**The United Nations Celebrates its 70th Anniversary of its Founding which  
is Associated with Catastrophes and Tragedies throughout the World in  
General and the Islamic World in Particular**

(Translated)

While the armies are heading with their destructive military ordnance from all over the world to Muslims countries to destroy the people and their countries; whether in Iraq, Syria, Libya or Yemen, with the blessing and support of this malicious organization that is founded by the West, only to be a thorn in the eyes of all those who long for emancipation from the oppression and greed of the capitalist states controlling peoples' lives and sustenance. While these tragedies occur in the world, the United Nations celebrates what it deems great, but Muslims deem it painful that necessitate from them reflection and meditation on the situation that the Islamic country arrived at under which; namely the 70<sup>th</sup> anniversary of the UN's founding.

The League of Nations was created to be a substitute for the Islamic system, which the Islamic State made it an international tradition over the world and consistently prevailed until the birth of this deformity. The League of Nations was founded after the Paris Peace Conference in 1919, and moved to destroy, occupy and fragment the Ottoman Khilafah State. That League of Nations advanced the current United Nations organization which was established on its ruins in 1945. And although it announced that its main goals are to prevent wars, ensure common security between states, limit the spread of weapons and the settlement of international disputes through negotiations and international arbitration, as stated in its Charter, however, what ensued is completely contrary to that. History has not known more severe wars and conflicts than those which arose under its shadow; rather, it was the stove for them through the control of the criminal colonial countries in the world over it, especially Britain and France and then the United States of America. Under which, the conflict arose between these countries on the wealth of the Muslim world, and the wealth has been shared based on "title deeds" awarded by this international organization to those greedy states under the name of mandate or protection or guardianship or other labels which their exterior containing mercy, but their interior contains severe torment.

And in order for this malicious organization to increase corruption in the world, Austria insisted, through its Foreign Minister, Sebastian Kurz, who crawls on the ladder of international politics, in agreement with the Secretary General Ban Ki-moon on the participation of the homosexual singer, Conchita Wurst, who remarkably receives considerable support of the political and economic class in Europe, despite the disgust of the European community of this disturbing appearance, appalling to customs and traditions (reactions and violent criticism against the homosexual singer on social network sites in Europe). Indeed, the celebration led by the Secretary-General at the

United Nations headquarters in the Austrian capital Vienna from 18 through 20th April 2015 was centered on the subject of homosexuality. The announcement of Ban Ki-moon did not come as a surprise during which he stated that starting from now, homosexuality would be a "natural right for all United Nations employees". And despite the Islamic world that falls forcibly under the umbrella of this organization by way of its Ruwaibidah, the rulers of the Islamic countries, despite constituting about two billion Muslims and more than 60 countries out of 193 Member States, Ban Ki-moon and the Austrian Minister (head of the celebration) did not give any attention to the feelings of Muslims nor to their religion in their disgraceful announcement this.

**O Muslims**, your Ummah is one nation to the exclusion of other people, as He (swt) says: ﴿إِنَّ هَذِهِ أُمَّتُكُمْ أُمَّةً وَاحِدَةً﴾ **“Indeed this, your Ummah, is one Ummah”** [Al-Anbiya: 92].

It is not permissible for you to accept the division that this organization sustains in order to maintain your Ummah as statelets and fragments that are worthless and with no weight. And neither you or your rulers are allowed to have loyalty to it instead of Allah, the Almighty said: ﴿وَأَنَا رَبُّكُمْ فَاعْبُدُون﴾ **“And I am your Lord, so worship Me.”** [Al-Anbiya: 92]. And here is this malicious organization, did not lift a finger against the killings of Muslims from Palestine to Burma, to Chechnya, to Afghanistan, to what is happening now in Iraq, Syria and Yemen, and the list goes on. It is truly a great opportunity to declare our withdrawal from this organization on this occasion to expose the conspiracy and enmity to Allah, His Prophet and the Muslims, ﴿فَهَلْ مِنْ مُدَكِّرٍ﴾ **“So is there any who will remember?”** [Al-Qamar: 15]

Only the forthcoming Khilafah State on the method of the Prophethood, with the permission of Allah, will reform the world, provide security and safety and will safeguard the blood, wealth and honor. And it will return the rights to its people and punish the offenders on their crime. Yes, it is only the Khilafah alone; because it rules by a Divine Law from the Creator, full of goodness and justice; not by the law set by the killers of the Native American Indians, the pirates of England and the wars criminals in France. Allah, The Powerful, The Compeller has told the truth:

﴿الْيَوْمَ أَكْمَلْتُ لَكُمْ دِينَكُمْ وَأَتْمَمْتُ عَلَيْكُمْ نِعْمَتِي وَرَضِيْتُ لَكُمُ الْإِسْلَامَ دِينًا﴾

**“This day I have perfected for you your religion and completed My favor upon you and have approved for you Islam as religion.”** [Al-Ma’ida: 3]
