O Rulers of Egypt! How Allah is Patient with you, yet How Audacious you are towards Him: You Ruin People's Dunya and They Ruin your Hereafter

(Translated)

According to Al-Youm As-Sabi' Newspaper (Youm7): during his meeting with US President Donald Trump before the press conference on Monday, 3/4/2017, President Abdel Fattah el-Sisi said that Egypt will stand by the United States in the fight against 'terrorism' and he will strongly support all efforts to find a solution to the issue of the century. Donald Trump replied by saying, "We will do that together. We will fight terrorism and other things, and we're going to be friends for a long, long period of time... And we have some interesting conversations going to start effective immediately." Trump explained, "We are very much behind Egypt and the people of Egypt... And I just want to say to you, Mr. President, that you have a great friend and ally in the United States and in me."

The Egyptian president presents himself to America not only as an obedient servant in its war on Islam, but as a spearhead in this war, by killing and spilling the blood of the people of the Kenanah (Egypt) and presents it as an offering to his masters in the White House, so that he gains acceptance and satisfaction and to be given other roles to accomplish his corruption in the land and corruption of his Hereafter, himself and those who follow his steps. He openly declares this and adopts the view of the enemies of the Ummah in describing Islam as 'terrorism' and how they struggle with it and their efforts to uproot its creed (of Islam) from the hearts of the Muslims in general and the people of Egypt in particular and to subject it and its army to be at spears against Islam and its people after they were a shield for Islam protect it and its state.

O people of the Kenanah! Your Deen, which the West calls 'terrorism' is your way of life, which contains all solutions for your problems created by the West by separating you from Islam, the source of your strength and the path of your dignity. Your enemy has realized the value of Islam in your hearts and how it has taken over your hearts and that in it you hope to find your salvation. After your spontaneous revolution, the enemy realized that its work for centuries can be wiped out in years and even months. If you find an outlet in which you learn from your Deen, which is what it worked to hide from you, and the fact of its practical side that should be the basis of your lifestyle and way of life, and it worked hard to prevent you from knowing your Deen and your rights that Islam guaranteed to you, which will destroy its influence and stop its looting of your wealth and your bounties and repel the enemy back to its homeland behind the seas, it will have one standing. The enemy sought to prevent you from understanding Islam and to make you ignorant of its rules and laws, trying to limit you in a new kind of Islam that did not descend upon our Prophet (saw), one that will accept the West and be accepted by the West.

And allowing the Islamists to come to power in Egypt and then the coup against it, although they did not rule by Islam and were and still are seeking its pleasure! But to show you that this is your Islam, it has ruled and failed, so do not expect to get anything from it. And with the power of iron, fire, murder, burning, and crushing, it sought to repair the wall of

fear, which was broken by the revolution until it almost collapsed, all this was done by the West to separate you from your Deen, which appeared clearly as your influence, when you tasted a bit of freedom without fear or repression.

O People of the Kenanah! It is a disgrace to you and your army, which constitutes your sons, to have a leader over you and them (army) who declares war on Allah and His Messenger and seeks to corrupt your Deen and your Dunya, and he has spilled your blood, and now he is taking this blood towards his Kaa'ba in the White House, telling his masters there I am the man of the hour, I will fight Islam for you by proxy as long as I remain on the throne of Egypt and as long as I enjoy your satisfaction and acceptance. He tells them he is their tool, which will impose their authority and spread their influence at the expense of the blood of Muslims, which he will provide as a fuel in their conflicts and as sacrifices to get their satisfaction and that he will work to make secularism their Deen and creed of their soldiers and that he will uproot Islam from their souls.

O people of the Kenanah, army and people! Is there not a wise man among you, who will uproot this creature that sits on your necks and saves the Kenanah and the Ummah from him and from his evil and the evil behind him?! Is there not a man among you who becomes angry and enraged for the sake of Allah and determines to uproot capitalism that made Kenana taste the bitterness, and hand it (Kenana) over to the sincere members of Hizb ut Tahrir to resume the Islamic life by establishing the Khilafah there on the method of Prophethood that will lay the foundations of missing truth and justice and end the hegemony and looting of the West to the wealth and bounties and resources of the Ummah.

O People of the Kenanah! The regime and its head know that under the ashes there is fire, and that Egypt is on the brink of a massive revolution will leave nothing behind, so he has prepared if need be to burn Kenanah if necessary so that it does not break free from dependency, and this revolution will not bear fruit except if it carries the project of the Ummah emanating from its creed; the Khilafah on the method of the Prophethood which Hizb ut Tahrir carries. You only have two options left; either to embrace what Hizb ut Tahrir carries to you or you stay under this subservient regime that humiliate your dignity and plunder your rights and your wealth, and no matter how many times you revolt against it without this clear project, then the fate of your revolution and its fruits will fall in his hands. So adopt this project, which represents you and matches your nature and stems from your own creed, as there is no salvation for you without it, whatever you do and however much you carry from the projects that are given to you by the West to distract you away from it, and you will recall what we have told you; we surrender our matter to Allah.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ﴾

“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life. And know that Allah intervenes between a man and his heart and that to Him you will be gathered” [Al-Anfal: 24].
