Masjid Al Aqsa Cries Out for Help, Will Anyone Respond?!

(Translated)

For the fourth day in a row, the forces of the Jewish entity continues to raid Masjid Al Aqsa, their soldiers defiling it with their boots, and its sanctity violated with firing bullets and tear gas bombs on those maintaining its protection in it.

O Muslims in Jordan:

The Aqsa cries out for help as it has been handed over and usurped; and it is now under the control of the regime which you are being burned with its fire.

The Aqsa cries out for help after the Muslim rulers let it down by having it remain usurped by the Jews for more than six decades.

The Aqsa cries out for help after it was backstabbed with the decision of breaking the coalition between the two banks, and after the treason of signing peace treaties in Camp David, Oslo, Wadi Araba, and all that has followed from economical, security, and development agreements. Here they are, yet again, committing acts of treason in order to vacate it from the believers who are staying in it under the excuse of religious extremism and via a national decision in order to allow the Jewish entity to do whatever it wants with Masjid Al Aqsa, from time restrictions and structural division, or perhaps demolition in the coming days. The apartheid wall being built by the oppressive Jewish entity between it and Jordan is merely a true fear from the response of the Ummah in support of Al Aqsa which the Jordanian government cannot control nor deal with it, and to further secure its border in preparation for anything that could end the reliance on the Jordanian government in protecting its shared border with Jordan.

O Muslim in the Land of Al-Hashd and Ar-Ribat;

The necessary action to be taken is to declare an actual war against the Jewish entity as this is the only genuine legitimate situation in dealing with the oppressors of a land, violators of dignity and sanctities, and defilers of sacred places.

O Muslims, O Soldiers and Officers;

It is Masjid Al Aqsa where Prophet Mohammad (saw) was taken to, it is the House of Allah (swt), the third Holy Masjid and the first Qibla, so from among you, demonstrate to Allah (swt) what He (swt) would be pleased with. Plotting against the Ummah, its Deen, its people, and its sacred places has reached to a tremendous level that mustn't be ignored, and cowardice and inaction is forbidden before such acts, and to be earnest in the Dunya and its agent rulers. Know, dear Muslims throughout the world, that the second Khilafah Rashidah state upon the method of Prophethood, which Hizb ut Tahrir is working for its establishment along with the sincere ones in the Ummah, is what will liberate the lands which have been usurped, it will banish the colonials and the oppressors, it will maintain the resources of the Ummah, and it will safeguard the dignities and protect the souls and sacred places.

Therefore we invite you to come work with us, so respond to the callers to Allah (swt) so that all of us will gain back the honor and dignity of this world and the next:

يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ ﴿٢٤٧﴾
“O you who believe! Answer Allah (by obeying Him) and (His) Messenger when he (SAW) calls you to that which will give you life” [Al-Anfal: 24]
