

Press Release

Enough is Enough, the Situation is Beyond Unbearable What, After the Tents' Massacre, Will Move the Ummah and its Armies?!

(Translated)

On Monday, 27/5/2024, the Ministry of Health in Gaza announced that the death toll from the massacre committed by the occupation forces against the displaced in a camp in the city of Rafah had risen to 45, including 23 women, children and the elderly, and the injured to 249. Circulated videos showed the charred bodies, severed heads from bodies, burn injuries, and amputations. The massacre, which was described as the "tent's fire," occurred in an area that the occupation army had classified as a "safe area". Occupation aircraft bombed displaced people in a newly established displacement camp near the warehouses of the United Nations Relief and Works Agency for Palestine Refugees (UNRWA) north of West Rafah.

A new, horrific massacre committed by the Jewish entity in its war of extermination in Gaza over the course of eight months, in full view of the world, in video and audio, without anyone lifting a finger! A new brutal massacre, most of whose victims were women and children, who were "strategic targets" of Jewish attacks over the past eight months. A new brutal massacre in an area that the Jewish entity declared safe, but there is no safe place and no red lines for this criminal entity.

O Ummah of Islam: The blood and charred remains of children, women and the elderly will challenge you before Allah (swt) if you do not move to save what remains of Rafah and Gaza. Did our noble Messenger (saw) not describe us as: «الْجَسَدُ إِذَا اشْتَكَى مِنْهُ عُضْوٌ تَدَاعَىٰ لَهُ سَائِرُ الْجَسَدِ بِالسَّهَرِ وَالْحُمَىٰ» "...just like one body. When one of the limbs suffers, the whole body responds to it with wakefulness and fever".

So why do you leave your brothers alone to be singled out by this criminal enemy?! How long will you remain silent regarding the criminal agent regimes that protect the Jewish entity and prevent any movement against it?!

O Sincere Ones in the Muslim Armies, we specifically call out to the soldiers of Egypt (Al-Kinana), near whom this massacre took place, under the hearing and sight of their soldiers who guard the artificial borders created by the colonialists. Those borders and divisions that prevent them from supporting their brothers as they hear the calls and pleas of women and children for help morning and evening. **O soldiers and officers:** enough is enough, the situation is beyond unbearable. If these horrific scenes do not move you, then when will you move?! We warn you, if you do not take action to support your brothers in Gaza, then be aware of Allah's wrath and punishment and His abandonment to you in a place where you will be waiting for His support. The Messenger of Allah (saw) said: «مَا مِنْ أَمْرٍ يَخْذُلُ أَمْرًا مُّسْلِمًا فِي مَوْضِعٍ تُنْتَهَكُ فِيهِ حُرْمَتُهُ وَيُنْتَقَصُ فِيهِ مِنْ عَرْضِهِ، إِلَّا خَلَّلَهُ اللَّهُ فِي مَوْطِنٍ يُحِبُّ فِيهِ نُصْرَتَهُ» "No (Muslim) man will desert a man who is a Muslim in a place where his respect may be violated and his honour aspersed without Allah deserting him in a place where he wishes his help; and no (Muslim) man who will help a Muslim in a place where his honour may be aspersed and his respect violated without Allah helping him in a place where he wishes his help".

So, prepare yourselves for the day when you will stand before Allah (swt), and your adversary is a child from Gaza or one of its free women, saying: O Lord, these people have failed me while they are able to support me!

The events in Gaza have shown the fragility and cowardice of this entity, and that had it not been for the rope (support) of people extended to it from the heads of criminality, America, Europe, and their agents among the rulers, it would not have been able to stand after the rope of Allah was cut off from them. So, repeat the path of the first conquerors and stand up to support your oppressed brothers and sisters in Gaza and all of Palestine.

﴿وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ * بَنَصْرِ اللَّهِ يَنْصُرُ مَنْ يَشَاءُ وَهُوَ الْعَزِيزُ الرَّحِيمُ﴾

"And that day the believers will rejoice in the victory of Allāh. He gives victory to whom He wills, and He is the Exalted in Might, the Merciful" [Ar-Rum: 4-5]
