

Press Release

To Hamas Delegation Who Visited the Butcher Bashar

«أَلَا وَإِنَّ الْإِيمَانَ حِينَ نَفَعُ الْفِتْنُ بِالشَّامِ»

“Verily, Faith when Strife Breaks Out in Ash-Sham”

(Translated)

With great sorrow, we witnessed the arrival of the delegation of Hamas and the Palestinian factions headed by Khalil Al-Hayya on an official visit which is the first after Hamas announced on September 15 that it would restore its relations with the infiltrator Baathist regime and return to the bosom of the criminal Bashar, after a rupture that continued since 2012, when the head of the movement's political office, Ismail Haniyeh justified the reason for the boycott: "We cannot be on the side of a regime that kills its people, and whoever stands with us in the truth, we would not stand with him in falsehood."

This statement from Haniyeh was at the beginning of the path of criminality of the regime of the tyrant Bashar where he had not yet killed more than two million Muslims in Syria, and his human dogs had not raped thousands of Muslim women in his prisons, nor had he dropped thousands of explosive barrels and destroyed the cities of Syria, and pictures of thousands of people killed under torture were not leaked from a person affiliated with the regime in the name of "Caesar", and other heinous crimes that only human monsters commit in their enmity to Allah, His Messenger and the believers, and their crimes are still continuing.

We wonder what changed that made Hamas change its attitude? And we ask Hamas, as an Islamic movement, what is the Sharia ruling towards this criminal regime that has violated our honor, shed our blood, destroyed our homes and deserted us from our land?

We address you while we are writhing in pain because this was not what we thought of you. Is this how the brotherhood of Islam is?! Is this the right of a Muslim over a Muslim?! The Messenger of Allah (saw) said: «الْمُسْلِمُ أَخُو الْمُسْلِمِ، لَا يَظْلِمُهُ وَلَا يُسْلِمُهُ» **“The Muslim is the brother of the Muslim, he neither wrongs him nor betrays him.”** Narrated by Al-Bukhari, and according to Al-Tirmidhi with an authentic chain of narrators: «الْمُسْلِمُ أَخُو الْمُسْلِمِ، لَا يَخُونُهُ وَلَا يَكْذِبُهُ وَلَا يَخْذُلُهُ» **“A Muslim is a Muslim's brother, he does not betray him, he does not lie to him, he does not let him down.”** Isn't what you have done of letting down the people of Ash-Sham?!

We do not know how yourselves have chosen to put your hands in the hands of the criminal Bashar, who continues to shed the blood of the people of Ash-Sham, is this what your Islam obligates you to do?!

Dear brothers: The enemies of Islam are working to reintegrate this tyrant in the region in implementation of their criminal policies against Muslims, and you are participating in this crime, and even appeared as if you supported him in his crimes, so how will you meet your Lord with this?!

O our brothers: What is appropriate for the movement striving in the way of Allah is to be a supporter of Allah, His Messenger and the Muslims, and to disavow the enemies of Allah and His Messenger (saw), and what befits the movement striving in the cause of Allah is to be angry for Allah when His sanctities are violated, and the tyrant Bashar did not leave the sanctity of Allah that he didn't violate, so why do you not become angry for Allah Almighty?!

O our brothers: Your killing is that you mortgaged yourselves to the puppet rulers, so your political decisions became linked to Qatar and Iran, which deceive you with the dirty political money with which they and their masters buy your attitudes. Therefore, you cannot express Islam in an
