

Press Release

SAVE ALEPPO FROM THE BARBARITY OF BASHAR REGIME AND RUSSIA

Now, we are witnessing the destruction of Aleppo, Syria, and the horrible massacre of its citizens, committed by the military regime of Bashar Assad and Russia, his bloodthirsty ally. Tens of thousands of Muslims - men, women, and children – are in danger of death. Syrian Observatory for Human Rights said more than 50,000 people out of a quarter of a million citizens has been displaced by the attacks on the Eastern region of Aleppo which was controlled by the fighters. However, the helpless residents are facing vicious attacks by the Assad regime and his allies by using heavy weapons and bombs and other sophisticated weapons ever developed by humans.

The residents of East Aleppo have reported the use of cluster bomb munitions - bombs which contain hundreds of bomblets that exploded and burned over a large area, so they burned the whole neighborhood. Aid groups estimated there were only 35 doctors remaining in East Aleppo - one for every 7,143 persons, assuming that the population amounted to 250,000 persons. If no urgent and important actions are taken, according to France's UN ambassador, Francois Delattre, Aleppo will become "one of the biggest massacre fields against civilians since World War II".

In this regard, today **Hizb ut Tahrir / Indonesia held a protest in front of Russian Embassy in Jakarta:**

Condemns the harsh actions of Bashar Assad regime and his ally, the Putin regime, who mercilessly continue massacring his own people, especially those in Halab or Aleppo, in various ways.

Condemns the stand of the rulers in Muslim countries who do not take immediate actions to see Muslims of Aleppo being killed indiscriminately by the evil regime. The rulers of the Muslim countries seem willing to see the spilled blood of Muslim in the land of Syria, Aleppo in particular. They just watched people being killed, innocent children being robbed and women being raped and burying their family members. Why do the rulers of Muslim lands bordering Syria such as Jordan, Saudi Arabia and Turkey remain silent? Similarly, where is the ruler of Indonesian army, the largest Muslim country in the world?

﴿وَلَا تَحْسَبَنَّ اللَّهَ غَافِلًا عَمَّا يَعْمَلُ الظَّالِمُونَ إِنَّمَا يُؤَخِّرُهُمْ لِيَوْمٍ تَشْخَصُ فِيهِ الْأَبْصَارُ﴾

“And never think that Allah is unaware of what the wrongdoers do. He only delays them for a Day when eyes will stare.” [QS Ibrahim: 42]

Calls upon the Muslims, in this country in particular, to provide any power to help the Muslims in Aleppo, Syria. What is happening there proves that it is the high time for the Muslims around the world to welcome the establishment of Khilafah Rashidah (Caliphate) on the path of Prophethood that will truthfully unite the Muslims, and with the power will liberate the Muslim countries and protect its citizens, including those in Syria from the ruthless ruler. It is the Khilafah that will apply sharia law thoroughly so that Islam *rahmatan lil Alamin* will come true in real life. Therefore, the Muslims should continue fighting shoulder to shoulder for the reestablishment of the Khilafah.

Hasbunallah wa ni'mal wakil, ni'mal maula wa ni'man nashir
