

Press Release

The Regime in Jordan continues its Persecution and Oppression of the Shabab of Hizb ut Tahrir

(Translated)

In hatred of Hizb ut Tahrir and resentment against its Shabab, following one of the demonstrations in victory for Al-Quds and all of Palestine that had been carried out by the party in Wilayah of Jordan - after the closure of the regime in Jordan of Al-Quds file - where as in its predecessors, the party appealed to the Muslim armies to move to save Al-Quds as a practical response to the decision of America to recognize Al-Quds as the capital of the Jewish entity, the regime security agencies in Jordan arrested two of Hizb ut Tahrir members from the Muqabaleen area in the capital, Amman: Brother Muatasem Fayez al-Salem and Brother Ali Wasfi Harb who was prevented his family, relatives and lawyers from visiting him since his detention in the General Intelligence prison, raising doubts about the likelihood of him being severely tortured causing a severe impact on his body that has not yet healed.

We, Hizb ut Tahrir / Wilayah Jordan, hold the regime and its security apparatuses, the director of the General Intelligence and the investigation officers fully responsible for the safety of Br. Ali Harb, and the imprisonment of Shabab of Hizb ut Tahrir, the courageous men in Jordan in accounting the regime and exposing its injustice, conspiracies, corruption and disregard that has become exposed to all the people in Jordan, the land and the factory for the real men of chivalry and wisdom, the followers of the Messenger of Allah, Muhammad (saw).

We are not surprised by the regime in Jordan to be creative in diversifying the charges and distributing it to the sincere people who proclaim the word of Truth that illuminates the path of revival and salvation for the Muslims in Jordan or awaken the resolution of the Muslims armies and provoke their Iman. We are not surprised by it, for it has been politically bankrupt and its pastoral failure and historical oppression of the people of the country has been clearly exposed and will not be amended by the artful Arabs and non-Arabs, or by the political, security, and economy leaders of those with the security minds or the rotten capitalist materialistic motives. The Messenger of Allah (saw) said: «إِنَّ اللَّهَ لَيُمْلِي لِلظَّالِمِ حَتَّىٰ إِذَا أَخَذَهُ لَمَّ يَفْلْتَهُ». **Allah, the Exalted and Glorious, grants respite to the oppressor. But when He lays Hand upon him, He does not then let him off.**

We in Hizb ut Tahrir / Wilayah Jordan renew our covenant with Allah and with the Muslims in Jordan and the world, to remain proclaiming the Truth on the methodology of the Messenger of Allah (saw), not deviating an inch from it. We do not fear the blame of any blamers, nor the hatred of any spiteful, or the tyranny of any mighty oppressor until Allah manifests Islam over all religions and blesses the Ummah with victory and empowerment, or we meet Allah engaging in the work for that, obedient to Allah and sincere to Him in religion.

﴿إِنَّا لَنَنْصُرُ رُسُلَنَا وَالَّذِينَ آمَنُوا فِي الْحَيَاةِ الدُّنْيَا وَيَوْمَ يَقُومُ الْأَشْهَادُ ﴿٥١﴾ يَوْمَ لَا يَنْفَعُ الظَّالِمِينَ مَعَذرتُهُمْ وَلَهُمُ اللَّعْنَةُ وَلَهُمْ سُوءُ الدَّارِ ﴿٥٢﴾﴾

“Indeed, We will support Our messengers and those who believe during the life of this world and on the Day when the witnesses will stand ﴿٥١﴾ The Day their excuse will not benefit the wrongdoers, and they will have the curse, and they will have the worst home.” [Ghafir: 51-52]
