The Victory of the Mujahideen in Al-Maghazi Operation and the Killing of Dozens of Occupation Soldiers is a Painful Blow to the Lowly Jewish Entity and a Slap in the Faces of the Rulers of Weakness and Dependency

(Translated)

The army of the Jewish entity admitted that 24 of its soldiers were killed, and perhaps more, in a single operation carried out by the Mujahideen in Gaza near the Maghazi camp after they blew up a tank and destroyed buildings that it had booby-trapped, in which the Jewish occupation soldiers were buried under the rubble. Jewish leaders described it as a disaster and a difficult day with the greatest losses since the start of the war, but it was, thanks to Allah, a day of victory in steadfastness and jihad. ﴿قَاتِلُوهُمْ يُعَذِّبُهُمُ اللَّهُ بِأَيْدِيكُمْ وَيُخْزِهِمْ وَيَنْصَرِّكُمْ عَلَيْهِمْ وَيَسْتَفِ صُدُورَ قَوْمٍ مُّؤْمِنِينَ﴾ **“So fight them and Allah will punish them at your hands, put them to shame, help you overcome them, and soothe the hearts of the believers”** [At-Tawbah 9:14].

After 109 days have passed since the Gaza War, in which the number of martyrs and wounded continues to rise and all necessities of life are destroyed, the Mujahideen forces are still fighting with all courage, defeating the enemy on all fronts, and managing to inflict a heavy blow on the Jews with killing and destruction, making them secure in the land of Gaza.

In light of this bold operation, Allah’s victory for the mujahideen, and the steadfastness of its patient people, we affirm the following:

1- At a time when the ruling regimes in the Arab and Muslim countries are making every effort with the organizations of the international community that are reluctant to bring about a ceasefire, in order to prevent their embarrassment, if they are ashamed, and to lift the pressures that increase with every day that the war on their entities lasts, this strike is like a slap in their face and eliminates doubts about their failure to support the people of Palestine and Gaza.

2- There is no doubt that the Jewish army and their entity are the most cowardly creatures of Allah, ﴿صُرِّبَتْ عَلَيْهِمُ الذَّلَّةُ أَيَّنَمَا تَقِفُوا إِلَّا بِحَبْلٍ مِنَ اللَّهِ وَحَبْلٍ مِنَ النَّاسِ وَبِأَعْوَابِ غَضَبٍ مِنَ اللَّهِ وَصُرِّبَتْ عَلَيْهِمُ الْمَسْكَنَةُ﴾ **“They will be stricken with disgrace wherever they go, unless they are protected by a covenant with Allah or a treaty with the people. They have invited the displeasure of Allah and have been branded with misery”** [Aali Imran 3:112]. The Ummah witnessed this cowardice, where the idea of the rulers intimidating the people of the Ummah with the power of this imaginary army, to justify their failure to reach a military solution and fight the Jews, collapsed irrevocably.

3- It is an opportunity for the people of power and the armies of the Ummah, who are seeing the individual victories of the mujahideen despite their limited numbers and equipment, to review themselves and support their Muslim brothers from the people of Gaza, so that none of them later regret wasting this opportunity, as what happened in the fake wars that they did not witness with the Jewish entity.

4- Despite the destruction and martyrs, the Ummah does not want a ceasefire, but rather want to fight the Jews to liberate all of Palestine from the sea to the river, backed by their sons from the Muslim armies to overthrow those who stand in their way towards victory, at a time

when the Jewish entity announces that the battles will continue for several months and it does not want a ceasefire, so what are the Ummah's armies waiting for to take the initiative to teach the Jews a lesson that will make them forget the whispers of Satan and drive them away and those behind them?!

5- The heroism that the Ummah is witnessing, carried out by the Mujahideen with steadfastness, patience, and fighting skill, and with the help of Allah Almighty, has strengthened its self-confidence and its enormous capabilities, especially since it has not witnessed real fighting and jihad with its enemies for more than a century.

6- The efforts of the international community, the kaffir colonialist West, backed up by America and Europe, and the Ummah's Arab and non-Arab rulers, to pursue the so-called two-state solution, are nothing but a kind of fantasy, and disgusting, bare fanfare, strongly rejected by the arrogant Jewish entity first. Secondly, it has no practical reality, in addition to being a betrayal of Allah, His Messenger, and the people of Palestine.

7- The Aqeedah of the Islamic Ummah is still alive in its depths, and the Al-Aqsa Flood operation has translated it into practical application in the yearning for jihad and martyrdom. It has come to believe that whoever supports Allah, Allah will support him. ﴿كَمْ مِّن فِئَةٍ قَلِيلَةٍ غَلَبَتْ فِئَةً كَثِيرَةً بِإِذْنِ اللَّهِ﴾ **“How many times has a small force vanquished a mighty army by the Will of Allah!”** [Al-Baqarah 2:249]. And those who stand against it are its rulers, agents of colonialism, who have become exposed and whose lies, along with their followers, are corrupt insiders in their political circles of all stripes.

8- The borders between Muslim countries are the creation of the colonialist kuffar enemies of the Ummah, without exception, and they are what prevent victory for Muslims in Palestine, Gaza and Muslim countries, and they are what are maintained by the rulers of shame and subordination. If the Muslim armies gathered their looted equipment and wealth, they would have formed the largest force in the world that would be feared by all the enemies of Allah on earth.

9- The victory that the Lord of Glory wants for the Islamic Ummah is the supremacy of the Islamic religion. ﴿هُوَ الَّذِي أَرْسَلَ رَسُولَهُ بِالْهُدَىٰ وَدِينِ الْحَقِّ لِيُظْهِرَهُ عَلَى الدِّينِ كُلِّهِ وَلَوْ كَرِهَ الْمُشْرِكُونَ﴾ **“He is the One Who has sent His Messenger with ‘true’ guidance and the religion of truth, making it prevail over all others, even to the dismay of the polytheists.”** [At-Tawbah 9:33]. This victory, which will liberate the Ummah from the colonialists and their agents of the rulers, eliminate the Jewish entity from its roots, and expel America and Europe from Muslim countries, will not be achieved in practice except with the presence of the Khilafah Rashidah (rightly-guided Caliphate) and its reestablishment on the Method of the Prophethood, after its elimination from the world 103 years ago at the hands of the enemies themselves. It is the crucial issue through which Muslims win in all their battles, and even the mercy and justice that the world lost in the absence of the Caliphate and its political intellectual leadership will return.

It is enough for the Islamic Ummah to have been at the bottom of the nations for more than a hundred years, controlled by a group of Western agents, and to possess a divine doctrine from which emerges a system. When it was implemented, the Ummah was in glory and prosperity. None of its enemies would attack a single one of its subjects, and no great or small power would dare touch its side. The time had come for it to return to its goodness by implementing its Deen and spreading the message of Islam in a state like the one established by the Messenger of Allah (saw), in Medina.

﴿كُنْتُمْ خَيْرَ أُمَّةٍ أُخْرِجَتْ لِلنَّاسِ تَأْمُرُونَ بِالْمَعْرُوفِ وَتَنْهَوْنَ عَنِ الْمُنْكَرِ وَتُؤْمِنُونَ بِاللَّهِ﴾

“You are the best community ever raised for humanity—you encourage good, forbid evil, and believe in Allah.” [Aali Imran 3:110]
