

Press Release

**To the Sincere in the Army of Kinanah:
Purify Your Land and Cleanse the Shame of this Regime by
Uprooting it and Establishing the Khilafah**

(Translated)

O People of Kinanah, O best soldiers of Allah! You have no excuse left with this regime after the Egyptian President's statements, all of which are acts of betrayal, regarding the displacement of the people of Gaza and urging the Jewish entity to displace them to the Negev Desert (an-Naqb), and dedicating themselves to liquidating the resistance instead of relocating them to Sinai, to prevent Sinai from becoming a launching point for attacks on the deceitful entity! During the press conference held today on 18/10/2023 with the German Chancellor, the Egyptian President (as expected) showed his eagerness to the Jews and their security and presence, advising them on how to resolve the issue of Palestine according to the vision of America and its project, announcing his rejection of the displacement of the people of Gaza to Sinai, advising to relocate them to the Negev, as if he and those like him have the choice of acceptance or rejection, while they are puppets in the hands of the West, which moves and directs them as it pleases!

The Egyptian regime did not stop at its disgraceful betrayal of the people of Gaza and their bloodshed unless he actively participated in besieging them and killing them in cold blood if not supporting their killers. His statements reveal, along with those involved in these events, which are a war on the Ummah, its Deen, its sanctities, and its creed.

O Soldiers of Kinanah, O best soldiers of the Earth: The regime has excused itself with its ugly face, so you have no excuse after this, and you have nothing left but to uproot it from its roots to cleanse yourselves from its filth, and seek Allah's forgiveness for its actions, its complacency, its betrayal of Muslims, and its conspiracy against them. The shame of this regime and its head falls on you, as you have severed all doubts about its betrayal and collaboration. It is incumbent upon you to wash away your shame by uprooting this regime that supports your enemy and the enemy of your Deen and your Ummah. It is drowning in treachery up to its neck. So remove it from yourselves and uproot it from its roots. Know that your silence on this regime and your support for its rule after this day is an unforgivable crime that the people of Kinanah and the Ummah will not forget. Rush to align with your Ummah, support the weak within it, liberate its land and sanctities, support its causes, and

extend your hands to your brothers and sisters in Hizb ut Tahrir, supporting them in establishing the Islamic State that pushes you to liberate all of Palestine and support the oppressed, and enables you to fulfill what you are capable of, to truly become the best soldiers of the Earth and a shield for this Ummah to protect it from the aggression of its enemies and make them taste their own aggression.

O Officers and Soldiers in the Army of Kinanah: The Ummah that witnessed the betrayal of the regime and its head looks to you, waiting for your assistance, support, and victory. It seeks among you someone who will revive the legacy of Salah al-Din and become indignant for our imprisoned Al-Aqsa, for the violation of the sanctities of Muslims, and the shedding of their blood. Who among you will mobilize his army to support them and liberate Al-Aqsa once again? The Ummah are looking for the victorious conqueror among you, like Al-Muzaffar Qutuz, who stands up to the Tatars of this era, halts the shedding of the Ummah's blood, and repels every aggressor against its sanctities. Who among you will revive the legacy of your great ancestors and support the Ummah and its Deen once again? "Who among you stands among his peers as Qutuz did, reminding them of the days of Allah, His blessings upon them, and the necessity of supporting their Deen and sanctities, saying to them: 'Who is there for Islam if not us?' Besides you, O soldiers of Kinanah, who else is there for Islam? All the forces of misguidance and disbelief (kufr) have converged on our Ummah, seeking to eradicate our identity. So where are you in all of this, and who are you? You are the shield of the Ummah, its protectors, and the best of its soldiers, and by this, you deserve goodness. So show Allah what He loves and is pleased with, sincere support that overturns all the conspiracies of the West and this puppet regime over their heads, and restore to Islam its state that applies it, and protects you and its people, its sanctities, and its honor, under the banner of the Khilafah Rashidah upon the method of the Prophethood" under the banner of the Khilafah Rashidah (rightly guided Caliphate), upon the method of the Prophethood.

﴿قَاتِلُوهُمْ يُعَذِّبُهُمُ اللَّهُ بِأَيْدِيكُمْ وَيُخْزِهِمْ وَيَنْصُرْكُمْ عَلَيْهِمْ وَيَشْفِ صُدُورَ قَوْمٍ مُّؤْمِنِينَ﴾

“Fight them; Allah will punish them by your hands and will disgrace them and give you victory over them and satisfy the breasts of a believing people”
