## The British Government Propagates the Lie of Extremism to Fabricate Suspicion and Hatred for Islam and Muslims

In a speech on Friday, Home Secretary Sajid Javid accused Muslims of having “**extreme views**” and called for “**further integration within society, more help for people to learn English, greater support for communities and a celebration of national identity.**” Such a speech China’s President Xi Jinping would have been proud of. All the same excuses are used by him and Mr Javid to justify the forced indoctrination, re-education, and oppression of Muslims there and here.

Both the British and Chinese governments know that they have no intellectual basis for their own secular ideology, nor for their fanatical hatred of Islam and Muslims. True to their own lack of conviction, when challenged to defend their ideas, they run like cowards, shout an insulting false allegation to incite the mob into a frenzy, while they make their escape to hide behind their thought policing thugs. Such has become the new norm. The Chinese did not invent their oppressive tactics, rather they learnt them from the Western governments who have done the same for decades in their own colonies and are now bringing them back home.

All the Western governments are bankrupt of policies to solve the multitude of serious problems affecting the lives of ordinary citizens, so they rabble rouse to hide the inability of their stubbornly adopted secular ideology.

With such a catalogue of failure and causing misery for the world, a reasonable man would stop to take stock, to listen instead to the advice of the Muslims who offer sincere advice to all humankind; the advice of the last Prophet of Allah before the final day.

So much bent by the twisted ideology of capitalism are the elites of the world, and those loyal to them among the government ministers and civil servants, that they use increasingly desperate tactics to delay the inevitable awakening of mankind to reject their destructive behaviour. The message is becoming extremely clear, Muslims who hold onto any aspect of Islam will be hunted down and forced to renounce their religion for the feeble secular god, otherwise face the wrath of the state and its hysterical mob.

We have previously challenged Mr Javid and continue to challenge apologists for capitalist oppression to debate and defend their ideas and policies.

Only the coward who knows he would lose any intellectual scrutiny of his own intolerant and “**extreme**” views uses the “**hurl an insult then run**” tactic employed by the government today. By naming Islamic groups who oppose and expose his government’s oppression here and overseas, accusing them of “**extremism**” he is hiding behind the bizarre British legal system that protects powerful liars who slander and libel groups that challenge their thoughts; for the courts will not allow any group to challenge the lie. Hence, in Britain, the loudest most wealthy voice always appears to win.

In the face of such official hatred and deception, the Muslims and all those who desire truth and justice should return to the teachings of our Lord.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا كُونُوا قَوَّامِينَ بِالْقِسْطِ شُهَدَاءَ لِلَّهِ وَلَوْ عَلَىٰ أَنفُسِكُمْ أَوِ الْوَالِدِينَ وَالْأَقْرَبِينَ إِن يَكُنْ عَنِيًّا أَوْ فَقِيرًا فَاللَّهُ أَوْلَىٰ بِهِمَا فَلَا تَتَّبِعُوا  
الْهَوَىٰ أَن تَعْدِلُوا وَإِن تَلُونَّ أَوْ تُعْرِضُوا فَإِنَّ اللَّهَ كَانَ بِمَا تَعْمَلُونَ خَبِيرًا﴾

“O you who have believed, be persistently standing firm in justice, witnesses for Allah, even if it be against yourselves or parents and relatives. Whether one is rich or poor, Allah is more worthy of both. So follow not [personal] inclination, lest you not be just. And if you distort [your testimony] or refuse [to give it], then indeed Allah is ever, with what you do, Acquainted.” [An-Nisa: 135]
