

Turks?! And when the Hizb carries out the call to establish the Khilafah State, it does so in accordance with the obligation of the Lord of the Worlds, and in the manner followed by the Messenger of Allah (saw) in his call to establish the state in Al-Madinah, that is, through the intellectual struggle and political action, which does not involve physical/material actions. It reveals to the public and to the Ummah its ideas and political opinions, in all its literature openly and confidently, and does not fear for the sake of Allah (swt) the blame of any blamers, as it has nothing to hide...

O our people, our tribes and our ancestry in Jordan:

O sincere people of thought and policy:

O honest and free people of press and media:

There is no doubt that you can see, hear and feel what is going on in the country of corruption in the government, its people and its supporters. The country's capabilities are sold but not to its people, and the sincere, the pious and the pure are being persecuted, tried and imprisoned, whereas the corrupt and the spoilers roam safely and confidently under the protection and order of the regime. Taxes of all forms have destroyed crops and animals, and what is to come is worse, and the country is buffeted by waves of conspiracies and submissive solutions... And by Allah, we have no recourse but to resort to Allah and return to Him, to support His religion, protect His Dawah carriers and prevent the oppressors, even if they were our own sons, for the treatment, though bitter, it is much better than the life of humiliation and disgrace that we and you live in.

To the glory of this world and the vastness of the Hereafter, we call upon you, by working to support the Deen of Allah by applying it as a reality embodied in the state of the Khilafah on the method of the Prophethood, the promise of Allah Almighty and the good tidings of His Messenger (saw), and by working with Hizb ut Tahrir, protecting its Shabab and defending them and taking on the hands of those who wronged them in this life. May Allah Almighty consider us with His mercy, so He provides us with victory and support, indeed He is competent to do that, and He is capable to answer the call.

﴿وَيَوْمَئِذٍ يُفْرِحُ الْمُؤْمِنُونَ * بِنَصْرِ اللَّهِ يَنْصُرُ مَنْ يَشَاءُ وَهُوَ الْعَزِيزُ الرَّحِيمُ * وَعَدَ اللَّهُ لَا يُخْلِفُ اللَّهُ وَعْدَهُ وَلَكِنَّ أَكْثَرَ النَّاسِ لَا يَعْلَمُونَ * يَعْلَمُونَ ظَاهِرًا مِّنَ الْحَيَاةِ الدُّنْيَا وَهُمْ عَنِ الْآخِرَةِ هُمْ غَافِلُونَ﴾

“And on that Day, the believers will rejoice. * With the victory of Allah. He gives victory to whom He wills, and He is the Exalted in Might, the Merciful. * [It is] the promise of Allah. Allah does not fail in His promise, but most of the people do not know. * They know what is apparent of the worldly life, but they, of the Hereafter, are unaware.” [Ar-Rum: 4-7]
