﴿يُرِيدُونَ لِيُطْفِئُوا نُورَ اللَّهِ بِأَفْوَاهِهِمْ وَاللَّهُ مُتِمُّ نُورِهِ وَلَوْ كَرِهَ الْكَافِرُونَ﴾

“They want to extinguish the light of Allah with their mouths, but Allah refuses except to perfect His light, although the disbelievers dislike it.”

(Translated)

At the conclusion of the 32nd meeting of the Regional Counter-Terrorism Committee of the Shanghai Cooperation Organization (SCO), held on Thursday, April 5, 2018 in Tashkent, General Sergey Smirnov, First Deputy Chairman of the Russian Federal Security Service said: "From our point of view, the Islamic Hizb ut Tahrir is dangerous because of its actions and doctrine, therefore, it was declared a terrorist organization, and that is why it was highlighted in particular". He pointed out that during the meeting a decision had been taken to develop a mechanism of action to fight the Islamic Hizb ut Tahrir Party. The General said that all Member States would work with this mechanism.

It is no surprise that this general recognizes the failure of the Russian Stalinist regime to suppress the growing call of Islam, which permeates the hearts of the believers in Russia who seek to carry the message of goodness (Al-Khair) to the world, and even hundreds and thousands of Russians who were in the darkness of Kufr enter the Deen of Allah.

It is ironic that this military general is flexing his muscles, heavily armed with machines of murder, intimidation and terrorism, in a desperate attempt by the Russian regime to cover the sun of the truth of the Islamic doctrine which is based on the Divine Truth.

The world has witnessed in the past the creation of large military alliances; the Warsaw Pact against NATO. But when General Smirnov declares that Hizb ut Tahrir's doctrine makes it dangerous, this is a recognition that he and his peers in the Stalinist regime do not have the correct doctrine about life, the universe and man, despite their transition from the darkness of communism to the depravity of capitalism, for both doctrines are based on falsehood that is weaker than the spider house. If they had an atom of reason and thought, they would have accepted to face the argument with an argument, but they are like those who preceded them from the tyrants of the past ages; their argument is nothing but murder, oppression and persecution. Allah bless this True Islamic doctrine, which these people call upon to deceive and conspire against its sons who are the righteous sons of Islam.

If we know that this alleged organization contains more than 60% of the world's population, we have the right to wonder: Is the Islamic doctrine really a danger that requires the mobilization of all the energies of these countries? Well as a matter of fact we do know that Hizb ut Tahrir has no military armies, aircraft carriers or military budgets of hundreds or tens of billions of dollars. Then why are these people calling on the public against the Hizb and its righteous sons whose only weapon is their belief in the Almighty the Lord of the universe and their determination to ransom their religion at the price of their blood and lives?

But what is worse and more bitter is that those who claim to be Muslim rulers (from Kyrgyzstan to Kazakhstan to Pakistan who joined the organization in June 2017) are quick to assert their eagerness to "fight terrorism"!!

Unfortunate are these dwarfs who do not draw lessons from the fate of those who preceded them from the tyrants of the past centuries. ﴿أَفَلَمْ يَسِيرُوا فِي الْأَرْضِ فَيَنْظُرُوا كَيْفَ كَانَ عَاقِبَةُ الَّذِينَ مِنْ قَبْلِهِمْ كَانُوا أَكْثَرَ مِنْهُمْ وَأَشَدَّ قُوَّةً وَأَثَارًا فِي الْأَرْضِ فَمَا أُغْنَىٰ عَنْهُمْ مَا كَانُوا يَكْسِبُونَ﴾ **"Have they not traveled through the land and observed how was the end of those before them? They were more numerous than themselves and greater in strength and in impression on the land, but they were not availed by what they used to earn."** [Ghafir: 82].

So, O the Muslim Ummah!

Rejoice goodness, that you see the chiefs of disbelief [Kufr] recognize that they have no power against your true Aqeedah, which the heavens and the earth are based upon. So, come to work with the Shabab of Hizb ut Tahrir who work to support this Deen and to establish the Khilafah Rashidah State (righteous Caliphate) on the method of the Prophethood, to radiate the sun of Islam on humanity whose night has prolonged, and its new dawn has approached, with Allah's permission, under the justice and mercy of Islam.

﴿وَاللَّهُ غَالِبٌ عَلَىٰ أَمْرِهِ وَلَكِنَّ أَكْثَرَ النَّاسِ لَا يَعْلَمُونَ﴾

"And Allah is predominant over His affair, but most of the people do not know." [Yusuf: 21]
