

Press Release

The Jordanian Regime Renews its Submission to America and receives its Arrogant Vice-President

(Translated)

After the anger and the frenzy that hit the regime in Jordan and its mobilization of its political centre and the mobilization of the street and building the public opinion following the decision of US President Trump to recognize Al-Quds (Jerusalem) as the capital of the Jewish entity, the regime today receives the US Vice President Mike Pence, after the regime in Jordan presented to America a proof of its submission, to its will, and obedience to its decision. This is so by erasing the red lines that it set itself; the first of which was the city of Al-Quds, by being sufficed by the name of the Hashemite guardianship of the sanctities regardless of what the status of the city of Al-Quds will be. Where the regime in Jordan, said, as reported in the Al Quds Al Arabi Newspaper 11/01/2018: "The Palestinian issue should be the responsibility of the international community, not Jordan and Palestine". This position coincided with the prevention of all the sincere movements and activities on the ground to support Al-Quds, and the arrest of those who did not comply with this prohibition from the angry demonstrators for Al-Quds who call Muslim armies to move to support and liberate all of Palestine.

At the forefront were seven members of Hizb ut Tahrir that the regime imprisoned in prisons and detention centres without shame or shyness from Allah and His Messenger and the believers; in order to intimidate the Muslims in Jordan and prevent them from thinking of continuing their movements and activities to support Al-Quds. The second was about the crime committed by the Jews in the embassy of their usurper entity - whose existence in origin is rejected on the land of Jordan - which claimed the lives of two sons of the country. The regime closed the page of this crime by allowing the work to resume in the embassy and by the announcement of the government's spokesman, Muhammad Al-Momani, that the government of the Jewish entity have offered 'apology, regret and remorse' for its crimes committed against the people of the country!!! Again by annulling these lines it has submitted to America and its crusader hostile project in the blessed land of Palestine and the city of Al-Quds.

O Muslims:

America, the enemy of Islam and Muslims, does not comply to any covenant or relation with you or your country, and it does not hide it. Rather, it is arrogantly showing insolence. It relentlessly continues to conspire against your Deen and your country, thinking that the Islamic Ummah raised the banner of surrender as its rulers and regimes. It ignored that the rulers and regimes do not represent this Islamic Ummah, they are appointed to control the Ummah with the support of the Kufr powers of tyranny and colonialism, headed by America, the nation of terrorism and criminality; which we will eliminate and remind it that the Islamic Ummah it targets with cowardice, submission, and the collusion of its rulers, has not been defeated as a nation, not once throughout history. And it will not be defeated Allah willing.

O Muslims:

America the leader of Kufr and tyranny sent its arrogant Vice-President to the region to implement and complete the "deal of the century" according to its vision and formulation of our region, it is fully certain that it will not be stopped by anyone, or its meddling will be cut off and no one will expel it from the Muslim countries, except your political entity, which Hizb ut Tahrir is working to establish, it is the Khilafah State (Caliphate) on the method of Prophethood, which unites the Islamic Ummah and its countries and enables it as an Ummah to confront and crush its actual enemies without hesitation or delay.

We invite you to work with us for this great goal, which pleases Allah and His Messenger, Islam is calling on its people today, and you are its people, Allah willing.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ﴾

“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life.” [Al-Anfal: 24]
