

## Greetings on the Occasion of the Holy Month of Ramadan

(Translated)

The holy month of Ramadan approaches us this year while our Ummah is in the worst conditions, after the Muslim lands were unified under the rule of one leader, being the Khaleefah, taking care of its affairs in accordance with the provisions of Islamic law, and the brotherhood in religion in people's souls was the strongest regardless of their different races, colors and languages, their motto in life being: ﴿إِنَّمَا الْمُؤْمِنُونَ إِخْوَةٌ﴾ **“The Believers are but one brotherhood”**, with no borders or dams separating them. After all of this, the Muslim lands have become torn into many parts, with no borders or dams separating them. After all of this, the Muslim lands have all become torn to many parts, racked by intellectual, party and political disputes due to the conspiracies of the enemies of Islam who exceeded with dividing the sons of the Ummah, so they appointed a ruler for every part who is their follower, carrying their ideas and adopting their Kufri ideology of separating religion from life, ruling by their laws. Therefore, their disputes intensified, and wars raged between them based on corrupt ideas invented by the disbelievers such as sectarianism, and oppressed minorities, thus every shred of those shreds became a project to more division, and the conflict became between provinces to demarcate borders within the same country! Killing and fighting turned to identity, not to throw out the aggressors.

This situation has imposed room for the intervention of the Kaffir occupier serving between Muslims (to reform) amongst them, and open the doors of military factories for the agent Muslim rulers to spend the lands wealth and the future of their people on rusted weapons, not to kill the Jews, but for the brother to kill his brother under the false deceptive name they called "terrorism" as is happening in our country Iraq and in Syria, Yemen, Libya, Pakistan and elsewhere. The Muslims have fallen into what was forbidden by the Messenger of Allah (saw), ﴿لَا تَرْجِعُوا بَعْدِي كُفْرًا﴾، **“Do not return to being Kaffir after me by some of you striking the necks of other Muslims (fighting).”** We ask Allah (swt) to aid the sincere workers on the project of the Righteous Khilafah on the method of the Prophet to save Muslims from what they are suffering of humiliation and dependency because of their weakness and destruction.

In conclusion, we congratulate the Muslim world for the holy month of Ramadan: the blessed month of Ramadan, the month of obedience and forgiveness and recitation of the Qur'an, the month of great victories in the honourable battles: the great battle of Badr, the conquest of Makka, Al-Andalus, Ayn Jalut and others, the day the Muslims had a Khaleefah who really and truly lead the armies himself. May Allah (swt) make the start of the holy month a beginning of all goodness, and an end to all evil of subordination to the Kuffar and the dominance of America, after it comes Britain, France, and Russia, so the Mujahid Muslims expel them, and cleanse the land from their filth and futility, then we shall be dignified with a decent life, as Allah (swt) wanted, and this is not beyond for Allah (swt):

﴿مَنْ عَمِلَ صَالِحًا مِّن ذَكَرٍ أَوْ أَنثَىٰ وَهُوَ مُؤْمِنٌ فَلَنُحْيِيَنَّهٗ حَيَاةً طَيِّبَةً وَلَنَجْزِيَنَّهُمْ أَجْرَهُمْ بِأَحْسَنِ مَا كَانُوا يَعْمَلُونَ﴾

**“Whoever works righteousness, man or woman, and has Faith, verily, to him will We give a new Life, a life that is good and pure and We will bestow on such their reward according to the best of their actions.”** [TMQ Al-Nahl: 97]
