secure the throne for their descendants? To achieve these goals this tyrant Hasina has turned this country into a bigger torture cell, where every awakened voice is brutally suppressed - a burning example of this brutality we have seen in the torture cell of BUET (Bangladesh University of Engineering and Technology) where Hasina's thugs in Chatro League (student wing of the ruling party) ruthlessly killed Abrar Fahad, one of the brave sons of this Ummah for protesting India's aggression. As loyal as Hasina is to her imperialist Kafir-Mushrik masters – her hatred for this Ummah is even more. Muhammad (saw) said, «...وَشِرَارُ أَمْرَانِكُمُ الَّذِينَ تَبْغِضُونَهُمْ وَيَبْغِضُونَكُمْ وَتَلْعَنُونَهُمْ وَيَلْعَنُونَكُمْ» **“...The worst of your leaders are those whom you hate and they hate you, and you curse them and they curse you...”** [Sahih Muslim].

O Muslims! What we can expect but treachery from the tyrant regime? One after another, they will keep on serving their colonialist Kafir-Mushrik masters. Is it not high time that you join **Hizb ut Tahrir** in order to overthrow these traitors, and reestablish the Khilafah Rashidah (rightly guided Caliphate) to bring them under punishment for all their crimes? **O Muslims!** According to Islam, natural gas, rivers, ports and coastal areas are all public property, whose privatization or handover to the Kuffar enemy is completely forbidden. The imminent Khilafah will annul all such treaties with the Kuffar and utilize these resources for the Ummah's interests. The Khilafah will also annul all treaties related to our strategic resources to secure the Ummah's sovereignty and use these resources so tools for being established as a leading state in the world. And, the Khilafah will bring India under her authority.

O Muslims! Respond to the sincere call of **Hizb ut Tahrir** and do not be bitten anymore by Hasina's secular ruling. Fear the catastrophe that is sent by Allah Azza Wa Jal to strike not only the oppressive rulers but also those who remain silent to their injustice. Allah (swt) says: ﴿وَاتَّقُوا فِتْنَةً لَا تُصِيبَنَّ الَّذِينَ ظَلَمُوا مِنْكُمْ خَاصَّةً وَاعْلَمُوا أَنَّ اللَّهَ شَدِيدُ الْعِقَابِ﴾ **“And fear the Fitnah (affliction and trial) which affects not only those of you who oppress (but it will afflict everyone), and know that Allah is severe in punishment.”** [Al-Anfaal: 25].
