Hizb ut Tahrir / Kenya Successfully Organized a Seminar to Address the Global Crisis of Inflation

Hizb ut Tahrir / Kenya, in its relentless persistence in the quest for the reestablishment of the Khilafah Rashidah (rightly guided Caliphate) State upon the method of the Prophethood, conducted another successful seminar highlighting the adverse effects of inflation with its catastrophic impacts in daily life especially of the indigent. The disadvantageous problem emanating from the capitalist economic system which has now become a global crisis with adverse effects such as:

- Money losing value
- Inequality
- Exchange rate fluctuation
- High cost on the cost of borrowing
- Increased living cost
- Badly affecting fixed income groups e.g. pensioners, salaried employees and savings in banks

The seminar was organized in Mtwapa in Kilifi County on 26th June 2022; and the inflation crisis was analytically discoursed and tangent solutions were meticulously delved into. The seminar was attended over one hundred attendants.

The seminar was presented by two prominent members of the Media Office of Hizb ut Tahrir in Kenya, Brother Ali Omar and Ustaadh Shabani Mwalimu, Media Representative of Hizb ut Tahrir in Kenya.
