A Systematic Demographic Change that will be Implemented in Iraq under Government Complicity and Deliberate Silence

(Translated)

In full view from the Al-Abadi Government supervising all projects that will tear Iraq apart and the collaboration in the discrimination procedures between the people of Iraq on the basis of abhorrent sectarianism. The Babil Governorate Council/ South of Baghdad issued a resolution criminalizing everyone that calls for the return of the displaced from the Jurfi Al-Sakharr area belonging to the governorate to their home despite freeing them from the chokehold of ISIS since 2014, whether it was a political or partisanship bloc and prosecuting it – according to head of the legal committee in the Ahlam Rashid Council– declaring that the voting happened with most of the members present and that the decision was taken because of the rising number of attacks which lasted long before the security forces and elements of the Hashd al-Shaabi, in the area could cope with them during the last period.

This unjust resolution counts as a fault from a government that was imposed on the Iraqi people by the Kafir US so as to please the unbelievers in general and the Jewish entity specifically! Since its occupation in 2003 and the release of the sectarian militias invited from Iran, similar procedures are systematically under way in many areas: Kirkuk, Diyala, Samarra, Salah Aldeen, Mosul, Anbar, Basra and what is known as the Belt of Baghdad. By following hostile policies like kidnappings, killings, forced displacement, bombings of mosques, dredging of heavy orchards so its people need to leave their homes and replacing them with other people. As a matter of fact the investigated area of Jurfi Al-Sakhar has around 50 thousand inhabitants most of whom are from the Al-Janabiyina clan on an area of orchards and fields over 50 square kilometres.

With regards to the provincial council whose members insisted on that unjust resolution, it is controlled by a majority who belong to a coalition named State of Law led by Al-Maliki who handed over a third of Iraq's lands for establishing a state without struggle and reaching the project of dividing Iraq and drowning it in debts and administrative corruption which has flooded in his time for the past 8 years.

This is the condition of the imprisoned Iraq who is captured in worse to worst in the hands of those: ﴿الَّذِينَ يَتَّخِذُونَ الْكَافِرِينَ أَوْلِيَاءَ مِن دُونِ الْمُؤْمِنِينَ﴾ **“Those who ally themselves with the disbelievers instead of the believers”** [Al-Nisaa: 139], until Allah (swt) permits His glorious victory so the Muslim Ummah might be alive and in security in the shade of the Khilafah Rashidah (righteous Caliphate) on the method of the Prophethood, which will heighten Muslims and Islam, verily that is possible with the mercy of Allah Al-Azeez.
