## Trump's Plan Is a Barbaric Military Occupation That Urgently Requires Replacing the Rulers Who Agree to His Plan

(Translated)

Amid the two-year ongoing genocide war in Gaza, US President Donald Trump announced a detailed plan aimed at ending the war in the Gaza Strip and achieving a "lasting peace" in the Middle East. This plan was announced during a joint press conference held on Monday, 29/9/2025, with the outcast criminal Benjamin Netanyahu at the White House. He said, "Today we are working on a comprehensive solution to the Palestinian issue, not just in Gaza." Among the most prominent items in his plan is an initiative to "establish a new international oversight body for the Gaza Strip called the Peace Council." He added, "I will personally chair this council in Gaza, with the participation of Tony Blair." He emphasized that "our Arab and Muslim partners are ready to assume their responsibilities towards Gaza," and that "funding is essential to allow achievements in Gaza, and we will build a more secure future for all"

Yesterday, the foreign ministers of Qatar, Jordan, the UAE, Indonesia, Pakistan, Turkey, Saudi Arabia, and Egypt issued a joint statement welcoming Trump's sincere efforts to end the war in Gaza. They affirmed their readiness to cooperate positively and constructively with the United States and the relevant parties to finalize the agreement and ensure its implementation. They affirmed their confidence in his ability to find a path to peace, and in this context, they welcomed Trump's announcement of his proposal, which includes ending the war.

This Trump plan is just one of the colonial projects through which America seeks to establish a Jewish entity in the region and liquidate the Palestinian cause, as were all previous projects proposed by the colonial West to resolve the Palestinian issue. The difference being the expansion of the Jewish entity over the decades, and the ongoing aggression, killing, destruction and displacement of the people of Palestine. The betrayal of the rulers and the so-called two-state solution consecrate the recognition of the Jewish entity and the preservation of its security and stability. As for the international talk of a Palestinian state, which Netanyahu rejects, it has become little more than a distorted autonomy.

As for the Muslim rulers, particularly those Trump met with and praised for their cooperation in implementing his plan, they have become accustomed to humiliation and betrayal. They are the ones who let down the people of Gaza and refused to support them. They are the ones who took it upon themselves to identify with America

and the Jewish entity in subjugating the region and subjugating their countries, peoples, and armies in the service of the Ummah's most sworn enemies.

The King's meeting with the former prime ministers after his return from meeting with Trump was not intended to ward off the threat facing Jordan. It was not a meeting of consultations or transparency, but rather a directive to them to proceed with what he described as a largely unanimous agreement on the Trump plan. This reflects the Jordanian people's genuine rejection of America's capitulating solutions, expressed through street demonstrations and heroic operations.

An aware view at what the Islamic Ummah has faced in the nationalistic statelets created by the kaffir colonialist West from occupation, killing, displacement, plunder, humiliation, and above all, the exclusion of the rule of Islam and disobedience Allah (swt) is due to the absence of the Islamic state, whose Caliph was a protection and fought from behind him. This is the state that Muslims must make their first and foremost vital issue, which will restore their pride, dignity, hegemony over their lands and their will.

The solutions that America is putting forward for the so-called Middle East are rejected in their entirety, because it seeks to dominate Palestine and all Muslim countries, in addition to their proven prohibition. The claim of the disappointed and the deluded that we have no power to face America and its tool, the Jewish entity, has no basis in truth. ﴿إِنَّمَا إِلَهُ الْبَنَاتِ عَزَّ وَجَلَّ وَيُخَوِّفُونَكَ بِالَّذِينَ مِنْ دُونِهِ وَمَنْ يُضِلِلِ اللَّهُ فَمَا لَهُ مِنْ هَادٍ﴾ **“Is Allah not sufficient for His servant? Yet they threaten you with other ‘powerless’ gods besides Him! Whoever Allah leaves to stray will be left with no guide”** [Az-Zumar: 36]

America and the Jews have been unable to defeat Gaza, which is fighting alone. The reality that must be understood is that the solution lies in removing the subordinate rulers and establishing a single Islamic state on the ruins of their thrones. Anything else is futile, a departure from the Shariah solution, and a prolongation of the suffering of the Islamic Ummah, as it is the central issue that is the key to the solution to the victory and empowerment that Allah (swt) has promised to achieve.

﴿الَّذِينَ قَالَ لَهُمُ النَّاسُ إِنَّ النَّاسَ قَدْ جَمَعُوا لَكُمْ فَاخْشَوْهُمْ فَزَادَهُمْ إِيمَانًا وَقَالُوا حَسْبُنَا اللَّهُ وَنِعْمَ الْوَكِيلُ﴾

**“Those who were warned, “Your enemies have mobilized their forces against you, so fear them,” the warning only made them grow stronger in faith and they replied, “Allah ‘alone’ is sufficient ‘as an aid’ for us and ‘He’ is the best Protector””** [Aal-i-Imran: 173]
