Press Release

The Rulers of the Muslims Continue to Confirm Their Betrayal of Gaza!

(Translated)

The Jewish entity continues its attacks on people and on the tents of the displaced, while maintaining its siege of the Gaza Strip. Just as all of this is expected from the Jewish entity, it is equally expected from the rulers of the Muslims, for they are all enemies of Allah, His Messenger, and the Muslims. Among the latest news reported to us is that representatives of 18 harmful states issued a statement denouncing and condemning the Jewish entity's attacks on the people of Palestine and the tents of the displaced in the Gaza Strip, as well as its raid on the Nasser Medical Complex in Khan Younis, which resulted in casualties among patients and medical staff. They called on the Jewish entity to implement a ceasefire.

These 18 states are: Qatar, Jordan, the UAE, Indonesia, Pakistan, Türkiye, Algeria, Djibouti, Saudi Arabia, Sudan, Somalia, Oman, the Palestinian Authority, Kuwait, Lebanon, Libya, Egypt, and Mauritania.

What is most deeply regrettable is the condition of the Muslims since the colonialist disbelievers destroyed their Khilafah (Caliphate), divided their lands into dozens of entities, and installed an agent ruler over each entity, one who follows their orders and carries out their plans. We see these rulers rushing to implement their conspiracies. For three years, the Jewish entity has been destroying and killing, committing genocide and war crimes in Gaza, while these rulers have not lifted a finger. The best among them in conduct is the one who condemns these actions timidly, without repelling an enemy or preventing aggression. Indeed, some of them collude with the Jewish entity and provide it with money, weapons, and food that help it commit its crimes...

The Ummah must realise that there is no salvation from its present condition except by removing these agent rulers and establishing the Khilafah Rashidah (Rightly Guided Caliphate) on the method of the Prophethood, and implementing the law of its Lord. Otherwise, its enemies will continue to control it through these rulers for as long as it remains silent about them.

Here is Hizb ut Tahrir calling upon you, O Muslims, to work alongside it. It also calls upon those among you who possess strength and power to give it the support necessary to establish the Khilafah Rashidah, which will crush the Jewish entity and reduce it to nothing, and put an end to anyone who might contemplate approaching your lands or harming any one of you.
